AGREEMENT

Pursuant to the provisions of Chapter 150E of the Acts of 1964, as amended, entitled "An Act provided for the Election of Representatives" this Agreement is made and entered into this first day of July 2021 to become effective as of midnight except as otherwise so provided herein by and between the Town of Pembroke and the American Federation of State, County and Municipal Employees AFL-CIO, Council 93, Local 1700, hereinafter called the Union.

PREAMBLE

Whereas the General Court of Massachusetts saw fit in the year 1965 and by further amendment to pass a law in which they recognize that the Municipal Employees have a statutory right to bargain collectively with the Town, by the Pembroke Select Board, it is the intention of this Agreement to maintain an harmonious relationship between them, recognizing the legitimate rights and needs of the employees of the Highway, Cemetery/Commons and Tree Departments and the Custodian job classification. (For the purposes of this Agreement Cemetery/Commons and Tree are considered one department.) The Highway, Cemetery/Commons and Tree Departments will report to the Director of the Department of Public Works; the Custodian job classification will report to the Town Manager.

The Town recognizes that the DPW Commissioners have no role or authorization in the Bargaining Agreement between the Town and the Union pertaining to bargaining, relative to wages, hours, conditions of employment, discipline, personnel issues, etc., or anything that would conflict with an express and specific condition of this agreement.

In addition, all contractually negotiated items are subject to funding by the Town Meeting of the Town of Pembroke.

The D.P.W. Director and the Assistant Director shall have the responsibility for carrying out the terms of this Agreement pertaining to the Public Works Employees (excluding Water Department). The Town Manager shall have the responsibility for carrying out the terms of this Agreement pertaining to the Custodians.

ARTICLE I RECOGNITION AND UNION SECURITY

The Town recognizes the Union as the sole and exclusive bargaining agent for the purpose of establishing wages, salaries, hours and other conditions of employment for all full time regular employees of the Highway, Cemetery/Commons, Tree Departments and the Custodian classification.

The Union recognizes the Pembroke Town Manager as the sole and exclusive representative of the town for the purpose of collective bargaining relative to wages, hours and other conditions of employment.

The Town shall reserve the right to have present during bargaining sessions a team assigned by the Town Manager and an attorney which shall be limited to the above.

The Union shall reserve the right to have present during bargaining sessions three (3) bargaining unit members, the Union Steward, the Staff Representative and an attorney which shall be limited to the above.

Part-year employees who, during any fiscal year covered by this Agreement, are employed for a minimum of forty (40) hours in each of at least twenty-six (26) weeks (not necessarily consecutive) shall be entitled to receive the appropriate hourly wage rate set forth herein for all hours worked in that fiscal year and shall be entitled to the fringe benefits herein pro-rated on the basis of the number of forty (40) hour weeks worked divided by fifty-two (52). The difference, if any, between wages paid under the Town By-law and the benefits granted by this paragraph shall be retroactively provided a part-year employee upon their initial qualification for the same by completion of the minimal amount of employment above. Following initial qualification, an employee shall not be required to re-qualify (await retroactive payment) in subsequent fiscal years provided always the minimal amount of employment had been attained in the fiscal year before that in question.

The Town will not bid, promote, or finance any labor group or organization which purports to engage in collective bargaining, or make any agreement with any group or individual for the purpose of undermining the Union or changing any conditions contained in this Agreement.

ARTICLE II MANAGEMENT RIGHTS

Except where such rights, powers and authority are specifically relinquished, abridged or limited by the provisions of this Agreement, the employer retains all statutory, customary and usual rights, powers, functions and authority of an employer to manage and direct its working forces including the right to make reasonable rules to assure orderly and effective work, the right to hire, transfer, assign and retain employees and to relieve employees from duties because of lack of work, consolidations of positions, or for the other legitimate reasons, to maintain the efficiency of its operations, to determine the methods, means and personnel by which such operations are to be conducted, and to take whatever actions may be necessary to carry out the work of the employer for the public benefit so long as such action does not directly conflict with an express and specific provision of this Agreement or derogate from its non-delegable statutory responsibilities.

ARTICLE II – A SUBCONTRACTING

The Town agrees that all work ordinarily and customarily performed by its own employees will not be contracted out if such contracting would result in the direct lay-off of its workforces or in a reduction of their workweek. The Town also agrees to continue its present policy of utilizing employees of the Town to the fullest extent practicable before outside contractors are hired.

