ANNUAL REPORT OF THE BOARD OF SELECTMEN

To the Citizens of the Town of Pembroke:

The Board of Selectmen is pleased to submit this 159th Annual Report of the Town of Pembroke Officers and Elected Officials. This book contains the reports of all departments, commissions, boards and committees on their activities for the calendar year 2013. These reports are designed to inform citizens of how town government works and where and how your tax dollars are being spent.

Mr. Gregory Hanley decided not to seek re-election to the Board of Selectmen at the end of his term in 2013. Mr. Hanley contributed many new ideas for the benefit of the Town and was responsible for the re-formation of the Community Center Study Committee charged with evaluating the current and future status of the Community Center building and reporting their findings to the Selectmen and to the Town. The Committee which reviewed the building uses and calculated the financial and social benefits of renovation versus a new build concluded in their recommendation that the building requires replacement.

Mr. Hanley was instrumental in assisting the School Department with Pembroke's applications for MSBA project funding, which was ultimately approved at a 52.06% reimbursement rate for four school roof replacement projects. Mr. Hanley also instituted monthly Department Head presentation to the Selectmen and the residents during his chairmanship. Pembroke was proud to see Mr. Hanley elected to the Plymouth County Commissioners Office in April of 2013 where he continues to update and advise the Board of county activities.

Michelle L. Burt was elected at the April 2013 Town Election to fill the seat vacated by Mr. Hanley. Ms. Burt expressed her hope to be able to bring a new perspective to meetings and contract negotiations and to be able to diligently and faithfully represent the residents of Pembroke daily.

The current elected officials of this five-member Board of Selectmen are Chairman Willard J. Boulter, Jr., Vice-chairman Arthur P. Boyle, Jr., Clerk Lewis W. Stone, Selectman Daniel W. Trabucco and Selectman Michelle L. Burt. As the Chief Elected and Executive Officers of the Town, the Selectmen are vested with all the municipal authority not specifically retained by the Town Meeting or other elected boards. The Selectmen appoint a Town Administrator who is responsible for the daily management of the Town. Edwin J. Thorne was appointed as Pembroke's Town Administrator in 1998 and has proven to be most competent and professional in his service and advice in the matters before the Board.

The Selectmen issue the warrants for the Annual and Special Town Meetings, initiate legislative policy by inserting articles in these warrants, and then implement the votes that are subsequently adopted. The Selectmen are also responsible for negotiating contracts with Union Employees of the Town. They appoint members of most official boards, committees and commissions and hold public hearings on important town issues brought up by these committees and other community groups. The Board met under their regular schedule forty times and held five special meetings in 2013. Some of the matters before the Board this year included the Route 53 and Pleasant Street traffic signal project design, remote participation of the Town's boards, committees and commissions, thirty-four new board and committee appointments, several road race requests, license transfers, door-to-door solicitation permit requests, the acceptance of several parcels of tax title properties and many celebrations at

Thomas Redding Park at the Herring Run. The Board was pleased to recognize new Eagle Scout Alexander Thomas Bowler who created a time-period herb and flower garden at the historic Adah Hall house, Eagle Scout Andrew J. Allen who restored the entrance to Briggs Burial Ground, Eagle Scout Zachary Brian Johnson who installed a new viewing area at Tubbs Meadow Preserve, and Girl Scout Gold Award recipient Charlotte Skolnick, who has designed and implemented a program for self guided tours of Pembroke.

In 2013, the Selectmen accepted the recommendation of Police Chief Richard Wall and approved a request for the promotion of one Lieutenant and one Sergeant from within the department. Pembroke welcomes Lieutenant Paul Ridley and Sergeant Jonathan Simmons.

The Capital Planning Committee and the Cash Management Committee review and set fiscal guidelines for the annual operating budget and the five-year capital improvement plan. The Insurance Advisory Committee meets to review health insurance costs and seeks to keep costs under control. The Energy Committee, appointed by the Selectmen, drafted and presented a solar photovoltaic zoning bylaw at the fall Special Town Meeting that passed overwhelmingly. The Affordable Housing Committee is dedicated in their efforts to monitor the inventory of affordable housing in our community. The GATRA bus service program to assist the elderly and disabled has been running well as has the bus service that transports residents to the commuter rail station.

February brought a Nor'easter with two feet of significant snowfall and high winds resulting in extended power outages throughout New England, particularly to the residents of Pembroke. The DPW suffered the loss of their emergency generator and had extreme difficulty clearing the roads; there were in excess of forty trees brought down in this storm making many roads impassable. Emergency Management Co-Directors Rick Wall and Mike Hill quickly mobilized volunteers to open warming stations and overnight shelters. The aftermath of the storm saw many town and state officials and regional representatives of utility companies meeting and communicating on best practices. Pembroke Emergency Management Agency began putting out informational bulletins in advance of anticipated events through the Town of Pembroke website and the newly created Town of Pembroke Government Facebook page and Twitter feed.

Chairman Boulter continued to work with the Conservation Commission to finalize the placement of the water wheel, the 300th Anniversary Committee's gift to the Town. Selectman Burt mentored Girl Scout Star Young and procured funding and support to begin the much needed restoration of the bee on the Council on Aging building.

Selectman Boyle raised concerns about our current sign bylaw and a new Sign Bylaw Study Committee was created to review the current bylaw relating to the permitting and regulation of signs. Selectman Trabucco continued his efforts to advance the street light at the intersection of Route 53 and Pleasant Street project and ensured that the residents of Oldham Street received a much needed stop sign at the corner of West Elm Street.

Selectman Stone continued to meet with other towns to discuss heavy vehicle exclusions as an advocate for the elimination of truck traffic on Pembroke's residential streets and continues assists residents by bringing their concerns before the Board of Selectmen during the "Ask the Selectmen" portion of their weekly meetings. Mr. Stone worked with the Town Administrator and the School Department to implement textile recycling in May with collection bins placed at all five schools; 37,000 pounds of recycling was removed from the waste stream generating \$2600 in revenue for the PTOs and eliminating \$2100 of solid waste costs.

The Animal Control Officer was in attendance for several dog complaint hearings this year and most cases were resolved with amicable results.

The Town's website continues to be an invaluable source of information to our residents. Deborah Wall, Library Director deserves a sincere note of gratitude for her dedication and service in keeping this website up to date. The website address is www.pembroke-ma.gov.

As a certified Passport Acceptance Agency, the Selectmen's Office facilitated 284 U.S. Passport applications in 2013.

The Board of Selectmen are empowered as the Licensing Board responsible for issuing and renewing licenses and permits such as, liquor licenses, automobile dealer licenses, common victualer licenses, live and Sunday entertainment licenses, transient vendor permits, mobile food vendor permits, roadside stand permits and door-to-door solicitation permits. The Board's licensing activities for the year 2013 were as follows:

<u>Number</u>	<u>Class of License or Permit</u>
15	Common Victualer All Alcoholic
3	Common Victualer Wine and Malt
5	Retail Package All Alcoholic
4	Retail Package Wine and Malt
2	Club All Alcoholic Licenses
1	Class I New Motor Vehicle Dealer License
21	Class II Auto Dealer Licenses
1	Taxi Cab Licensee
41	Common Victualer Licenses
11	Live Entertainment Licenses
4	Amusement Device Licenses
4	Precious Metal Dealer Licenses
5	Sunday Entertainment
0	Billiard Table Licenses
3	Mobile Food Vendor/Ice Cream Truck Permits
8	Road Use Permits (Races)
2	Farm Stand Permits
5	Roadside Stand Permits
7	One Day Liquor Licenses
2	Fishing Tournaments

December 2013

ANNUAL REPORT OF THE TOWN ADMINISTRATOR

I am pleased to submit my sixteenth annual report as Town Administrator for the year 2013.

The Town continued its relationship with the Greater Attleboro Taunton Regional Transit Authority (GATRA) in providing transportation services to the Senior Van and Paratransit programs. In addition, GATRA continued the shuttle service between town parking lots and the Commuter Rail Line in Hanson. The Board of Selectmen continued to complete the heavy truck exclusion project in North Pembroke, as well as High Street and Mountain Ave. Cooperation from neighboring Marshfield and Duxbury were still being sought in 2013.

Curbside Recycling and the Landfill capping dominated the attention of Pembroke residents in 2012. The curbside recycling program began in July 2011, after the Town purchased 6,000 recycling bins. The program has been immensely popular and successful as the Town achieved its goal of diverting 1000 tons of trash away from the Covanta/SEMSS facility thereby saving over a \$100,000. The landfill capping project, completed in December 2011, and after a year waiting period, the Town now is moving forward to an eventual solar farm on the property. In addition, the Town was able to partner with the School Department to institute two recycling programs, one for textiles, and a second for single stream recyclables.

The Town continued its commitment to clean the ponds and waterways by a series of projects such as Furnace Pond, Oldham Pond algae cleanup. It was successful in eliminating the algae blooms in both ponds by chemical treatment and the Town Landing swim program continued throughout the summer uninterrupted. In addition to the algae cleanup, the Town began a partnership with the Town of Hanson to address the pollutants indentified in the Comprehensive Environmental Incorporated Oldham Pond Study.

The Town completed the new dock project at both Town Landing (Oldham Pond) and the swim facility at Little Sandy Pond in June.

The South Shore Administrators/Managers Association continued with a series of meetings throughout the area as it focused on such topics as joint purchasing of goods and services, solid waste disposal, and health insurance.

The Town continued its close relationship with Senate President Therese Murray and State Representative Josh Cutler on a variety of topics ranging from the state budget to local earmarked projects.

In 2013, a special town meeting funded the engineering for the new traffic signal at the intersection of Pleasant Street and Route 53. Construction is slated to begin in 2014. Other noteworthy projects in 2013 were repairs to the Town Hall, Police Station, and the Town Green. The Community Center Study Committee was reorganized to further examine the future use of the facility built in 1934.

As always, none of the activities, events, and programs in this report would be possible without the cooperation of all elected and appointed town officials, and town employees. My sincere appreciation to the Board of Selectmen, and a special thanks to Sabrina Chilcott, Executive Assistant, and Vicky Gillard, Principal Clerk, for their hard work and commitment to the Town of Pembroke.

**COMMONWEALTH OF MASSACHUSETTS
TOWN OF PEMBROKE
SPECIAL TOWN MEETING WARRANT**

TUESDAY, FEBRUARY 12, 2013

PLYMOUTH, ss.

