Updates:

1. Dare Camp – ongoing/in progress this week. There are about 24 towns with about 15 kids from each town. Pembroke kids are doing well. Cindy and Joanne Earner will be stopping by to take pictures this week.
2. August 31st Overdose Awareness Day – Question of whether we should promote the day via social media. It was suggested that we all share the same Facebook Post. Follow the overdose pages to spread awareness. **Donna recommends that in our May 2018 board meeting, we discuss Overdose Awareness Day so we can plan ahead if we want to do something (Kelly put a note in the PTAD google calendar event).
3. Website Help Interest – No interest so far. Possibly reach out to new IT teacher (Brandon Hall) at PHS. Kelly/Mike/Alli updating when can. Pictures need to be updated- Dare Camp/pledge.
4. Pembroke Fireworks 9/23 – No cost for a booth. If someone is available, try to get new banner with sponsors on it for event. Not sure where event is – Town green or High school?
5. Survey Update: Still waiting on new data from second round of survey. Can compare to benchmark national and local numbers. Erin added some additional questions into survey round 2 that were rejected from year 1 survey. Mike will touch base with Erin regarding analysis. Want to get data so we can make posters for the high school with some data points.
6. True Titan: No nominations received for any. Mike will follow up. Wanted to give out at Pembroke Day on August 19th so may have to vote via email. Questions about when to contact coaches about this to get more response- usually contact at beginning of season.

7. Other: Hope to have new brochures and banner available for Pembroke Day if ready. Remax is committed but has not paid. Hope House for shirt.

The meeting was called to close at 6:37 by Mike and all were in favor.

Our next meeting will be on August 23, 2017 at Pembroke Public Library. We will pull the Patriots ticket raffle.
