**1. Discussion about the Fall Migration of Juvenile herring.**

Several members have seen and recorded juvenile fish at several locations. Brockton Water Dept (Bryan Creedon BWD) will not be diverting water into Silver Lake until the juvenile run has finished. Water level is 12.67' above level that Brockton can take as of Oct 1, 2018.

**2. Discussion about next year having a Fish Fry with DMF and others.**

Possible location for Spring Herring Fish Fry would be Sachem Point. I will Check with owner and talk to the Mashpee Indians.

**3. Discussion about the responsibility of appointed positions within the Fisheries such as Sec/Treasurer, Safety Officer, and Junior Commissioners and approved by the membership for the Selectman to approve.**

Mark requested that I forward job responsibilities to all members and when completed to send them to the Board of Selectman for approval.

**4. Fall stream work and Herring Run improvements for the migrations.**

Mark will contact DMF Brad Chase about working at the Herring Run Park this fall.

**5. Current Log time by members of the Commissioners working in streams and other locations.**

Copy of the log sent to DMF Brad Chase. Final log will be printed December 31, 2018 and sent to the Selectman. Current time is 465.5 hrs

**6. Equipment needs.**

In need of boot hangers and several pair of new boots. I will check with Dick's in Hanover.

**7. Any items for Fall Town Meeting?**

Not at this time. The town does not have any extra money for other equipment.

**8. Old Business?**

Mark sent a letter o Brian Creedon thanking him for working with the Pembroke Fisheries and putting in the new screening at the diversion pipe. He will also send a letter to Brad Chase and advise him of the repair needed to the Mill Pond ladder at Cranberry Rd.

**9. Member Art Egerton showed a video that he made of the fish this year. It came out very nice. The member's names were also posted on the video.**