ARTICLE III UNION DUES DEDUCTION, SECURITY AND AGENCY SERVICE FEE

With written approval of the employee, the Town agrees to deduct from the pay of all employees covered by this Agreement, the dues and assessments of the Union having jurisdiction over such

employees who submit dues authorization forms furnished by the Union and agrees to remit same to said Union prior to the end of the month for which the deduction is made. Where law requires written authorization by the employee, the same is to be furnished in the form required. No deduction shall be made which is prohibited by applicable law. Where an employee who is on check-off is not on the payroll during the week the deduction is made, the employee must make arrangements with the Union to pay such dues in advance. The provisions of General Laws, c.180, sec. 17A as amended apply.

Agency Service Fee: Any person who is hired is not required to join the Union. However, if this person is hired, they, enjoying the benefits of the bargaining unit, must be assessed an agency service fee which will be equal to the Union dues paid by the members of the bargaining unit.

This amount of the agency service fee shall be deducted from the employee's gross pay every week and shall be transmitted to the Union.

In consideration of the Town's entering into this Collective Bargaining Agreement, which agreement includes a dues deduction and agency service fee provision, the Union hereby agrees to indemnify the said Town and hold it harmless from any and all claims, demands, suits or other liabilities or costs to the Town which arise out of, or by reason of, entering into or enforcement of said provision or which arise out of any payroll deduction of dues and agency service fees or any other action of the Town for the purposes of complying with this Article.

The employer agrees to deduct from wages of an employee who is a member of the Union a PEOPLE deduction as provided for in a written authorization. Such authorization must be executed by the employee and may be revoked by the employee at any time by giving written notice to the employer and the union. The employer agrees to remit, once each month, any deductions made pursuant to this provision to the agent or address provided by the union, together with an itemized statement showing the name of each employee from whose pay such deductions have been made and the amount deducted during the period by the remittance. This provision is subject to the union agreeing to indemnify and hold the Town harmless for any claims arising out of or related to these payroll deductions in the same manner and on the same terms as the union agrees to indemnify and hold the Town harmless for claims arising from deductions for union dues and agency service fees as stated in this Article.

ARTICLE IV ACCESS TO PREMISES AND UNION ACTIVITIES

Authorized agents for the Union shall have access to Town records relating to the departments during normal working hours of the Town Hall staff as long as such access is not disruptive of normal Town business. Specifically, the Union may have access to Local 1700 personnel payroll records for the purpose of determining whether or not the terms of this Agreement are being complied with. The Town will make normal records available within seven (7) working days of the Union's written request.

Time off without loss of pay or time shall be granted to up to three (3) bargaining unit members and the Union Steward for the purpose of a negotiating committee attending negotiation sessions with the Town Manager. Prior to the first scheduled negotiating session, the Union shall furnish the Town Manager and the DPW Director with a list of the members of the Union committee.

The Town agrees to continue the practice of permitting the Union to use the facilities of the Employer for the transaction of Union business during working hours which have been used in the past for such purpose and to have use of the employer's facilities during off duty hours for union meetings which have been used in the past subject to availability.

ARTICLE V CONVENTIONS

One (1) duly elected delegate or an alternate, not to exceed one (1), is allowed to attend the meetings of State or National Bodies without loss of pay and not to exceed two (2) days per year.

The Town agrees to provide any required protective clothing for its employees such as foul weather gear, gloves, safety glasses, etc. On July 1, 2017 each employee will receive four hundred and fifty dollars (\$450.00) each year towards footwear-

Grievances arising out of matters covered by this Agreement will be processed in the following manner:

Section 6. The employee, when discussing their grievance with management, may be accompanied by an official of the Local Union.

Section 7. The above time limits may be extended as mutually agreed upon in writing.

Section 8. The cost of arbitration with the Labor Relations Connection shall be borne equally by the Employer and the Union.

Section 9. In choosing an arbitrator, the Labor Relations Connection will be requested to render a list of five (5) arbitrators. If the parties cannot agree on an arbitrator, they shall each strike one from the list until only one (1) arbitrator is left. The remaining name on the list shall be the arbitrator.

Section 10. The arbitrator shall make no decision: (a) which alters, amends, adds to or detracts from the language of this Agreement; (b) which recommends a right of relief for any period of time prior to the effective date of this Agreement; (c) which modifies or abridges in any way the rights of the Town or the DPW Director.

Section 11. Either party retains its right to institute proceedings granted under c.150C of the General Laws.

ARTICLE IX
DISCRIMINATION AND COERCION

There shall be no discrimination by management against any employee because of their activity or membership in the union. The employer further agrees that there will be no discrimination against any member for their adherence to any provision of this Agreement or their refusal to comply with any order which would violate this Agreement.