To either of the Constables of the Town of Pembroke in the county aforesaid.

GREETING: In the name of the Commonwealth of Massachusetts, you are hereby required and directed to notify and warn the inhabitants of the Town of Pembroke who are qualified to vote on Town Affairs and Elections therein to meet at the PEMBROKE COMMUNITY MIDDLE SCHOOL, 559 School Street, on TUESDAY, the TWELFTH DAY OF FEBRUARY, 2013 at SEVEN-THIRTY O'CLOCK in the evening, then and there to act on the following:

ARTICLES 1 – 3

And you are directed to serve this Warrant by posting attested copies thereof at the Town Office Building, Pembroke Center Post Office, North Pembroke Post Office, Bryantville Post Office, Pembroke Center Library and the Country Corner Store.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, at the time and place of meetings as aforesaid.

Given under our hands and seals this 28th day of January, 2013

PEMBROKE BOARD OF SELECTMEN

ARTICLE 1: ACTION 3: To see if the Town will vote to rescind the following amounts that have been authorized to be borrowed, but which are no longer needed for the purposes for which they were initially approved:

<u>Unissued Amount</u>	<u>Date of Approval</u>	<u>Warrant Article</u>	<u>Original Purpose</u>
\$ 618	03/02/02	2	School remodeling
15,793	04/27/04	16	Septic Systems
925,000	04/22/08	13	Land Acquisition
75,000	10/21/08	1	Fire Dept. Svc Truck
35,000	10/21/08	1	Fire Dept. Sedan
30,000	10/21/08	1	Fire Dept. Brush Truck
400,000	10/21/08	1	Fire Dept. Pumper Truck
40,000	10/21/08	1	Police Roof
75,000	11/03/09	1	Police Dept. 2 Vehicles
806,342	11/03/09	5	Ball Fields
141,350	10/19/10	3	Landfill Capping

Moved by Linda Peterson That the Town rescinds the sum of \$2,544,103 of debt previously incurred which is no longer needed for the purposes for which the borrowing was previously approved, said borrowing having been incurred as follows:

SECONDED AND SO VOTED

MAJORITY

ARTICLE 2: ACTION 2: To see if the Town will vote to raise and appropriate, transfer from available funds and/or authorize the Treasurer to borrow, with the approval of the Board of Selectmen, a sum of money for the purpose of providing engineering services for the proposed traffic signal at the intersection of Route 53 and Pleasant Street, or take any action relative thereto.

Moved by Matthew McNeilly that the sum of \$125,000 is appropriated for the purpose of providing engineering services for the proposed traffic signal at the intersection of Route 53 and Pleasant Street, including design, right of way documentation and engineering permitting, and all other costs incidental or related thereto; that to meet this appropriation, the Treasurer with the approval of the Board of Selectmen is authorized to borrow \$125,000 under G. L.

c.44, §7(22), or any other enabling authority; and that the Board of Selectmen is authorized to take any other action necessary to carry out this project.

SECONDED AND SO VOTED

2/3 MAJORITY

ARTICLE 3: ACTION 1: To see if the Town will vote to amend the Zoning Bylaws to insert a new section under Section V, “Special Provisions, Standards and Procedures,” as set forth below and to amend the Table of Contents to insert “11. Medical Marijuana Treatment Centers” under “Section V. Special Provisions, Standards and Procedures.”

11. MEDICAL MARIJUANA TREATMENT CENTERS

A. Purpose. It is the purpose of this section titled “Medical Marijuana Treatment Centers” to address and mitigate the potential secondary effects of Medical Marijuana Treatment Centers and drug dispensing and cultivation businesses that are referenced and defined herein. Secondary effects have been shown to include increased crime, adverse impacts on public health, and adverse impacts on the business climate of communities, adverse impacts on the property values of residential and commercial properties, and adverse impacts on the quality of life in communities. All of said secondary impacts would be adverse to the health, safety and general welfare of the Town and its inhabitants. It is the purpose of this Bylaw to establish specific standards and procedures for local licensing of medical marijuana centers, medical marijuana infused products, manufacturers, and medical marijuana cultivation operations.

B. Special Permit. Medical Marijuana Treatment Centers may be authorized by special permit in the Adult Use Overlay District. The following regulations shall apply to Medical Marijuana Treatment Centers as defined in this By- Law.

C. Separation. No Medical Marijuana Treatment Center shall be located within fifteen hundred linear feet of:

1. Any Residential District as designated herein; Any School or Child Care Establishment;
2. Any Other Medical Marijuana Treatment Center; or
3. Any establishment licensed to pour alcohol under the provisions of G.L. c.138 §12.

Distances shall be calculated by direct measurement from the nearest property line of the land used for any of the identified purposes above to the nearest portion of the building in which the medical marijuana treatment center is located.

D. Conflict with Other Bylaws. In the event of any conflict between the provisions of this Bylaw and any other applicable Bylaw, the stricter provision, as deemed by the Zoning Enforcement Officer, shall control.

E. Off-Premises Delivery Prohibited. All sales and distribution of medical marijuana by a dispensary agent shall occur only upon the licensed premises, and a dispensary agent shall be strictly prohibited from delivering medical marijuana to any person at any other location.

F. Signage. Any licensed Medical Marijuana Treatment Centers site shall comply with the requirements of the Town Sign Bylaws at all times.

G. Manufacturing. Medical marijuana infused product manufacturing may be conducted by special permit in any zoning district where commercial manufacturing of products is allowed as of right or permitted by special permit.

H. Term of Special Permit. Any special permit issued pursuant to this Bylaw shall be valid for a period of two years from the date of issuance. Application for renewal of the special permit must be filed 90 days before the expiration of the special permit and subject to a public hearing in accordance with the procedures set forth in G.L. c.40A §9, 11 and 15, and Sections VI.D., F. and G. of the Zoning Bylaws.

I. Definitions

“Medical Marijuana Treatment Center” shall mean a not-for-profit entity, as defined by Massachusetts law only, registered under state law, that acquires, cultivates, possesses, processes (including development of related products such as food, tinctures, aerosols, oils or ointments), transfers, transports, sells, distributes, dispenses, or administers marijuana, products containing marijuana, related supplies, or educational materials to qualifying patients or their personal caregivers.

“Dispensary agent” shall mean an employee, staff volunteer, officer, or board member of a non-profit medical marijuana treatment center, who shall be at least twenty-one (21) years of age.

Motion by the Planning Board that any action under Article 3 be indefinitely postponed.

SECONDED AND SO VOTED

MAJORITY

With all business completed the meeting was adjourned at 8:30

A true copy, ATTEST: _____
Mary Ann Smith, Town Clerk

PURSUANT TO THE WARRANT, for the Annual Town Meeting to be held on Tuesday, April 23, 2013, I have notified and warned the inhabitants of the Town of Pembroke by posting up attested copies of the same at the Town Office Building, Pembroke Center Library, Pembroke Center Post Office, North Pembroke Post Office, Bryantville Post Office, and the Country Corner Store.

POSTED: Date: April 16, 2013 By: Edwin J. Thorne

Moderator Stephen Dodge called the Annual Town Meeting to order at 8:00 p.m.. at the Pembroke High School on April 23, 2013 pursuant to a Warrant under the hands of the Selectmen of Pembroke, Chairman Gregory M. Hanley, Vice-chairman Lewis W. Stone, Selectmen Clerk Arthur P. Boyle, Jr., selectmen Willard J. Boulter, Jr. and Daniel W. Trabucco issued this 16th day of April 2013 by Edwin J. Thorne, showing the warrant had been posted at the Town Office Building, Pembroke Center Post Office, Pembroke Center Library, North Pembroke Post Office, Bryantville Post Office and the Country Corner Store. Checkers appointed by the Selectmen were Sandra Damon, Rosemarie Edgerton, Janet Fahey, Mary Teevens and Mary Quill. Carol who reported 187 voters in attendance. Tellers sworn in by the Moderator were Pat Cullity, Stacey Curtin, Judy Graham, Alan Peterson, and Gail Sim.

Outgoing Selectmen Greg Hanley led the body of the meeting in the Pledge of Allegiance

Selectmen Stephen Dodge asked for a moment of reflection in honor of the victims and those injured in the Boston Marathon bombings.

The Moderator also asked that a moment of silence be observed in memory of:

Paul Russo, past Town Memorial Committee member

Dottie Macinnes, past member of the Pembroke Watershed Committee, and Columnist

Burt Sherman, Burt was a member of the Zoning board and also Pembroke's unofficial "Town Artist".

Dick Simmons, Dick served the Pembroke Police Department with distinction from 1965, until retiring as Sergeant in 2002.

Bob Willis, Bob joined the Pembroke Fire Department in 1968 he served as Chief of the Department prior to his retirement in 1999.

The Moderator acknowledged the Key Club for the babysitting service they offered during Town Meeting. And Carol Dodge for her continued support of the club.

A presentation was made by Assessor's Mary Quill and Libby Bated to Cindy Long. Cindy is retiring from her position on the Board of Assessors after 24 years of dedication.

Selectmen Arthur Boyle presented outgoing Chairman of the Board of Selectmen Greg Hanley with a plaque acknowledging his service to the town.

Mr. Boyle moves that if a two-thirds vote is required by statute, the Moderator is authorized to declare a 2/3 vote during both the Annual and Special meeting if, after a show of hands, the Moderator determines that the 23rd majority has been reached; provided however, that if a vote so declared is immediately questioned by seven or more voters, the Moderator shall verify the two-thirds majority by ordering a standing count of the yeas and nays.

A motion was made to allow the following non-residents and non-registered voters to enter and address the Town Meeting:

Ed Thorne, Town Administrator
Michael Buckley, Town Accountant
Joel Bard, Kopelman & Page
Miriam MacInnis, Secretary to the Advisory Committee
Michael Messinger, Assistant to Representative Josh Cutler
Rob Lima, PAC-TV
Chris Qverze, PAC-TV
David Antone, PAC-TV
Dave Gilbert, PAC-TV
Mike Melanson, Pembroke Mariner & Express

Janine Mullarney, reporter
 Kevin MacDonald, Gatehouse Media Photo
 Kate McRoberts, new town/school project
 Erin Obey, Schools
 Gretchen Barrett, Government project
 Ian Coletti, observer

- \$ 8,000 be transferred from the account for Overlay Surplus to the account for Town Hall General Expenses;

- \$ 5,000 be transferred from Overlay Surplus to the account for Street Lighting-General Expenses;
- \$40,000 be transferred from Overlay Surplus to the account for Veterans' Benefits-General Expenses;
- \$ 524 be transferred from Overlay Surplus to the account for the Community Center Wages and Salaries;
- \$10,000 be transferred from Overlay Surplus to the account for Community Center-General Expenses;
- \$30,000 be transferred from Overlay Surplus to the account for Unemployment-General Expenses;
- \$22,876 be transferred from Overlay Surplus to the account for Medicare Tax-General Expenses.

