Subject: 90 Elmer St & 82 Pelham St

Hi Michele, as I mentioned the other day Mr. Daley wishes to withdraw his application for a special permit. Let me know if I need to do anything else.

Also you should have received a special permit application for 82 Pelham St.

It would be great if that could be on the 18th of September or later but before October 9th as I will be out of town again until the end of October.

Thanks, Jim