ARTICLE X
BEREAVEMENT

Section 1. In the event of a death occurring in the immediate family of an employee, such employee shall be entitled to receive bereavement leave without loss of pay for the purpose of attending funeral services, arranging for burial, and attending to family affairs. It is understood these bereavement days must be days upon which the employee is regularly scheduled to work.

Section 2. Any employee who suffers the loss through death of their father, mother, sister, brother, wife, child, mother-in-law, father-in-law, brother-in-law, sister-in-law, step-parents, step brothers and sisters, step children, sons-in-law, daughters-in-law, and grandchildren shall be granted a leave of absence not to exceed five (5) days on any one occasion to attend the funeral or any other business related thereto for which the employee shall be paid said time not in excess of eight (8) hours per day at their regular rate. Two (2) days shall be granted for grandparents. One (1) day per year shall be granted for an Aunt, Uncle or Ex-spouse.

Section 3. In cases where funeral arrangements are delayed or are out of state, the DPW Director may, in their discretion, provide for such additional leave without loss of pay up to a maximum of five (5) days provided such leave is necessary for the employee's attendance at the funeral.

Section 4. After ten (10) days in a year, each day in excess of ten (10) days will be deducted from accumulated sick leave.

Section 5. In the event an employee requires leave for a death in their family not covered by this article, the DPW Director may, at their discretion and with the employee's approval, grant such leave as is necessary and deduct such time used from any personal days granted, or if in excess of personal days allowed, may be deducted from sick leave or vacation leave due to the employee.

ARTICLE XI
OVERTIME

Section 1. The Town and the Union agree that overtime is all assigned authorized or approved service performed by an employee in their regular department outside of an employee's regularly scheduled shift, including service on an employee's scheduled day off or during their vacation and service performed either prior to the scheduled starting time or subsequent to the scheduled quitting time of their regular schedule.

Section 2. Rate of pay: time and one half rate shall be paid for all work done in excess of eight

(8) hours in any one day, or in excess of forty (40) hours in any week, with the exception of overtime described in Section 13 below. When an employee is asked to work beyond normal quitting time they will be paid a minimum of one-half hour. The time and one-half rate is to include longevity pursuant to the FLSA (Fair Labor Standards Act). With the exception of snow removal, all overtime worked on a Sunday shall be paid at the rate of double the employee's regular rate of pay.

Section 3. Said overtime pay shall be included in the employee's payroll check for the week in which the overtime pay was earned.

Section 4. All assignments for overtime or extra shifts will be made by the DPW Director or their designee.

Section 5. Employees will be allowed to accept compensatory time off in lieu of monetary compensation for overtime service. Effective July 1, 2015, employees shall not accrue more than one hundred and sixty (160) hours of compensatory time.

Section 6. Posted scheduled work shifts and day off schedules of individual employees or groups of employees will not be changed, altered or modified for the purpose of avoiding the payment of overtime.

Section 7. Preference shall be given to full time regular employees for all overtime, except in the case of an emergency. No one outside the Bargaining Unit shall perform work normally done by employees within the Bargaining Unit for the purpose of avoiding the payment of overtime.

Section 8. An employee called back in their normal classification to work on the same day after having completed their assigned work and left their place of employment and before their next regular scheduled starting time, shall be paid at the rate of time and one-half for all hours worked with a minimum of four (4) hours pay, with the exception of snow removal which shall be a minimum of five (5) hours pay. Snow removal and sanding commenced during the normal work shift will be compensated at time and one-half for the time beyond the normal work shift.

All Foremen who receive calls after 3:30 pm or on scheduled days off including weekends shall be compensated one hour of compensation time for each call answered, provided that, if the Foreman's accrued compensatory time is already at the maximum limit, the Foreman shall be allowed to exceed that maximum limit but will be required to use such compensatory time within one week of when the accrued time appears on payroll, per the current practice.

Section 9. Except for emergencies overtime shall be distributed among employees from a rotating list within the job category (job category is defined as classification) in each area who ordinarily perform such related work in the normal course of their work week. A list shall be established and a number assigned to each employee within a classification, who shall be called for overtime in numerical order. If an employee is unavailable or cannot report for work they go to the bottom of the rotating list. An employee who is on a vacation day shall remain in the Overtime Rotation and not be excluded from the right to accept or refuse any overtime. An employee on a sick day will be excluded from the Overtime Rotation until 12:01 a.m. (the start of a new day). When in the case of extreme emergencies it is necessary to call in personnel from other areas to aid and assist, the personnel from areas other than the area which normally

performs such related work shall be released from their duties first when their workload lessens.