SECONDED AND SO VOTED

MAJORITY

ARTICLE 3 ACTION 1: To see if the Town will vote to establish a revolving fund for the Pembroke Historical Commission under Massachusetts General Law Chapter 44, Section 53E ½ for the fiscal year beginning July 1, 2013 with specific receipts credited to the fund established under the name Bethel Chapel. Specific receipts are donations and rental fees charged for the use of the building. The funds are to be used for the cost of utilities, maintenance, supplies and other charges and expenses related to the upkeep of the Chapel. The FY2014 Spending Limit is set at \$3,000.

Motion by Matthew McNeilly that a revolving fund be established in accordance with the provisions of Massachusetts General Law Chapter 44, Section 53E½, the purpose of which is to collect rental fees and donations from organizations using the Bethel Chapel as a meeting place; and further That the Pembroke Historical Commission shall deposit such rental fees and donations to be credited to the revolving fund and shall make expenditures, not to exceed \$3,000, from it to pay the cost of utilities, supplies, maintenance, and other charges and expenses related to the upkeep of the Bethel Chapel.

ARTICLE 8 ACTION 6: To see if the Town will vote to authorize the Board of Selectmen to petition the General Court for special legislation authorizing the Town Administrator to sign warrants for payment, as set forth below; provided, however, that the General Court may make clerical or editorial changes of form only to said bill, unless the Board of Selectmen approves amendments thereto prior to enactment by the General Court, and provided further that Board of Selectmen is hereby authorized to approve amendments which shall be within the scope of the general public objectives of this petition:

An Act Relative to Signing of Warrants for Payment in the Town of Pembroke

Notwithstanding the provisions of section 56 of chapter 41 of the General Laws, or of any other general or special law to the contrary; the town administrator in the town of Pembroke is hereby authorized to approve all warrants for payment of town funds, including payroll warrants. The approval of all such warrants by the town administrator shall be sufficient authority to authorize payment of the same by the town treasurer, but a majority of the board of selectmen shall approve all such warrants in the event of the absence of said town administrator or a vacancy in the office of town administrator. Or take any other action relative thereto.

Motion by the Board of Selectmen that the Board of Selectmen be authorized to petition the General Court for special legislation authorizing the Town Administrator to sign warrants for payment, as set forth below; provided, however, that the General Court may make clerical or editorial changes of form only to said bill, unless the Board of Selectmen approves amendments thereto prior to enactment by the General Court, and provided further that Board of Selectmen is hereby authorized to approve amendments which shall be within the scope of the general public objectives of this petition:

An Act Relative to Signing of Warrants for Payment in the Town of Pembroke

Notwithstanding the provisions of section 56 of chapter 41 of the General Laws, or of any other general or special law to the contrary; the town administrator in the Town of Pembroke is hereby authorized to approve all warrants for payment of town funds, including payroll warrants. The approval of all such warrants by the town administrator shall be sufficient authority to authorize payment of the same by the town treasurer, but a majority of the board of selectmen shall approve all such warrants in the event of the absence of said town administrator or a vacancy in the office of town administrator.

Any and all monies reimbursed by the state for these elections will be returned to the Town.

Motion by Matthew McNeilly that the sum of \$30,000 be appropriated and transferred from overlay surplus to be expended for a special primary election on April 30, 2013, for a candidate for the seat of Massachusetts Senator in the United States Senate and a special election on June 25, 2013, for the seat of Massachusetts Senator in the United States Senate; and further to accept any reimbursement from the Commonwealth of Massachusetts for the cost of said elections.

SECONDED AND SO VOTED

MAJORITY

ARTICLE 12 ACTION 2: To see if the Town will vote to amend the Zoning Bylaws to insert a new section under Article V, “Special Provisions, Standards and Procedures,” as set forth below and to amend the Table of Contents to insert “11. Medical Marijuana Treatment Centers” under “Article IV. Special Provisions, Standards and Procedures:”

11. MEDICAL MARIJUANA TREATMENT CENTERS

A. Purpose. It is the purpose of this section titled “Medical Marijuana Treatment Centers” to address and mitigate the potential secondary effects of Medical Marijuana Treatment Centers adverse to the health, safety and general welfare of the Town and its inhabitants by regulating the siting of Medical Marijuana Treatment Centers and establishing specific standards and procedures for local permitting of Medical Marijuana Treatment Centers and other medical marijuana related uses.

B. Special Permit. Medical Marijuana Treatment Centers may be authorized by special permit issued by the Pembroke Zoning Board of Appeals in the Adult Use Overlay District. The following regulations shall apply to Medical Marijuana Treatment Centers as defined in this By- Law.

C. Separation. No Medical Marijuana Treatment Center shall be located within five hundred linear feet of:

1. Any Residential District as designated herein;
2. Any School or Child Care Establishment;
3. Any Other Medical Marijuana Treatment Center; or
4. Any establishment licensed to pour alcohol under the provisions of G.L. c.138 §12.

Distances shall be calculated by direct measurement from the nearest property line of the land used for any of the identified purposes above to the nearest portion of the building in which the medical marijuana treatment center is located.

D. Conflict with Other Bylaws. In the event of any conflict between the provisions of this Bylaw and any other applicable Bylaw, the stricter provision, as deemed by the Zoning Enforcement Officer, shall control.

E. Off-Premises Delivery Prohibited. All sales and distribution of medical marijuana by a dispensary agent shall occur only upon the licensed premises, and a dispensary agent shall be strictly prohibited from delivering medical marijuana to any person at any other location.

F. Signage. Any licensed Medical Marijuana Treatment Centers site shall comply with the requirements of the Town Sign Bylaws at all times.

G. Manufacturing. Medical marijuana infused product manufacturing may be

conducted by special permit issued by the Pembroke Zoning Board of Appeals, on the condition that such manufacturing complies with the Separation requirements of Section C herein, in any zoning district where commercial manufacturing of products is allowed as of right or permitted by special permit.

H. Term of Special Permit. Any special permit issued pursuant to this Bylaw shall be valid for a period of two years from the date of issuance. Application for renewal of the special permit must be filed 90 days before the expiration of the special permit and subject to a public hearing in accordance with the procedures set forth in G.L. c.40A §9, 11 and 15, and Sections VI.D., F. and G. of the Zoning Bylaws.

I. Definitions

“Medical Marijuana Treatment Center” shall mean a not-for-profit entity, as defined by Massachusetts law only, registered under state law, that acquires, cultivates, possesses, processes (including development of related products such as food, tinctures, aerosols, oils or ointments), transfers, transports, sells, distributes, dispenses, or administers marijuana, products containing marijuana, related supplies, or educational materials to qualifying patients or their personal caregivers.

“Dispensary agent” shall mean an employee, staff volunteer, officer, or board member of a non-profit medical marijuana treatment center, who shall be at least twenty-one (21) years of age.

J. SEVERABILITY

The provisions of this bylaw are severable. If any provision, paragraph, sentence, or clause of this by-law or the application thereof to any person, establishment, or circumstances shall be held invalid, such invalidity shall not affect the other provisions or application of this bylaw.

Or take any other action relative thereto.

Motion by Board of Selectmen to amend the Zoning Bylaws of the Town of Pembroke by inserting a new section under Article IV, “Special Provisions, Standards and Procedures,” as printed in Article 12 of the April 23, 2013, Special Town Meeting warrant and to amend the Table of Contents of said bylaw by inserting “11. Medical Marijuana Treatment Centers” under “Article IV. Special Provisions, Standards and Procedures.

SECONDED AND SO VOTED

DEFEATED BY A 2/3 MAJORITY

ARTICLE 13 ACTION 3: To see if the Town will vote to amend the Town’s Zoning Bylaws, Article V, by adding a new Section 11, **TEMPORARY MORATORIUM ON MEDICAL MARIJUANA TREATMENT CENTERS**, that would provide as follows, and further to amend the Table of Contents to add Section 11, “Temporary Moratorium on Medical Marijuana Treatment Centers” under Article V:

A. PURPOSE

By vote at the State election on November 6, 2012, the voters of the Commonwealth approved a law regulating the cultivation, distribution, possession and use of marijuana for medical purposes. The law provides that it is effective on January 1, 2013 and the State Department of Public Health is required to issue regulations regarding implementation within 120 days of the law's effective date. Currently under the Zoning Bylaw, a Medical Marijuana Treatment Center is not a permitted use in the Town and any regulations promulgated by the State Department of Public Health are expected to provide guidance to the Town in regulating medical marijuana, including Medical Marijuana Treatment Centers. The regulation of medical marijuana raises novel and complex legal, planning, and public safety issues and the Town needs time to study and consider the regulation of Medical Marijuana Treatment Centers and address such novel and complex issues, as well as to address the potential impact of the State regulations on local zoning and to undertake a planning process to consider amending the Zoning Bylaw regarding regulation of medical marijuana treatment centers and other uses related to medical marijuana. The Town intends to adopt a temporary moratorium on the use of land and structures in the Town for Medical Marijuana Treatment Centers and other uses related to medical marijuana so as to allow the Town sufficient time to engage in a planning process to address the effects of such structures and uses in the Town and to enact bylaws in a manner consistent with sound land use planning goals and objectives.

B. DEFINITION

“Medical Marijuana Treatment Center” shall mean a “not-for-profit entity, as defined by Massachusetts law only, registered by the Department of Public Health, that acquires, cultivates, possesses, processes (including development of related products such as food, tinctures, aerosols, oils or ointments), transfers, transports, sells, distributes, dispenses, or administers marijuana, products containing marijuana, related supplies, or educational materials to qualifying patients or their personal caregivers.”

C. ACCESSORY USES

In no case shall the acquisition, cultivation, possession, processing, transference, transportation, sale, distribution, dispensing, or administration of marijuana, products containing or derived from marijuana, or related products be considered accessory to any use.

