Financials: current balance is \$65,037. We have paid the \$10,600 to the Patriots for the raffle prize, and as of now we have sold 270 tickets so the fundraiser after 5% tax has earned us approximately \$15,000 dollars. Mike still has some earnings from the raffle to transfer into our account from paypal. Our balance after all is said and done should be approximately \$70,000.

Requests: Pumpkin Patch Fundraiser—Dineen Caprio, requesting \$500 for supplies—paints for pumpkins, rental of obstacle course and might end up asking for more if they can secure a reptile show. The Pumpkin Patch fundraiser will be 9/23 on the Pembroke town green from 11-2. Hank made the motion to approve \$500 for the pumpkin patch, Donna seconded the motion and all were in favor.

Patriots Raffle drawing—The tickets were counted twice by both Mike and Gina and then one last time by Chief Wall. There were 270 tickets sold and all the raffles stubs were accounted for. There were 30 remaining tickets unsold. Chief Wall then put tickets in a box, mixed them up well and picked one ticket. #279 was the ticket number and the name on the ticket was James Lamparelli. Mr. Lamparelli was contacted by cell phone to notify him of his prize. The drawing was broadcast live on both Instagram and facebook. Mike will contact the Patriots organization with contact info for Mr. Lamparelli so that he may claim the prize.