Except as outlined in the Bargaining Agreement, overtime is not mandatory.

Any employee that is on injured leave (workmen's compensation) will not be eligible to be in any of the overtime rotation lists. Employees on modified restricted/light duty are not eligible to be in the overtime rotation.

In the case of weather or other emergencies, the Custodian may be offered overtime work in the D.P.W. The Custodian classification will be permanently placed on the bottom of the overtime rotation lists and will not be involved in the rotation process. Any overtime offered to the Custodian, shall be subject to approval of the Town Manager. Custodian overtime work may only be performed by employees in the Custodian job classification.

Section 10. The employer shall keep records of overtime work.

Section 11. All employees are required to work scheduled overtime as long as they are properly notified. In order to be properly notified the DPW Director must notify the individual required to work at least 48 hours in advance of the scheduled overtime. The individual will be considered notified if the DPW Director posts the individual's name in a conspicuous place, usually the department bulletin board. Any overtime that an employee is scheduled to work that the employer cancels, if the employee is not notified four (4) hours prior to the start time in regard to the cancellation, the employee will receive four (4) hour minimum. When proper notice of forty eight (48) hours' notice is given as outlined in Section 11 and the overtime rotation within the division affected is exhausted as well as the overall rotation, the least senior employee/employees within the Division affected with the appropriate qualifications and licenses, if required, shall be required to work said overtime. When personnel are needed to assist another division and the overall rotation list is exhausted, the least senior employee/employees shall be required to work said overtime as outlined in Section 11.

In the event that personnel are needed beyond the end of the work shift due to emergency conditions, and the overtime rotation within the Division affected is exhausted, as well as the overall overtime rotation, the least senior employee/employees within the Division affected with the appropriate qualifications and licenses, if required, shall be required to work said overtime. When personnel are needed to assist another Division and the overall overtime rotation list is exhausted, the least senior employee/employees shall be required to work said overtime.

Section 12. Any scheduled overtime that takes place on a Saturday shall be at the rate of time and one-half for all hours worked with a minimum of four (4) hours pay. With the exception of snow removal, all overtime worked on a Sunday shall be paid at the rate of double the employee's regular rate of pay.

Section 13. On those rare occasions when it is necessary, because of emergency conditions, to require overtime on a holiday listed in Section XV, the employee will be paid double time and a half for all overtime hours worked subject to a four (4) hour minimum. This overtime pay is in addition to the individual's normal holiday pay ... if appropriate.

For the purposes of this section, Christmas Eve and New Year's Eve are defined as 3:30 pm to

12:00 Midnight. If Christmas Eve and/or New Year's Eve falls on a Saturday or Sunday, the time period shall run from 12 noon to 12:00 midnight.

Any employee required to work a shift on any other holiday not listed above but listed in Article XV shall be paid at the rate of double time and one-half for a minimum of four (4) hours, which shall be in addition to any holiday pay at straight time.

Section 14. Not applicable.

Section 15. Any employee that is called for emergency overtime and accepts such overtime shall be punched in on their time card at the time of the call and acceptance of overtime.

Section 16. Any employee who works sixteen (16) consecutive hours or more shall be paid time and a half their regular rate of pay for all hours in excess of sixteen (16) hours, inclusive of their regularly scheduled shift.

Any employee who receives time and a half and is called back within eight (8) hours of punching out, shall continue to be paid time and a half their regular rate of pay until they punch out and are off the clock for eight (8) consecutive hours or more.

If employees are called back for overtime and punch in less than eight (8) hours after their regularly scheduled shift ends, the hours will count towards the computation of time and a half after sixteen (16) hours. (Employees will not be paid for hours not worked.)

ARTICLE XII SENIORITY AND LAYOFF

The first twelve (12) months of continuous employment starting from the date of employment shall constitute a new employee's probationary period. At the three (3) month point in the probationary period, the DPW Director (for the DPW employees) and the Town Manager (for the Custodian employees) will meet with the employee for an evaluation in order to inform them of any problems with job performance and corrections that need to be made. If the DPW Director or the Town Manager determines that within or at the end of the twelve (12) month period that the employee is not performing their duties, then said employee can be discharged from said position without recourse from the Union (not subject to the grievance procedure). An employee shall acquire seniority after completing the twelve (12) month probationary period and their seniority will revert to the beginning date of employment. During the twelve (12) month probationary period said employee shall be entitled to and receive all the benefits of the Collective Bargaining Agreement as practiced in the past.