D. TEMPORARY MORATORIUM

For the reasons set forth above and notwithstanding any other provision of the Zoning Bylaw to the contrary, the Town hereby adopts a temporary moratorium on the use of land

or structures for a Medical Marijuana Treatment Center or for medical marijuana related uses as described in Section C herein. The moratorium shall be in effect through June 30, 2014. During the moratorium period, the Town shall undertake a planning process to address the potential impacts of medical marijuana in the Town, consider the Department of Public Health regulations regarding Medical Marijuana Treatment Centers and other uses related to medical marijuana, and shall consider adopting new Zoning Bylaws to address the impact and operation of Medical Marijuana Treatment Centers and related uses.

E. SEVERABILITY

The provisions of this bylaw are severable. If any provision, paragraph, sentence, or clause of this by-law or the application thereof to any person, establishment, or circumstances shall be held invalid, such invalidity shall not affect the other provisions or application of this bylaw.

Or take any action relative thereto.

Motion by the Board of Selectmen to amend the Town’s Zoning Bylaws, Article V, by adding a new Section 11, TEMPORARY MORATORIUM ON MEDICAL MARIJUANA TREATMENT CENTERS, as printed under Article 13 of the April 23, 2013, special town meeting warrant, and further, to amend the Table of Contents by adding Section 11, “Temporary Moratorium on Medical Marijuana Treatment Centers” under Article V.

ARTICLE 13 ACTION 18: To see if the Town will transfer the control and custody of parcel G11-12E, to the Department of Public Works, to be used in perpetuity as an expansion of the Pine Grove Cemetery, or take any other action relative thereto.

Motion by Matthew McNeilly that the Board of Selectmen be authorized to transfer its control of Lot 12E, as shown on the Assessors' Map G11, to the Department of Public Works in perpetuity for the purpose of expanding the Pine Grove Cemetery located off Elm Street in North Pembroke.

SECONDED AND SO VOTED

2/3 MAJORITY

ARTICLE 14 ACTION 21: To see if the Town will vote to raise and appropriate and/or transfer from available funds the sum of \$8,500, to be expended under the direction of the Town Administrator, for the purchase and installation of approximately 500 feet of fence around Magoun Field, or take any action relative thereto.

Motion by Patricia Elsner to take no action

SECONDED AND SO VOTED

MAJORITY

ARTICLE 15 ACTION 4: To see if the Town will vote to raise and appropriate, and/or transfer from available funds, a sum of money to be used for the purchase of equipment for Animal Control, or take any other action relative thereto.

Motion by Advisory that no action be taken

SECONDED AND SO VOTED

MAJORITY

ARTICLE 16 ACTION 15: To see if the Town will vote to raise and appropriate, and/or transfer from available funds, and/or borrow a sum of money to be used for the purpose of purchasing and installing an Emergency Awareness System between the Pembroke Public School Buildings, The Town Hall and the Pembroke Police Station.

Motion by Linda Peterson that the Town appropriate the sum of \$25,000 to be expended for the purchase and installation of an Emergency Awareness System that will connect the Pembroke Public School buildings, Pembroke Public Library, and the Pembroke Town Hall with the Pembroke Police Department; and to meet this appropriation that the Treasurer, with the approval of the Board of Selectmen, be authorized to borrow \$25,000 in accordance with Massachusetts General Laws Chapter 44, Section 7, Clause 9, or any other enabling statute.

SECONDED AND SO VOTED

2/3 MAJORITY

ARTICLE 17 ACTION 26: To see if the Town will vote to transfer the sum of \$82,500 from the Community Center Building, Phase II account and return it to Annual Revenues FY(12), or take any other action relative thereto.

Motion by Brian VanRiper to table this motion to the Fall Meeting

SECONDED AND SO VOTED

MAJORITY

ARTICLE 18 ACTION 17: To see if the Town will vote to appropriate and/or reserve from the Community Preservation annual revenues in the amounts recommended by the Community Preservation Committee for committee administrative expenses, community preservation projects and other expenses in fiscal year 2014, with each item to be considered a separate appropriation:

Appropriations:

From FY 2014 estimated revenues: Committee Administrative Expenses (5%) \$ 14,250

Reserves:

From FY 2014 estimated revenues for Historic Resources Reserve (10%)	\$ 28,500
From FY 2014 estimated revenues for Community Housing Reserve (10%)	\$ 28,500
From FY 2014 estimated revenues for Open Space Reserves (10%)	\$ 28,500
Balance FY 2014 estimated revenues for Budgeted Reserve	\$ 185,250

Motion by Brian VanRiper to appropriate and/or reserve from Community Preservation annual revenues the following amounts to be used for the Committee's administrative expenses, community preservation projects, and other expenses in Fiscal Year 2014:

Appropriations:

From FY 2014 estimated revenues: Committee Administrative Expenses (5%) \$ 14,250

Reserves:

From FY 2014 estimated revenues for Historic Resources Reserve (10%)	\$ 28,500.
From FY 2014 estimated revenues for Community Housing Reserve (10%)	\$ 28,500.
From FY 2014 estimated revenues for Open Space Reserves (10%)	\$ 28,500.
Balance FY 2014 estimated revenues for Budgeted Reserve	\$185,250.

SECONDED AND SO VOTED

MAJORITY

ARTICLE 19 ACTION 22: To appropriate any remaining balance of funds from Community Preservation Fund FY14 Annual Revenues to the Annual Budget Reserve, or take any other action relative thereto.

Motion by Brian VanRiper to take no action

SECONDED AND SO VOTED

MAJORITY

ARTICLE 20 ACTION 9: To see if the Town will vote to adopt and approve the following recommendations of the Community Preservation Committee for Fiscal Year 2014, and to see if the Town will vote to implement such recommendations by

appropriating a sum or sums of money from the Community Preservation Fund. Each recommendation is to be voted on individually.

Recommendation A: To appropriate the sum of \$50,000 from FY14 Community Preservation Annual Revenues and that said funds be granted to the Pembroke DPW to repair the wall at the Pine Grove Cemetery and to repair the wall and several headstones at Mount Pleasant Cemetery, or take any other action relative thereto.

Motion by Brian VanRiper that the sum of \$50,000 be appropriated from FY14 Community Preservation Annual Revenues and that said funds be granted to the Pembroke Department of Public Works to be expended for repairing the wall at the historic Pine Grove Cemetery and for repairing the wall and several headstones at the historic Mount Pleasant Cemetery.

SECONDED AND SO VOTED

MAJORITY

Recommendation B: To appropriate and transfer the sum of \$150,000.00 from Community Preservation Fund Open Space Reserves and the sum of \$65,000.00 from FY14 Community Preservation Annual Revenues, for a total appropriation of \$215,000.00 and authorize the Board of Selectmen to acquire by purchase, gift, and/or eminent domain for open space purposes, approximately 80± acres of land, located off Monroe Street, shown on Assessor's Map D6, Lot 5; Map D5, Lot 1; and Map C7, Lot 25, with the care, custody and control of said land to be held by the Conservation Commission under the provisions of G.L. c.40, §8C, or take any other action relative thereto.

Motion by Brian VanRiper that no action be taken on Article 20-B

SECONDED AND SO VOTED

MAJORITY

Recommendation C: To appropriate the sum of \$57,500.00 from Community Preservation Fund Community Housing Reserve and that said funds be granted to the Pembroke Housing Authority to install Phase Two (2) of an intercom system at Kilcommons Drive, a state public housing development located on Kilcommons Drive, or take any other action relative thereto.

Motion by Brian VanRiper that the sum of \$57,500 be appropriated from the Community Preservation Fund Community Housing Reserve and that said funds be granted to the Pembroke Housing Authority for the purpose of completing Phase Two (2) of an intercom system installation at Kilcommons Drive, a state public housing development located on Kilcommons Drive.

SECONDED AND SO VOTED

MAJORITY

Recommendation D: To appropriate the sum of \$8,000.00 from FY14 Community Preservation Annual Revenues and that said funds be granted to Robert DeMarzo to restore the historic animal pound located in front of the Pembroke Town Hall by removing weeds and vines and repairing stonework, or take any other action relative thereto.

Motion by Brian VanRiper that the sum of \$8,000 be appropriated from the FY14 Community Preservation Annual Revenues and expended under the direction of the Town Administrator for the restoration of the historic animal pound located in front of the Pembroke Town Hall, said restoration to include the removal of existing weeds and vines and repair of existing stonework.

SECONDED AND SO VOTED

MAJORITY

Recommendation E: To appropriate the sum of \$25,000.00 from FY14 Community Preservation Annual Revenues and that said funds be granted to the Cobb Library Trustees to replace lighting fixtures, insulate crawl spaces, duct work and cathedral ceilings at the Cobb Library located on Union Street in Bryantville, or take any other action relative thereto.

Motion by Brian VanRiper that the sum of \$25,000 be appropriated from the FY14 Community Preservation Annual Revenues and that said funds be granted to the Cobb Library Trustees to be expended to replace lighting fixtures, insulate crawl spaces, duct work, and for rehabilitation of the cathedral ceilings at the Cobb Library located on Union Street in Bryantville.

SECONDED AND SO VOTED

MAJORITY

Recommendation F: To appropriate the sum of \$31,850.00 from FY14 Community Preservation Annual Revenues and that said funds be granted to the East Pembroke Community Club for Phase II which is to bring the kitchen, bathroom and electrical service up to code, restore aluminum ceiling and install wrought iron railings in the East Pembroke Community Club located on Taylor Street, or take any other action relative thereto.

Motion by Brian VanRiper to take no action

SECONDED AND SO VOTED

MAJORITY

ARTICLE 21 ACTION 5: To see if the Town will vote to amend Article IV Section 12 of the By-Laws of the Town of Pembroke to read as follows:

SECTION 12.

Whenever a vacancy exists in any appointive Town office or employee position for which a salary or wage is paid, the vacancy will be advertised once in a local newspaper of general circulation, which will also post it on their websites; also, the position will be posted on the town website. A paper copy will be posted in town hall and in the department seeking the candidate. Applications to fill such vacancy will be accepted by the appointing authority for at least ten (10) business days following the publication notice of vacancy and the closing date will be listed in the notice. This by-law shall not apply to employees covered under Civil Service. The appointing authority of a vacant office or position may make a temporary or interim appointment to fill such vacancy until such time as a permanent appointment is made after compliance with this section.

