

Delta Dental Premier Voluntary Enhanced Table Plan

The Delta Dental Premier Voluntary Enhanced Table Plan is an employee-paid dental plan that will enable you and your family to enjoy the benefits of quality, affordable dental care.

How the Plan Works

The Delta Dental Premier Voluntary Enhanced Table Plan is easy to use and understand. There are no deductibles, and each member is eligible to receive up to \$1,500 in benefits each year.

It provides coverage for the services listed in the following Table of Allowance. When you visit a Delta Dental Premier dentist (or a dentist whose office is located outside of Massachusetts), we will provide reimbursement up to the amount listed on the Table of Allowance.

To use your dental benefits, simply provide your dentist with the information that is printed on your ID card. The dentist will complete and submit your claim for you. If you have a patient responsibility, Delta Dental will send you an Explanation of Benefits (EOB) detailing what Delta Dental paid the dentist under your plan's coverage and your remaining patient balance, which you pay directly to the dentist.

Coverage is effective for all dependents up to age 26.

When You Visit a Delta Dental Premier Dentist

The Delta Dental Premier Voluntary Enhanced Table Plan utilizes our Delta Dental Premier network of more than 9,000 dentist locations in Massachusetts. To find out if your dentist is part of this network, simply ask your dentist, visit our web site at www.deltadentalma.com or contact Delta Dental's Customer Service department at 1-800-872-0500. Because our dentists generally agree to accept reduced fees from Delta Dental members, your out-of-pocket costs will generally be lower when visiting a Delta Dental Premier dentist.

All diagnostic and preventive services are covered at 100%, which means you have no out-of-pocket costs when you visit a participating dentist. Other services require a co-payment. For example, assume your Delta Dental Premier dentist typically charges \$85 for a one surface silver filling. However, his/her contract fee with Delta Dental is \$65, which means that he/she will accept \$65 as payment in full. Delta Dental will pay \$33 (code D2140 on the table of allowance) toward the filling, and your co-payment will be \$32.*

If you receive a treatment that is not covered under your plan, you may be billed at the dentist's normal rate rather than Delta Dental's negotiated rate. Also, if you receive a treatment after you have exhausted your maximum or if you receive a treatment which will cause you to exceed your maximum, you may be billed at the dentist's normal rate rather than Delta Dental's negotiated rate. To avoid any unexpected out-of-pocket expenses, we recommend that you visit Delta Dental's website at www.deltadentalma.com or call Customer Service at 1-800-872-0500 to determine your remaining benefits.

When You Visit an Out-of-Network Dentist

When you visit a Massachusetts dentist who is not part of the Delta Dental Premier network, you will be responsible for any difference between Delta Dental's payment and the dentist's submitted charge for diagnostic and preventive services. For all other services, we will provide up to 80% of the amount listed on the Table of Allowance. For example, for a one surface filling (code D2140) we will pay \$26.40 if provided by a non-participating

dentist—that is 80% of the \$33 payment you would receive if you visited a Delta Dental Premier dentist.*

If you receive dental care from a dentist located outside of Massachusetts, you will be responsible for any difference between Delta Dental's payment and the dentist's submitted charge for diagnostic and preventive services. For all other services we will pay up to the amount listed on the Table of Allowance.

In these cases, you will be responsible for the difference between your dentist's full charge and the amount Delta Dental pays. In addition, you may have to pay the dentist at the time of your visit and submit a claim to us at: Delta Dental, P.O. Box 249, Thiensville, WI 53092.

Identification Card

Two Delta Dental identification cards will be mailed to your home shortly after your enrollment. Both cards are issued in the subscriber's name, but can be used by any family member covered by the Delta Dental Premier Voluntary Enhanced Table Plan.

More About Claims

- All claims must be submitted within one year.
- You may want to ask your dentist to submit a pre-treatment estimate to Delta Dental for any procedure that exceeds \$300. This will enable us to help you estimate any out-of-pocket expenses you may incur.
- If a claim is denied you can request an appeal by writing to Delta Dental within 180 days of receiving notice on the claim. Appeals should be sent to Delta Dental, P.O. Box 9695, Boston, MA 02114.
- Under your plan's subrogation clause you may be required to reimburse Delta Dental for claim payments if you also receive payment from a third party who is held liable for an injury that required the dental care.

Coordination of Benefits

Many people have dental coverage under more than one plan. If you and your family are covered by more than one dental plan (or a medical plan that offers dental coverage), Delta Dental will coordinate benefits with the other carrier. In determining coverage, total payments from both carriers cannot exceed the allowable charge for the service. If you have a question about Coordination of Benefits (COB), please contact our Customer Service department at 1-800-872-0500.

Premiums and Rates

All premiums will be automatically deducted from your paycheck. Once you enroll, you must remain on the Delta Dental Premier Voluntary Enhanced Table Plan for one year. Rates for the Delta Dental Premier Voluntary Enhanced Table Plan are reviewed each year and may be subject to change effective in July.

Rollover Max

Rollover Max is a benefit feature that allows you to roll over a portion of your unused spending to increase your maximum benefit limit next year, and beyond. To qualify, you must receive at least one cleaning or one oral exam in the plan year, and your total yearly claims cannot exceed \$700. Rollover Max will then allow you to roll over \$500 to use the next year and beyond. See www.deltadentalma.com/pdf/07/rollovermax.pdf for more details.

* Examples for illustrative purposes only. Actual fees and contract amounts will vary.

The following is a complete list of the procedures covered under the Delta Dental Premier Voluntary Enhanced Table Plan. The amounts listed are the maximum amounts Delta Dental will pay for these procedures.