An employee's full time continuous service with the Town of Pembroke ("Town-wide" seniority) shall determine the employee's seniority for purposes of layoff and recall under this article. Overall seniority will be considered in cases of transfers. Overall seniority within each Division will be considered in preference in choice of vacation periods.

In the event that the DPW Director needs to transfer employees from one Division to another, the transfer notification will be posted on the Union Board. The transfer will start with the least senior employee in the Division effected unless a senior employee in the Division requests the

transfer in writing.

If the Town finds it necessary to lay off employees, the procedures set forth in this article will apply.

The employer shall meet with the Union to discuss any impending layoffs at least thirty (30) days prior to such layoff.

A "layoff" is hereby defined as a complete termination of employment for economic or other legitimate non-disciplinary reasons.

If a layoff is necessary, the Town shall layoff by job classification first, then by seniority, starting with the least senior employee. In all cases, seniority shall be measured by Town-wide service as defined above and not by departmental service. In the case of the Custodian Classification, if a layoff is necessary, the Town shall layoff in the order of starting with the least senior employee within the Custodian classification. An employee in the Custodian classification will not be permitted to bump any employee within any of the other DPW Divisions. In the event of a layoff, the Custodians shall not be eligible to bump into any other division of the DPW, meaning Highway, or Cemetery/ Commons or Tree Divisions.

In rehiring in any job classification the Town will offer re-employment to these former employees who have been laid off in the inverse order in which said employees were laid off.

There shall be no obligation to offer re-employment to any employee who has been laid off more than three (3) years or who has let their licenses expire.

The offer of re-employment shall be sufficient if made by certified or registered mail addressed to the laid off employee at their last address of record, as shown by the records of the town. Any such laid off employee must respond and be available for re-employment within seventeen (17) days from the date of mailing of the offer; otherwise the laid off employee shall be deemed to have refused re-employment and the Town's obligation under this article is satisfied.

ARTICLE XIII PROMOTIONS

Job vacancies will be filled by promotion whenever qualified and interested employees are available. Job vacancies will be posted on the department or Town Hall bulletin board for seven (7) working days. This notice will include a brief job description and rate of pay. All Custodian job postings will be posted for seven (7) working days on the Town Hall bulletin board.

To receive consideration employees must notify the DPW Director having the opening in writing, explaining why they feel they should be considered and briefly describing their qualifications for the job. Bidding is closed once the job comes off the board (seven days from the day it was posted). Once bidding is closed no additional applications will be considered.

The job opening will be filled by the applicant who has the most effective combination of the following factors required for the specific job under consideration: ability, education, experience, length of service (seniority), and previous job performance including attendance.

ARTICLE XIV
MEAL PERIODS AND REST PERIODS

All employees shall be granted a meal period of one-half (1/2) hour (without pay) duration during each full work shift. Whenever possible the meal period shall be scheduled at the middle of the shift.

All employees work schedules shall provide for a reasonable rest period normally not to exceed fifteen (15) minutes during each one-half (1/2) shift. The rest period shall be scheduled at the middle of each one-half (1/2) shift, whenever possible.

An employee entitled to 3 or more weeks of vacation may carry over one (1) of those weeks into the next fiscal year. An employee with two (2) weeks shall not be required to take two (2) consecutive weeks, and an employee with more than two (2) weeks shall not be required to take more than two (2) consecutive weeks.

*The Town and the Union agree to establish the positions of working foreman for the Cemetery Department. It is further understood that the positions of foreman in the Tree Department and the Highway Department are working foreman positions.

Any employee on Step 3 as of June 30, 2017 will automatically be moved to Step 5, unless that employee has been employed by the Town for 10 years, in which case, they shall be placed at the

10 year step. Any employee at step 1 or 2 on June 30, 2017 shall be placed at the next higher step that results in an increase in their hourly rate of pay before the 2% COLA is added. Thereafter, employees shall progress through the steps at the current annual intervals and placed at the final step upon attaining 10 years of service.

When a "certified welder" does any welding at the request of the DPW Director, they shall receive a premium of \$1.00 per hour for a four (4) hour minimum.

When a "licensed chemical applicator" of the Tree Division does any application of chemicals and performs in that capacity at the request of the DPW Director, they shall receive a premium of \$1.00 per hour for a four (4) hour minimum.

During snow removal operations, the Highway Division Foreman shall be upgraded and paid the same hourly rate of pay as the Water Division Foreman, Grade IV, Top Step.

