Horse Manure Complaint

A resident of Plymouth Street filed a complaint with the Health Agent regarding the stockpiling of horse manure at the rear of a Priscilla Drive residence (violating Part IV, Sections B, F and G). The resident of Priscilla Drive stated the pile consists of manure, grass clippings, leaves and stumps/branches from 12 trees cut down from the property). Chair Bagni made a motion to have the Plymouth Street resident to stop piling manure on the property, to put any new manure in plastic buckets, covering said buckets with a tarp and bring it to the Recycle Center weekly. Prior to seconding the motion, Fine asked the Priscilla Drive resident if he would continue to chip away from the existing pile each week and also reach out for more quotes and the resident agreed. Fine amended the motion and it passed.

The Chair requested this issue be on the Agenda for May 8, 2017 and possibly May 22, 2017.

At 7:37, Bagni made a motion to adjoin. Fine seconded and all were in favor.
