Dear Employee:

The Massachusetts Department of Unemployment Assistance (DUA) has approved TOWN OF PEMBROKE application to certify you as a seasonal worker. A seasonal worker is a person hired to work for a limited time period, which must be fewer than 20 weeks in a calendar year.

Important Information for Seasonal Workers:

- Do **not** begin your seasonal work until you get a written notice from your employer approving your seasonal worker status.
- Seasonal workers generally do **not** qualify for unemployment based on their earnings as a seasonal worker. This means that if you apply for unemployment benefits, these wages will not be considered in your unemployment benefits calculation.

As a Seasonal Worker, you must read and sign below:

TOWN OF PEMBROKE gave me a copy of this DUA Seasonal Worker Certification form, dated 30-Oct-2023. I understand that I am a seasonal worker and my wages from this job generally cannot be used for an unemployment claim.
