### **UPDATES:**

- Senior scholarship winners are Jack Willshire, Logan Boutwell, Hannah Gerlach and Samantha Polin, awards night will be June 3 and done virtually. Mike has done video presentation and submitted it with the checks.
- Youth Pledge
  - 6<sup>th</sup> grade: June 11, planning for outside and do under tents, if rain will be in cafeteria, invited remote students to come in for the pledge or will have zoom link if they choose, Erin to get me breakdown of which remote tee shirts go with what classes
  - PCMS: June 21, Donna suggests she distribute shirts to kids in their respective Titan time classrooms, then do virtually. Then teachers can take photos of classrooms in their shirts. Mike commented the important part is hearing from the high schoolers and then thinking about the actual pledge and deciding if they want to do this for themselves. Mike to coordinate with the seniors involved. Likely will just need 30 min as shirts will already be distributed. Will shoot for 10 am.
- Beautiful boy books have been distributed.
- Dare Camp has been cancelled this summer
- We have not heard from Interface this year, but Erin suggested that it might be a good year to ask town groups to help support it with us. Erin will group Mike in on email to town leaders in regards to discussing this.

**Next meeting will be on August 4<sup>th</sup> at 7 pm**
