

Pembroke Herring Fisheries Commission
Friday May 30, 2014 6:00PM
Town Hall Conf Room
Minutes of Meeting

Present: Mark Amorello, Art Egerton, Janet Fahey, Kyle Harney, Walter Hawks,
Rich Madden, Doug Sprague, & Willard Boulter (Alt)

- I. Meeting called to order by Mark Amorello at 6:00PM.
- II. No Appointments or Public Hearings:
- III. No Sec/Treasurers report: Art Egerton was appointed as an Assistant Superintendent. Doug Sprague was appointed as Safety Officer. Looking for a permanent location for the trailer and work to be done inside.
Boards at Hills Mill and Gorham Mill dams were replaced as they were missing.
- IV. Old Business: Schedule a meeting with Mr. Creedon of Brockton Water regards to diversion of water from Furnace Pond.
- V. Upcoming issues: Members are requesting shirts and hats so people will know who we are when we are cleaning the streams or at meetings other than our own. We need a First Aid Kit and would like signs for the areas that people take fish. DMF will donate some to us. We are looking to make some of the areas more secure so vehicles are not able to enter close to brooks and dams.