Submitted by the Library Director

Motion by Matthew McNeilly that the Town vote to amend Article IV, Section 12 of the By-Laws of the Town of Pembroke to read as follows: Whenever a vacancy exists in any appointive Town office or employee position for which a salary or wage is paid, the vacancy will be advertised once in a local newspaper of general circulation, which will also post it on their websites; also, the position will be posted on the town website. A paper copy will be posted in town hall and in the department seeking the candidate. Applications to fill such vacancy will be accepted by the appointing authority for at least ten (10) business days following the publication notice of vacancy and the closing date will be listed in the notice. This by-law shall not apply to employees covered under Civil Service. The appointing authority of a vacant office or position may make a temporary or interim appointment to fill such vacancy until such time as a permanent appointment is made after compliance with this section.

SECONDED AND SO VOTED

MAJORITY

ARTICLE 22 ACTION 28: To see if the Town will vote to raise and appropriate, and/or transfer from available funds, the sum of \$6,000 to be added to the amounts voted under Article 3, Library Wages and Salaries, and further to increase each step under Article 2, Schedule SA-27, Library Director, by \$6,000, or take any other action relative thereto.

Motion by Patricia Elsner to amend the Annual Salary Schedule A-27 of the Wage and Personnel Classification and Compensation By-law by increasing the maximum step by \$6,000; and further, To raise and appropriate the sum of \$6,000 to be added to the amount voted under Article 3 of the April 23, 2013, Annual Town Meeting Warrant for the Library Director's salary; and further, To authorize the Town Accountant to allocate that amount to the appropriate account.

SECONDED AND SO VOTED

MAJORITY

ARTICLE 26 ACTION 13: To ask the Town of Pembroke to vote to raise or appropriate or transfer from available funds, the sum of \$3,500 to contract with South Shore Women’s Resource Center for domestic violence intervention and prevention services for its residents, or take any other action relative thereto.

Motion by Kathy Hassey to take no action

SECONDED AND SO VOTED

MAJORITY

ARTICLE 27 ACTION 6: To see if the Town will vote to raise and appropriate and/or transfer from available funds, the sum of \$6,925.00 to support the Annual Tree Lighting Event and the costs associated with the maintenance and installation of the lights. The funds will be held in a revolving account to be administered by the Town Administrator.

Motion by Stephen Curley that the sum of \$6,925 be raised and appropriated to be expended for maintenance and installation of lights on the Town Green for the Annual Tree Lighting event.

SECONDED AND SO VOTED

MAJORITY

ARTICLE 28 ACTION 14: To bring to the Election Officers their vote, all on one ballot, for the following named Officers and Committees, to Wit: One Moderator for one year; One Selectman for three years; one Assessor for three years; one Board of Health Member for three years; one Housing Authority member for five years; Two Library Trustee’s for three years; one Library Trustee for two years; one Planning Board Member for five years; one Constable for three years; one School Committee Members for three years; one DPW Commissioner for three years; or take any other action relative thereto.

COMMONWEALTH OF MASSACHUSETTS

TOWN OF PEMBROKE
SPECIAL FALL TOWN MEETING WARRANT
TUESDAY, NOVEMBER 12, 2013

PLYMOUTH, ss.

To either of the Constables of the Town of Pembroke in the county aforesaid.

GREETING: In the name of the Commonwealth of Massachusetts, you are hereby required and directed to notify and warn the inhabitants of the Town of Pembroke who are qualified to vote on Town Affairs and Elections therein to meet at the PEMBROKE HIGH SCHOOL, Learning Lane, on TUESDAY, the TWELFTH DAY OF NOVEMBER, 2013 at SEVEN THIRTY O'CLOCK in the evening, then and there to act on the following:

Given under our hands and seals this 29th day of October 2013

PEMBROKE BOARD OF SELECTMEN

Willard J. Boulter Jr., Chairman

Arthur P. Boyle, Vice-Chairman

Lewis W. Stone, Clerk

Michelle L. Burt., Selectwoman

Daniel W. Trabucco., Selectman

A TRUE COPY ATTEST: _____
Mary Ann Smith, Town Clerk

Pursuant to the Warrant for the Special Fall Town Meeting to be held on November 12, 2013, I have notified and warned the inhabitants of the Town of Pembroke by posting up attested copies of the same at the Town Office Building, Pembroke Center Library, Pembroke Center Post Office, North Pembroke Post Office, Bryantville Post Office, and the Country Corner Store.

POSTED: Date October 29, 2013 By Robert Doyle, Constable

Moderator, Steven C Dodge called the Special Fall Town Meeting to order at 7:30 P.M. at the Pembroke High School, Learning Lane Pembroke Ma on November 12, 2013, pursuant to a Warrant under the hands of the Selectmen, Chairman Willard J Boulder,, Vice-Chairman Arthur P Boyle, Clerk Lewis Stone, Selectwomen Michelle L Burt and Selectman Daniel W Trabuco. Checkers appointed by the checkers were Stacey Curtin, Sandra Damon, Rosemarie Egerton, Mary Quill and Mary Teevens, who reported 289 voters in attendance. Tellers sworn in by the Moderator were Patricia Cullity, Judy Graham. Cheryl Nogler and Gail Sim

The moderator asked for a moment of Silence for Farther Mark Hannon of Saint Joseph the Worker Parish in Hanson. Father Mark was an integral part of our town he loved marching in our parades; he participated in the blessing at many functions and will always be remembered for his rousing rendition of God Bless America at the swearing in of Chief Rick Wall. Father Mark was loved by many in this community; he will be missed.

Acting on a motion made by Selectmen Boyle a vote was passed to give the Moderator authority to determine that a 2/3rds vote has been achieved.

A motion was made to allow the following non-residents and non-registered voters to enter and address the Town Meeting

Ed Thorne, Town Administrator
Michael Buckley, Town Accountant
Josh Cutler, Town Representative
Kay Doyle, Kopelman and Paige
Dave Antone, PAC TV Director
Chris Qverzc, PAC TV

ARTICLE 5: MOTION 22: To see if the Town will vote to raise and appropriate and/or transfer from available funds a sum of money to be added to the Stabilization Fund, or take any action relative thereto.

Moved by Ms. Elsner That no action be taken under Article 5.

SECONDED AND SO VOTED

MAJORITY

ARTICLE 6: MOTION 11 To see if the Town will vote to appropriate a sum of money to be added to the Other Post Employment Benefits Liability Fund established by the vote of Article 11 of the April 24, 2012 Annual Town Meeting, or take any other action relative thereto.

Moved by the Board of Selectmen That the sum of \$25,000 be appropriated and transferred from free cash to the Other Post Employment Benefits Liability Fund established by the vote of Article 11 of the April 24, 2012 Annual Town Meeting.

SECONDED AND SO VOTED

MAJORITY

ARTICLE 7: ACTION 2: To see if the Town will vote to transfer from surplus revenue and/or other available funds a sum of money to balance the budget and to reduce the tax rate for the Fiscal Year 2014, or take any other action relative thereto.

Moved by Mr. McCollum To appropriate and transfer the sum of \$429,066 from free cash to offset the FY13 snow and ice deficit and to balance the FY14 budget and reduce the tax rate; and further To appropriate and transfer \$50,000 from the Ambulance Fund and \$50,000 from the Council on Aging Transportation Fund for the purpose of balancing the FY14 budget and reducing the tax rate.

SECONDED AND SO VOTED

MAJORITY

ARTICLE 8: MOTION 21: To see if the Town will vote to accept the provisions of G.L. c. 200A, §9A, to allow the Town to use the alternative procedure stated therein for disposing of abandoned funds held in the custody of the Town, or take any other action relative thereto.

Moved by Ms Peterson To accept the provisions of G.L. c200A, §9A, to allow the Town to use the alternative procedure stated therein for disposing of abandoned funds held in the custody of the Town.

SECONDED AND SO VOTED

MAJORITY

ARTICLE 9: ACTION 26: To see if the Town will vote to raise and appropriate and/or transfer from available funds or otherwise provide a sum of money for the purpose of funding any new collective bargaining agreements, or take any other action relative thereto.

Moved by the Board of Selectmen To appropriate the sum of \$32,069 to fund a contract between the AFSCME Council 93, Local 1700, Clerical Unit, and the Town of Pembroke for FY12, FY13, and FY14 by transferring \$28,452 from free cash, raising and appropriating \$906 from water revenue, and raising and appropriating \$2,711 from trash revenue.

SECONDED AND SO VOTED

FAILED

ARTICLE 10: ACTION 14: To see if the Town will vote to authorize the Board of Selectmen to enter into a contract for the disposal of the Town's solid waste for a period not to exceed twenty (20) years commencing on July 1, 2014, on such terms and conditions as the Board of Selectmen deem to be in the best interests of the Town, which contract may include a provision that the Town shall not be exempt from liability for the payment of contract sums in future fiscal years; or to take any action relative thereto.

Moved by Anthony O'Brien To authorize the Board of Selectmen to enter into a contract for the disposal of the Town's solid waste for a period not to exceed twenty (20) years commencing on July 1, 2014, on such terms and conditions as the Board of Selectmen deem to be in the best interests of the Town, which contract may include a provision that the Town shall not be exempt from liability for the payment of contract sums in future fiscal years.

SECONDED AND SO VOTED

MAJORITY

ARTICLE 11: ACTION 18: To see if the Town will vote to accept the provisions of G.L. c. 64L, §2 authorizing the imposition of a local excise in the statutory amount of .75% on the sale of restaurant meals originating within the town, or take any action relative thereto.

Moved by Mr. Walsh That the Town accept the provisions of MGL chapter 64L, Section 2, which authorizes the imposition of a local excise in the statutory amount of .75% on the sale of restaurant meals originating within the town.

SECONDED AND SO VOTED

MAJORITY

ARTICLE 12: ACTION 24: To see if the Town will vote to transfer the care, custody, management and control of the tax-title parcels of land identified below from the Town

Administrator and/or Treasurer to the Board of Selectmen for the purpose of sale or general municipal purposes, which parcels are described more particularly as follows

Map-Parcel ID	Address/Location	Book - Page #
G11-30	Elm Street	15326-121
A5-5	Off Virginia Drive	17736-133
B12-74	Stanford Hill Road	18960-312
F9-37	Congress Street	Doc. No. 415634
A10-35	Off Shores Edge Rd	18197-333
F12-13	Pleasant Street	15595-15
B5-254	Braeburn Avenue	Certificate of Title No. 97321

E9-12A	Old Washington Street	18339-33
F3-160	Pine Street	18197-331

Or take any other action relative thereto.

