Information About Scenic Road Public Hearings

Any repair, maintenance, reconstruction, or paving work done with respect to a scenic road shall not involve or include the cutting or removal of trees, or the tearing down or destruction of stone walls, or portions thereof, except with the prior written consent of the Pembroke Planning Board after a duly noticed public hearing. For complete information, see Massachusetts General Law Chapter 40, Section 15C.

If the project involves the cutting, trimming or removal of a public shade tree (i.e., a tree within or bordering the right of way), then the public hearing shall be held jointly with the Tree Warden. For complete information, see Massachusetts General Law Chapter 87, Section 3.

Applications for a scenic road public hearing are available from the Office of the Planning Board.