When a Bucket Truck Operator and one Ground Crew Member are assigned to operate the aerial lift, they shall receive a premium of five dollars (\$5.00) per hour for a four (4) hour minimum.

Every employee in a position for which step rate increases in compensation are provided may be considered for an increase in compensation to the next higher step rate within their compensation grade following one (1) year at the minimum and one (1) year at each intermediate step rate, reaching the maximum rate not earlier than the third year. All step increases shall be upon the written recommendation of DPW Director and with the approval of the Town Manager. Less than full time employees shall be considered for step rate increases every two (2) years between steps; exceptions to the foregoing may be granted at the sole discretion of the Town Manager. Denial of step increases shall be subject to the grievance and arbitration procedures contained herein.

Extra Ordinary Step Rate:

- A. In certain instances such as specialized training, education and/or previous work experience, etc., the Town may upon the recommendation of the DPW Director and the approval of the Town Manager, hire a new employee at other than starting salary level for any position covered by this agreement.
- B. Any existing employee whose position is covered by this agreement may request consideration for extra ordinary advancement to Step 2 or Step 3 of the compensation plan. Such requests will be subject to the approval of the DPW Director and the Town Manager.
- C. The Town's decision will not be made arbitrarily, capriciously or unreasonable. The Town also agrees to notify the Union, in writing, within five days of approving any extra ordinary step rate. Upon written request by the employee or the Union, the Town will submit, in writing, reasons for its approval or denial or any extra ordinary step rate. Any dispute hereunder shall be subject to the grievance and arbitration procedure.

Appendix B – Lunch Periods and Rest Periods

LUNCH PERIOD

LETTER OF CLARIFICATION

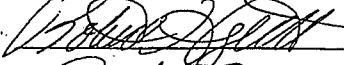

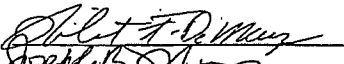

It is agreed by the Town of Pembroke and the Union that the following interpretation shall apply to the calculation of DPW employees' 45-minute lunch periods:

1. Employees of the bargaining unit are entitled to a 45-minute lunch period scheduled at the middle of the shift whenever possible.
2. An employee's "clean-up" time falls within that lunch period.
3. An employee's travel time to the D.P.W. ^{from an outlying work site and, after lunch, travel time from the D.P.W. to an outlying work site is not part of the lunch period if the employee is required to return to D.P.W. for lunch. Nothing here stated is intended to prohibit or to modify the informal flexibility of allowing foremen and individual crew members to reach a different agreement on a particular lunch period, e.g. an employee is working at a site close to home and is excused from going first to the D.P.W. with a corresponding agreement to resume work on-site at an earlier time.} ^{from an outlying work site and, after lunch, travel time from the D.P.W. to an outlying work site is not part of the lunch period if the employee is required to return to D.P.W. for lunch. This Side Letter of Agreement is entered into this 4th day of April, 2017, by and between the Town of Pembroke (the "Town"), acting through its duly authorized Board of Selectmen, and the American Federation of State County and Municipal Employees, Council 93, Local 1700 (Public Works Unit) (the "Union" or "AFSCME"), acting by and through its duly authorized representatives.

WHEREAS, the position of Custodian has historically been included in the AFSCME bargaining unit for the Public Works unit;

WHEREAS, the Town questioned the community of interest between the Custodians and other positions within the AFSCME Public Works unit and requested, through bargaining, that Custodians be removed to another unit and AFSCME declined said request;

NOW, therefore, the parties agree as follows with respect to the position of the Custodian:

2. The Custodians shall continue to be considered part of the AFSCME Public Works unit for purposes of collective bargaining and shall enjoy all of the benefits negotiated into the collective bargaining agreement ("CBA") between the Town and AFSCME pertaining to the Public Works unit, unless expressly modified herein or expressly excluded by the terms of the CBA.
3. It is the intent of the parties that the Custodians shall continue to receive all of the benefits of the CBA that they enjoyed as of June 30, 2017 and to extend any new benefits reached between the parties to the Custodians for the period beginning July 1, 2017, unless expressly modified herein or expressly excluded by the terms of the CBA.
4. All Custodians shall report to and take direction from the Town Manager, or their designee, and not the Director of Public Works.

6. The Custodians shall not be eligible to participate in the Standby Duty provision of the CBA.
7. In the event of a layoff, the Custodians shall not be eligible to bump into any other division of the DPW, meaning the Highway, or Cemetery/ Tree divisions.
