

OFFICE OF THE PLANNING BOARD

AGENDA – BALLOON TEST FOR PROPOSED CELL TOWER

Location: 85 Washington Street, Pembroke, MA 02359 (and vicinity)

DAY & TIME: SATURDAY, FEBRUARY 6, 2021, 8:00 AM – 12:00 NOON

A balloon test will be carried out on the property at 85 Washington Street, Pembroke, MA 02359, this being the location of Circle Furniture. The purpose of this balloon test is to demonstrate the visibility and height of a proposed 120-foot monopole-design cell tower at this site, to observers in various directions and locations.

This is in relation to proposed Site Plan #SP5-20 Cell Tower at 85 Washington Street, which is currently undergoing site plan review before the Pembroke Planning Board.

If you have any questions, please contact Matthew Heins in the Office of the Planning Board by phone at 781-709-1433 or by email at mheins@townofpembrokmass.org.
