Erin will talk to principals of the elementary schools about choosing a date. Mike will have Allison submit to sponsors for pledge specific donations. Katlyn has agreed to organize for us. Mike and Gina to order tee shirts when we have all info.

Updates:

1. **Select Board Meeting,** Mike attended earlier this month. They are super appreciative. Very interested in knowing why Interface didn't come back. Excited about Photo Voice, Mike pushing for center of town display as well as schools, seemed to feel approval would be easy.
2. **Photo Voice.** Discussion with Jess Lazarus. Students learning skills currently, and once they develop more camera skills project will ensue. They will be given options for camera or phone. Plan taking kids for tour on 4/7, with potential to finish before spring break. Jess would like to have one of us come back and revisit pledge with the kids. Will send us some of her research materials. By next meeting we may have some product to look at. School arts show on May 17th might be forum to premier the project. We will fund honorarium for 2 \$100 donations to local former students who are coming to work with students on photography. This was motioned by Hank, seconded by Mike and all were in favor.
3. **Dare Camp** is off for 2022
4. **Indieflix/education.** Erin will review their website and choose. Mike T wondering if we can we do an On Demand Showing for town once we acquire. We will need to check the contract. Cindy to request prices and options. Hope is to bring back Angst and consider The Upstanders as well which is a newer film on cyberbullying. Consider also a community showing of the film.

Gina motioned to end the meeting at 7:27, this was seconded by Mike and all were in favor.

Next meeting 4/27/22