Moved by Steve Curley That the care, custody, management, and control of the tax-title parcels of land identified in Article 12 of the November 12, 2013, Special Town Meeting Warrant be transferred from the Town Administrator and/or Treasurer to the Board of Selectmen for the purpose of sale or for general municipal purposes.

SECONDED AND SO VOTED

MAJORITY

ARTICLE 13: ACTION 3: To see if the Town will vote to transfer the care, custody, management and control of the tax-title parcels of land identified below from the Town Administrator and/or Treasurer to the Conservation Commission for the purpose of sale or conservation and passive recreation purposes under the provisions of G.L. c.40, §8C, which parcels are described more particularly as follows:

Map-Parcel ID	Address/Location	Book - Page #
C11-9	Cedar Swamp	21694 - 278
C13-42	Cedar Swamp	22788 - 31
A11-11	Off Hazelwood Drive	17704 - 283
D4-15	Plain Street	18259 - 35
A11-10	Off Hazelwood Drive	22419 - 293

Or take any other action relative thereto.

Moved by Ms. Michael That the Town transfer the care, custody, management, and control of the tax-title parcels of land identified in Article 13 of the November 12, 2013, Special Town Meeting Warrant from the Town Administrator and/or Treasurer to the Conservation Commission for conservation and passive recreation purposes as provided under Massachusetts General Laws, Chapter 40, Section 8C.

SECONDED AND SO VOTED

MAJORITY

ARTICLE 14: ACTION 5: To see if the Town will vote to raise and appropriate and/or transfer from available funds or otherwise provide a sum of money for the purpose of repairing the culverts at Elm Street and Harvard Street, or take any other action relative thereto.

Moved by Ms. Elsner That the sum of \$290,000 be appropriated to replace two headwalls on Harvard Street, replace an outlet control structure on Elm Street, and repair the slopes and road shoulders adjacent to each headwall on Harvard Street and the Elm Street outlet structure and, to meet this appropriation, that the Treasurer, with the approval of the Board of Selectmen, be authorized to borrow \$290,000 and to issue bonds or notes therefor in accordance with Massachusetts General Laws Chapter 44, Section 7, Clause 7, or any other enabling statute.

SECONDED AND SO VOTED

2/3 MAJORITY

ARTICLE 15: ACTION 6: To see if the Town will vote to raise appropriate, transfer from available funds, and/or borrow a sum of money to be used for the purpose of repairing the front façade of the Police Station by purchasing and replacing gutters and fascia boards and replacing the existing siding.

Moved by Ms. Hassey That the sum of \$6,100 be appropriated and transferred from free cash to be expended for the purpose of repairing the front façade of the Police Station by replacing the gutters, fascia boards, and the existing siding.

SECONDED AND SO VOTED

MAJORITY

ARTICLE 16: ACTION 10: To see if the Town will vote to raise and appropriate and/or transfer from available funds or otherwise provide the sum of \$70,000 to purchase two (2) four wheel drive vehicles for the Fire Department, or take any other action relative thereto.

Moved by Michelle Burt That the sum of \$35,000 be appropriated and transferred from free cash to be expended for the purpose of purchasing one four-wheel drive vehicle for the Fire Department.

Citing safety reasons and his unwavering responsibility to the towns people Fire Chief Jim Neenan made a motion to amend Ms. Burts motion back to the original request of Two four-wheel drive vehicles for the Fire Department. A vote was taken on the chiefs motion.

SECONDED AND SO VOTED

MAJORITY

A vote was then taken on the original motion as printed in the warrant.

ARTICLE 18: ACTION 16: To see if the town will accept as a Town Way, Summer Path Way as shown on the street layout plan entitled Meadowview Farm dated June 12, 2013 prepared by SITEC, Inc. and to see if the Town will further vote to authorize the Board of Selectmen to accept any and all property interests and appurtenances to use said street for all purposes for which public ways are used in the Town; or take any other action relative thereto.

Moved by Matthew McNeilly To accept as a Town Way, Summer Path Way as shown on a street layout plan entitled Meadowview Farm, dated June 12, 2013, prepared by SITEC, Inc., and further: To authorize the Board of Selectmen to accept any and all property interests and appurtenances for all purposes for which public ways are used in the Town.

SECONDED AND SO VOTED

MAJORITY

ARTICLE 19: ACTION 25: To see if the Town will vote to amend the Zoning Bylaws of the Town of Pembroke by deleting Section V., Special Provisions, Standards and Procedures subsection 11., Temporary Moratorium on Medical Marijuana Treatment Centers and amending Section IV., Use And Dimensional Regulations, by adding a new subsection 10., entitled Medical Marijuana Overlay District to read as follows:

10. **MEDICAL MARIJUANA OVERLAY DISTRICT:**

1. **Establishment:** The Medical Marijuana Overlay District is established as an overlay district. The boundaries of the Medical Marijuana Overlay District are shown on the Zoning Map on file with the Town Clerk. Within the Medical Marijuana Overlay District, all requirements of the underlying district(s) remain in effect, except where these regulations provide an alternative to such requirements. Land within the Medical Marijuana Overlay District may be used either for (1) a Registered Marijuana Dispensary, in which case the requirements in this section shall apply; or (2) a use allowed in the underlying district, in which case the requirements of the underlying district shall apply. If the provisions of the Medical Marijuana Overlay District are silent on a zoning regulation, the requirements of the underlying district shall apply. If the provisions of the Medical Marijuana Overlay District conflict with the requirements of the underlying district, the requirements of the Medical Marijuana shall control.
2. **Purpose:** To provide for the placement of a Registered Marijuana Dispensaries, in accordance with the Humanitarian Medical Use of Marijuana Act, G.L. c.94C, App. §1-1, et seq., in locations suitable for lawful medical marijuana facilities and to minimize adverse impacts of the Registered Marijuana Dispensaries on adjacent properties, residential neighborhood, historic districts, schools, playgrounds and other locations where minors congregate by regulating the siting, design, placement, security, and the removal of the Registered Marijuana Dispensaries.
3. **Definitions:** Where not expressly defined in the Zoning By-laws, terms used in the Medical Marijuana Overlay District by-law shall be interpreted as defined in the Humanitarian Medical Use of Marijuana Act, G.L. c.94C, App. §1-1, et seq. and the Department of Public Health Regulations promulgated there under, 105 CMR 725.001, et seq., and otherwise by their plain language.
 - a. **Registered Marijuana Dispensary:** also known as a Medical Marijuana Treatment Center, means a not-for-profit entity registered under 105 CMR 725.100, that acquires, cultivates, possesses, processes (including development of related products such as edible marijuana-infused products, tinctures, aerosols, oils or ointments), transfers, transports, sells, distributes, dispenses, or administers marijuana, products containing marijuana, related supplies, or educational materials to registered qualify patients or their personal caregivers. Unless otherwise specified, Registered Marijuana Dispensary refers to the site(s) of dispensing, cultivation, and preparation of marijuana.
4. **Location:**

Registered Marijuana Dispensaries shall be allowed in the Industrial A and Industrial B Zoning Districts in the area west of Route 3.

 - a. Registered Marijuana Dispensaries may be permitted in the Medical Marijuana Overlay District pursuant to a Special Permit.

- b. Registered Marijuana Dispensaries may not be located within five hundred (500) feet of the following:
 - 1. School, including a public or private elementary, vocational, or secondary School. The distance under this section is measured in a straight line from the nearest point of the property line of the protected uses identified in Section 4.b. to the nearest point of the property line of the proposed Registered Marijuana Dispensaries.
 - c. The distance requirement may be reduced by twenty-five percent or less, but only if:
 - 1. The applicant demonstrates that the Registered Marijuana Dispensary would otherwise be effectively prohibited within the municipality;
 - 2. The applicant demonstrates that the Registered Marijuana Dispensary will employ adequate security measures to prevent diversion of medical marijuana to minors who are not qualifying patients pursuant to 105 CMR 725.004.
5. **Procedure:**
- The Planning Board shall be the Special Permit Granting Authority for a Registered Marijuana Dispensary special permit.
- a. Application: In addition to the materials required under Section V., Special Provisions, Standards and Procedures, 7. Site Plan Approval, the applicant shall include:
 - 1. A copy of its registration as an Registered Marijuana Dispensary from the Massachusetts Department of Public Health
 - 2. A detailed floor plan of the premises of the proposed Registered Marijuana Dispensary that:
 - 3. Identifies the square footage available and describes the functional areas of the Registered Marijuana Dispensary, including areas for any preparation of marijuana-infused products;
 - 4. Detailed site plans that include the following information:
 - a. Compliance with the requirements for parking and loading spaces, for lot size, frontage, yards and heights and coverage of buildings, and all other provisions of this By-law;
 - b. Convenience and safety of vehicular and pedestrian movement on the site and for the location of driveway openings in relation to street traffic;
 - c. Convenience and safety of vehicular and pedestrian movement off the site, if vehicular and pedestrian traffic off-site can reasonably be expected be substantially affected by on-site changes;
 - d. Adequacy as to the arrangement and the number of parking and loading spaces in relation to the proposed use of the premises, including designated parking for home delivery vehicle(s), as applicable;
 - e. Design and appearance of proposed buildings, structures, freestanding signs, screening and landscaping; and
 - f. Adequacy of water supply, surface and subsurface drainage and light.
 - 5. A description of the security measures, including employee security policies, approved by the Department of Public Health for the Registered Marijuana Dispensary;

