940 CMR: OFFICE OF THE ATTORNEY GENERAL

29.09: Other Enforcement Actions

Nothing in 940 CMR 29.06 or 29.07 shall limit the Attorney General's authority to file a civil action to enforce M.G.L. c. 30A, §§ 18 through 25 pursuant to M.G.L. c. 30A, § 23(f).

29.10: Remote Participation

(1) Preamble. Remote participation may be permitted subject to the following procedures and restrictions. However, the Attorney General strongly encourages members of public bodies to physically attend meetings whenever possible. By promulgating 940 CMR 29.10, the Attorney General hopes to promote greater participation in government. Members of public bodies have a responsibility to ensure that remote participation in meetings is not used in a way that would defeat the purposes of the Open Meeting Law, namely promoting transparency with regard to deliberations and decisions on which public policy is based.

(2) Adoption of Remote Participation. Remote participation in meetings of public bodies is not permitted unless the practice has been adopted as follows:

(a) Local Public Bodies. The Chief Executive Officer, as defined in M.G.L. c. 4, § 7, must authorize or, by a simple majority, vote to allow remote participation in accordance with the requirements of 940 CMR 29.10, with that authorization or vote applying to all subsequent meetings of all local public bodies in that municipality.

(b) Regional or District Public Bodies. The regional or district public body must, by a simple majority, vote to allow remote participation in accordance with the requirements of 940 CMR 29.10, with that vote applying to all subsequent meetings of that public body and its committees.

(c) Regional School Districts. The regional school district committee must, by a simple majority, vote to allow remote participation in accordance with the requirements of 940 CMR 29.10, with that vote applying to all subsequent meetings of that public body and its committees.

(d) County Public Bodies. The county commissioners must, by a simple majority, vote to allow remote participation in accordance with the requirements of 940 CMR 29.10, with that vote applying to all subsequent meetings of all county public bodies in that county.

(e) State Public Bodies. The state public body must, by a simple majority, vote to allow remote participation in accordance with the requirements of 940 CMR 29.10, with that vote applying to all subsequent meetings of that public body and its committees.

(f) Retirement Boards. A retirement board created pursuant to M.G.L. c. 32, § 20 or M.G.L. c. 34B, § 19 must, by a simple majority, vote to allow remote participation in accordance with the requirements of 940 CMR 29.10, with that vote applying to all subsequent meetings of that public body and its committees.

(3) Revocation of Remote Participation. Any person or entity with the authority to adopt remote participation pursuant to 940 CMR 29.10(2) may revoke that adoption in the same manner.

(4) Minimum Requirements for Remote Participation.

(a) Members of a public body who participate remotely and all persons present at the meeting location shall be clearly audible to each other;

(b) A quorum of the body, including the chair or, in the chair's absence, the person authorized to chair the meeting, shall be physically present at the meeting location, as required by M.G.L. c. 30A, § 20(d);

(c) Members of public bodies who participate remotely may vote and shall not be deemed absent for the purposes of M.G.L. c. 39, § 23D.

(5) Permissible Reasons for Remote Participation. If remote participation has been adopted in accordance with 940 CMR 29.10(2), a member of a public body shall be permitted to participate remotely in a meeting, in accordance with the procedures described in 940 CMR 29.10(7), if the chair or, in the chair's absence, the person chairing the meeting, determines that one or more of the following factors makes the member's physical attendance unreasonably difficult:

- (a) Personal illness;
- (b) Personal disability;
- (c) Emergency;
- (d) Military service; or
- (e) Geographic distance.

29.10: continued

(6) Technology.

(a) The following media are acceptable methods for remote participation. Remote participation by any other means is not permitted. Accommodations shall be made for any public body member who requires TTY service, video relay service, or other form of adaptive telecommunications.

1. telephone, internet, or satellite enabled audio or video conferencing;
2. any other technology that enables the remote participant and all persons present at the meeting location to be clearly audible to one another.

(b) When video technology is in use, the remote participant shall be clearly visible to all persons present in the meeting location.

(c) The public body shall determine which of the acceptable methods may be used by its members.

(d) The chair or, in the chair's absence, the person chairing the meeting, may decide how to address technical difficulties that arise as a result of utilizing remote participation, but is encouraged, wherever possible, to suspend discussion while reasonable efforts are made to correct any problem that interferes with a remote participant's ability to hear or be heard clearly by all persons present at the meeting location. If technical difficulties result in a remote participant being disconnected from the meeting, that fact and the time at which the disconnection occurred shall be noted in the meeting minutes.

(e) The amount and source of payment for any costs associated with remote participation shall be determined by the applicable adopting entity identified in 940 CMR 29.10(2).

(7) Procedures for Remote Participation.

(a) Any member of a public body who wishes to participate remotely shall, as soon as reasonably possible prior to a meeting, notify the chair or, in the chair's absence, the person chairing the meeting, of his or her desire to do so and the reason for and facts supporting his or her request.

(b) At the start of the meeting, the chair shall announce the name of any member who will be participating remotely and the reason under 940 CMR 29.10(5) for his or her remote participation. This information shall also be recorded in the meeting minutes.

(c) All votes taken during any meeting in which a member participates remotely shall be by roll call vote.

(d) A member participating remotely may participate in an executive session, but shall state at the start of any such session that no other person is present and/or able to hear the discussion at the remote location, unless presence of that person is approved by a simple majority vote of the public body.

(e) When feasible, the chair or, in the chair's absence, the person chairing the meeting, shall distribute to remote participants, in advance of the meeting, copies of any documents or exhibits that he or she reasonably anticipates will be used during the meeting. If used during the meeting, such documents shall be part of the official record of the meeting, and shall be listed in the meeting minutes and retained in accordance with M.G.L. c. 30A, § 22.

(8) Further Restriction by Adopting Authority. 940 CMR 29.10 does not prohibit any person or entity with the authority to adopt remote participation pursuant to 940 CMR 29.10(2) from enacting policies, laws, rules or regulations that prohibit or further restrict the use of remote participation by public bodies within that person or entity's jurisdiction, provided those policies, laws, rules or regulations do not violate state or federal law.

(9) Remedy for Violation. If the Attorney General determines, after investigation, that 940 CMR 29.10 has been violated, the Attorney General may resolve the investigation by ordering the public body to temporarily or permanently discontinue its use of remote participation.