6. A copy of the emergency procedures approved by Department Public Health for the Registered Marijuana Dispensary;
 7. A copy of the policies and procedures for patient or personal caregiver home-delivery approved by Department Public Health for the Registered Marijuana Dispensary;
 8. A copy of the policies and procedures for the transfer, acquisition, or sale of marijuana between Registered Marijuana Dispensaries approved by Department Public Health;
 9. A copy of proposed waste disposal procedures; and
 10. A description of any waivers from Department Public Health regulations issued for the Registered Marijuana Dispensary.
- b. The Special Permit Granting Authority shall refer copies of the application to the Building Department, Fire Department, Police Department, Board of Health, the Conservation Commission, and the Highway Department. These boards/departments shall review the application and shall submit their written recommendations. Failure to make recommendations within 35 days of referral of the application shall be deemed lack of opposition.
 - c. After notice and public hearing and consideration of application materials, consultant reviews, public comments, and the recommendations of other town's boards and departments, the Special Permit Granting Authority may act upon such a permit.
6. **Special Permit Conditions on the Registered Marijuana Dispensaries:** The Special Permit Granting Authority shall impose conditions reasonable appropriate to improve site design, traffic flow, public safety, protect water quality, air quality, and significant environmental resources, preserve the character of the surrounding area and otherwise serve the purpose of this section. In addition to any specific conditions applicable to the applicant's Registered Marijuana Dispensary, the Special Permit Granting Authority shall include the following conditions in any special permit granted under this By-law:
- a. Hours of Operation, including dispatch of home deliveries.
 - b. The permit holder shall file a copy of any Incident Report required under 105 CMR 725.110(F) with the Zoning Enforcement Officer and the Special Permit Granting Authority within 24 hours of creation by the Registered Marijuana Dispensary. Such reports may be redacted as necessary to comply with any applicable state or federal laws and regulations.
 - c. The permit holder shall file a copy of any summary cease and desist order, cease and desist order, quarantine order, summary suspension order, order limiting sales, notice of a hearing, or final action issued by Department Public Health or the Division of Administrative Law Appeals, as applicable, regarding the Registered Marijuana Dispensary with the Zoning Enforcement Officer and Special Permit Granting Authority within 48 hours of receipt by the Registered Marijuana Dispensary.
 - d. The permit holder shall provide to the Zoning Enforcement Officer and Chief of the Police Department, the name, telephone number and electronic mail address of a contact person in the event that such person needs to be contacted after regular business hours to address an urgent issue. Such contact information shall be kept updated by the permit holder.

- e. The special permit shall lapse within (five) years of its issuance. If the permit holder wishes to renew the special permit, an application to renew the special permit must be submitted at least 120 days prior to the expiration of the special permit.
 - f. The special permit shall be limited to the current applicant and shall lapse if the permit holder ceases operating the Registered Marijuana Dispensary.
 - g. The special permit shall lapse upon the expiration or termination of the applicant's registration by the Department Public Health.
 - h. The permit holder shall notify the Zoning Enforcement Officer and Special Permit Granting Authority in writing within 48 hours of the cessation of operation of the Registered Marijuana Dispensary or the expiration or termination of the permit holder's registration with Department Public Health.
7. **Exemption from Registered Marijuana Dispensary Special Permit Requirement:** Registered Marijuana Dispensaries that demonstrate that they are protected pursuant to the agricultural exemption under G.L.c.40A §3 are not required to obtain a special permit, but shall apply for Site Plan Approval pursuant to Section V. Special Provisions, Standards and Procedures 7. Site Plan Approval of the Pembroke Zoning By-laws.
8. **Prohibition Against Nuisances:** No use shall be allowed in the Medical Marijuana Overlay District which creates a nuisance to abutters or to the surrounding area, or which creates any hazard, including but not limited to, fire, explosion, fumes, gas, smoke, odors, obnoxious dust, vapors, offensive noise or vibration, flashes, glare, objectionable effluent or electrical interference, which may impair the normal use and peaceful enjoyment of any property, structure or dwelling in the area.
9. **Severability:** The provisions of this By-law are severable. If any provision, paragraph, sentence, or clause of the By-law or the application thereof to any person, establishment, or circumstances shall be held invalid, such invalidity shall not affect the other provisions or application of this By-law.

Or take any other action relative thereto.

Moved by Mr Vanriper That the Zoning Bylaws of the Town of Pembroke Town be amended by deleting Section V., Special Provisions, Standards and Procedures subsection 11., Temporary Moratorium on Medical Marijuana Treatment Centers and by amending Section IV., Use and Dimensional Regulations, by adding a new subsection 10., entitled Medical Marijuana Overlay District to read as printed in the Warrant for the November 12, 2013, Special Town Meeting

A Motion was made by Richard Iacobucci to strike the following from Section 4, B 1 after the wording secondary school: *or a public or private college, junior college, or university.*
 A vote was taken on that motion.

SECONDED AND SO VOTED

2/3 MAJORITY

A vote was then taken on the main motion as amended and printed above.

SECONDED AND SO VOTED

2/3 MAJORITY

ARTICLE 20: ACTION 4: To see if the Town will vote to amend the Zoning By-laws of the Town of Pembroke Section V. Special Provisions, Standards and Procedures, to add a new subsection 12 entitled Solar Photovoltaic Installations to read as follows:

12. Solar Photovoltaic Installations.

A. Purpose

The purpose of this by-law is to promote the creation of new solar photovoltaic installations by providing standards for the placement, design, construction, operation, monitoring, modification and removal of such installations that address public safety, minimize impacts on scenic, natural and historic resources and to provide adequate financial assurance for the eventual decommissioning of such installations.

The provisions set forth in this section shall apply to the construction, operation, and/or repair of solar photovoltaic installations.

B. Applicability

This section applies to solar photovoltaic installations proposed to be constructed after the effective date of this section. This section also pertains to physical modifications that materially alter the type, configuration, or size of these installations or related equipment.

This section does not apply to minor modification or maintenance of a solar facility.

Solar facilities shall be allowed on parcels of land in any zoning district except; the center protection zoning district.

C. Definitions

1. **“As of right”** As-of-right shall mean that development may proceed without the need for a special permit, variance, amendment, waiver, or other discretionary approval. Projects cannot be prohibited, but can be reasonably regulated.
2. **Ground mounted solar facility:** A solar facility that is structurally mounted on the ground.
3. **Large-Scale Ground-Mounted Solar Photovoltaic Installation:** A solar photovoltaic system that is structurally mounted on the ground and is not roof-mounted, and has a minimum nameplate capacity of 250 kW DC.
4. **Project site:** A parcel or combination of parcels, which the solar facility operator has control of, on which the solar facility is or will be located.
5. **Rated Name plate Capacity:** The maximum rated output of electric power production of the photovoltaic system in direct current (DC).
6. **Roof mounted solar facility:** A solar facility that is structurally mounted on the roof of a building, residence, parking garage, or any other structure.
7. **Solar Photovoltaic Installations:** An arrangement of components to supply usable electric power using the sun as a power source, including but not limited to large and small scale ground mounted solar facilities and roof mounted solar facilities.

D. General Requirements for all Solar Photovoltaic Installations

1. **Large-scale ground-mounted solar facilities:** Large-scale ground mounted solar facilities shall be allowed as-of-right in all zones, except Center Protection District subject to the following conditions:

- a. Site plan review. No large-scale ground-mounted solar facility shall be constructed, installed or modified as provided in this section without first obtaining site plan review approval by the Pembroke Planning Board in compliance with subsection D.7 of this section.
 - b. Minimum Area. Large-scale ground mounted solar photovoltaic installations shall be located within Residence A District on parcels containing a minimum of three (3) contiguous acres of uplands.
 - c. Monitoring and maintenance. The solar facility shall comply with subsection D.14 of this section.
 - d. Site control. The applicant shall submit with its application for site plan review, documentation of actual or prospective control of the project site sufficient to allow for installation and use of the proposed facility. Notice of change of ownership shall be given to the planning board in compliance with subsection D.8 of this section.
 - e. Parcels without frontage. Projects for landlocked parcels shall be allowed as long as the following additional conditions can be met:
 - 1. The owner has demonstrated a permanent access and utility easement to a public way
 - 2. The parcel was landlocked prior to October 1, 2013
 - 3. The parcel is a minimum of five (5) acres
 - f. Financial surety. The applicant shall provide a financial surety in compliance with subsection D.15.3 of this section, if so required by the Planning Board.
 - g. Compliance with laws, ordinances and regulations. The construction and operation of all large-scale ground-mounted solar facilities shall be consistent with all applicable local, state and federal requirements, including but not limited to all applicable safety, construction, electrical and communications requirements.
 - h. Proof of liability insurance. The applicant shall be required to provide evidence of liability insurance in an amount sufficient to cover loss or damage to persons and structures occasioned by the failure of the facility.
2. **Small-scale ground-mounted solar facilities:** Ground mounted solar facilities, which have a minimum nameplate capacity of less than 250 kW DC, shall be allowed as-of-right with a building permit provided that they meet the following conditions:
- a. Compliance with laws, ordinances and regulations. The construction and operation of all small scale ground mounted solar facilities shall be consistent with all applicable local, state and federal requirements, including but not limited to all applicable safety, construction, electrical and communications requirements.
 - b. Proof of liability insurance. The applicant shall be required to provide evidence of liability insurance to the Building Inspector in an amount sufficient to cover loss or damage to persons and structures occasioned by the failure of the facility.
 - c. Design standards. The solar facility shall comply with subsection D.12 design standards and subsection D.13.2 environmental standards where applicable

d. Monitoring and maintenance. The solar facility shall comply with subsection D.14 of this section

3. Roof mounted solar facilities: Roof mounted solar facilities shall be allowed as-of-right with a building permit in all zones provided that they meet the following conditions:

- a. Compliance with laws, ordinances and regulations. The construction and operation of all roof mounted solar facilities shall be consistent with all applicable local, state and federal requirements, including but not limited to all applicable safety, construction, electrical and communications requirements.
- b. Proof of liability insurance. The applicant shall be required to provide evidence of liability insurance to the Building Inspector in an amount sufficient to cover loss or damage to persons and structures occasioned by the failure of the facility.
- c. Structural engineering report. A structural engineering report may be required by the Building Inspector illustrating the structural integrity of the structure and its ability to support the proposed roof mounted solar facility.
- d. Monitoring and maintenance. The solar facility shall comply with subsection D.14 of this section.

4. Compliance with Laws, Ordinances and Regulations

The construction and operation of all solar photovoltaic installations shall be consistent with all applicable local, state and federal requirements, including but not limited to all applicable safety, construction, electrical, and communications requirements. All buildings and fixtures forming part of a solar photovoltaic installation shall be constructed in accordance with the State Building Code.

5. Building Permit

No solar facility installation shall be constructed, installed or modified as provided in this section without first obtaining a building permit.

6. Fees

The application for a building permit for a solar photovoltaic installation must be accompanied by the fee required for a building permit.

7. Site Plan Review

Large-scale ground-mounted solar photovoltaic installations shall undergo site plan review by the Planning Board prior to construction, installation or modification as provided in this Bylaw.

a. General

All plans, maps and drawings shall be prepared, stamped and signed by a Professional Engineer licensed to practice in Massachusetts.

b. Submittal Requirements

The project proponent shall provide the Planning Board the following documents:

1. Application. Two original application forms and a designer's certificate.
2. Fee. Required site plan review fee.
3. Siting and design. Eight full copies of a site plan. The plan shall be on 24" × 36" sheets at a scale of 1"=40' or 1"=200', as appropriate, on as many sheets as necessary. Site plans shall be prepared by a Massachusetts licensed professional engineer and/or a registered land surveyor, as applicable. The site plan shall include the following:
 - c. **Location map.** Copy of the most recent USGS quadrangle map, at a scale of 1:25,000, showing the proposed facility site and the area
 - d. **Site plan.** A one inch equals two (200) hundred feet plan of the proposed solar facility site, with contour intervals of no more than ten (10) feet, showing the following:
 1. Property lines and physical dimensions of the project site and adjacent parcels within one 100 hundred feet of the project site;
 2. Location of permanent structures or buildings on the project site and on adjacent parcels of the project site;
 3. Location and details of all security measures for the site; and
 4. Location of all existing and proposed roads, both public and private, on the project site.
 - e. **Project plan.** A plan indicating all proposed changes to the landscape of the site shall include the following:
 1. Proposed changes to the landscape of the site, grading, vegetation to be removed or altered, amenities such as lighting or fencing, screening vegetation or structures, and wetlands delineation. Lighting shall be designed to minimize glare on abutting properties and be directed downward with full cutoff fixtures to reduce light pollution;
 2. Location of the ground mounted solar facility, type of mounting devices, access roads, lighting, ground equipment, fencing, electrical infrastructure, and associated equipment;
 3. Plans for accessory buildings or other structures, and location and details of all planned security measures;
 4. Layout and details of surfacing for access roads and parking including temporary roads and staging areas; and
 5. Any existing overhead utility lines.
 - f. **Operation and maintenance plan.** The applicant shall submit a plan for the general maintenance of access roads and storm water controls, as well as general procedures for operational maintenance of the large-scale ground-mounted solar facility.
 - g. **Schematics**
 1. Schematic or blueprints of the large-scale ground-mounted solar facility signed by a professional engineer licensed to practice in the Commonwealth of Massachusetts showing the proposed structures and any shading from nearby structures;
 2. Schematic or outline electrical diagram showing proposed solar panels, associated components and electrical interconnection methods, all with National Electrical Code compliant disconnects and over current devices;

3. Description of the major system components to be used including the photovoltaic panels, mounting system and inverter.

h. Compliance documents. The applicant shall provide the following with the application:

1. A description of financial surety that satisfies subsection D.15.3 of this section;
2. Proof of liability insurance that satisfies subsection D.7.b.3 of this section;
3. Name, address, and contact information for:
 - a. Proposed system installer,
 - b. The landowner,
 - c. The project proponent, as well as all co-proponents; and
 - d. Any agents representing the applicant.
4. Evidence of utility notification that satisfies subsection D.10 of this section.

i. Notification. The applicant shall provide the following with the application:

1. List of property owners and their addresses for all parcels of land within three (300) hundred feet of the project site, to be obtained from the most recent property list from the Pembroke Assessor's Office;
2. A10 sized envelopes representing twice the number of abutters listed above to be used by the Planning Board to mail notice of the site plan review hearing and notice of decision.
3. The applicant shall be responsible for the cost of publication of the public hearing notice.

j. Waiver of documents.

The Planning Board reserves the right to waive documentary requirements as it deems appropriate.

8. Site Control

The project proponent shall submit documentation of actual or prospective access and control of the project site sufficient to allow for construction and operation of the proposed large-scale ground-mounted solar photovoltaic installation.

9. Operation & Maintenance Plan

The project proponent shall submit a plan for the operation and maintenance of the large-scale ground-mounted solar photovoltaic installation, which shall include measures for maintaining safe access to the installation, storm water controls, as well as general procedures for operational maintenance of the installation.

10. Utility Notification

No large-scale ground-mounted solar photovoltaic installation shall be constructed until evidence has been given to the Planning Board that the utility company that operates the electrical grid where the installation is to be located has been informed of the solar photovoltaic installation owner and operator's intent to install an interconnected customer-owned generator. Off-grid systems shall be exempt from this requirement.

11. Dimension, Density and Screening Requirements

a. Minimum Setback Requirements

For all large-scale ground-mounted solar photovoltaic installations, front, side and rear setbacks shall be as follows:

1. Front yard: The front yard depth shall be at least fifty (50) feet.
2. Side yard: Each side yard shall have a depth of at least fifty (50) feet.
3. Rear yard: The rear yard depth shall be at least thirty (30) feet; provided, however, that where the lots abuts a Conservation/Recreation or Residential district, the rear yard shall not be less than fifty (50) feet.

b. Screening

1. Screening of large-scale ground-mounted solar voltaic installations shall consist of landscaping, fence, grassed earthen berm, or some combination of these screening devices. If utilizing a natural buffer, it shall be maintained above the highest level of the solar panels. When a screen consists of plant materials, said materials shall provide screening at the time of planting and be a type that shall be expected to form a year-round dense screen.
2. Abutting residential uses. When a large-scale ground-mounted solar voltaic installation is directly abutting existing residential uses, such screening shall consist of the following:
 - a. For a project site of between three and five acres: Minimum of fifty (50) feet of vegetation buffer with twenty (25) feet being undisturbed closest to the residential property, and the other twenty (25) feet being allowed to be selectively cleared.
 - b. For a project site of greater than five acres: Minimum of one hundred (100) feet of vegetation buffer with fifty (50) feet being undisturbed closest to the residential property, and the other fifty (50) feet being allowed to be selectively cleared.
 - c. Permit for screening reduction: An applicant may request permission to reduce such buffer requirements in such instances where the buffer will have a detrimental effect to the abutters and in such instances where the buffer will have a detrimental effect on the ability to generate power.
3. Abutting nonresidential uses: Screening as determined to be adequate in the form of either vegetation or fencing.

c. Appurtenant Structures

All appurtenant structures to all large-scale ground-mounted solar photovoltaic installations shall be subject to the Zoning Bylaws concerning the bulk and height of structures, lot area, setbacks, open space, parking and building coverage requirements, as modified by Section D.11.1 herein. All such appurtenant structures, including but not limited to, equipment shelters, storage facilities, transformers, and substations shall be architecturally compatible with each other. Said structures should be screened from view pursuant to Section D.11.2 and joined or clustered to avoid adverse visual impacts.

12. Design Standards

a. Lighting

Lighting of solar photovoltaic installations shall be consistent with local, state, and federal law. Lighting of other parts of the installation, such as appurtenant structures, shall be limited to that required for safety and

operational purposes, and shall be reasonably shielded from abutting properties. Where feasible, lighting of the solar photovoltaic installation shall be directed downward and shall incorporate full cut-off fixtures to reduce light pollution.

b. Signage

Signs on all ground-mounted solar photovoltaic installations shall comply with the Town of Pembroke's Sign Bylaw. A sign consistent with the Town's Sign Bylaw shall be required to identify the owner and provide 24-hour emergency contact phone number.

Solar photovoltaic installations shall not be used for displaying any advertising except for reasonable identification of the manufacturer or operator of the solar photovoltaic installation.

c. Utility Connections

Reasonable efforts, as determined by the Planning Board, shall be made to place all utility connections from the solar photovoltaic installation underground, depending on appropriate soil conditions, shape, and topography of the site and any requirements of the local utility. Electrical transformers for utility interconnections may be above ground if required by the local utility.

d. Visual Impacts

Ground-mounted solar photovoltaic installations shall be designed to minimize visual impacts including preserving natural vegetation to the maximum extent possible, blending in equipment with the surroundings, and adding vegetative buffers to provide an effective visual barrier from adjacent roads and to screen abutting residential properties, whether developed or not. Landscaping shall be maintained by the owner/operator of the large-scale ground-mounted solar photovoltaic installation. Siting shall be such that the view of the large-scale ground-mounted solar photovoltaic installation from other areas of Town shall be as minimal as possible, in the sole judgment of the Planning Board.

13. Safety and Environmental Standards

a. Emergency Services

The ground-mounted photovoltaic installation owner or operator shall provide a copy of the project summary, electrical schematic, emergency response plan and site plan to the Fire Department at the same time as the application is submitted to the Planning Board and the Fire Department shall be afforded the opportunity to comment on the proposed project prior to the closing of the public hearing. Upon request, the owner or operator shall cooperate with local emergency services in developing an emergency response plan. All means of shutting down the solar photovoltaic installation shall be clearly marked. The owner or operator shall identify in writing to the Fire Department and Planning Board a responsible person for public inquiries throughout the life of the installation, and shall update such information as necessary.

b. Land Clearing, Soil Erosion and Habitat Impacts

The facility shall be designed to minimize impacts to agricultural land and should be compatible with continued agricultural use to the maximum extent possible. The facility shall be designed to minimize impacts to environmentally sensitive land. Clearing of natural vegetation shall be limited to what is necessary for the construction, operation and maintenance of the large-scale ground-mounted solar photovoltaic installation or otherwise prescribed by applicable laws, regulations, and bylaws. In no event shall clear cutting of forest exceed five (5) acres. The design shall minimize the use of concrete and other impervious materials to the maximum extent possible. Locating large-scale ground-mounted solar photovoltaic installation on grades in excess of 15% shall be avoided to the maximum extent feasible.

14. Monitoring and Maintenance

a. Solar Photovoltaic Installation Conditions

The ground-mounted solar photovoltaic installation owner or operator shall maintain the facility in good condition. Maintenance shall include, but not be limited to painting, structural repairs, and integrity of security measures. Site access shall be maintained to a level acceptable to the Building Inspector. The owner or operator shall be responsible for the cost of maintaining the solar photovoltaic installation and any access road(s), unless accepted as a public way.

b. Modifications

All material modifications to a solar photovoltaic installation made after issuance of the required building permit shall require approval by the Site Plan Review Authority.

15. Abandonment or Decommissioning

a. Removal Requirements

Any large-scale ground-mounted solar photovoltaic installation which has reached the end of its useful life or has been abandoned consistent with Section D.15.2 of this bylaw shall be removed. The owner or operator shall physically remove the installation no more than one hundred fifty (150) days after the date of discontinued operations. The owner or operator shall notify the Planning Board by certified mail of the proposed date of discontinued operations and plans for removal. Decommissioning shall consist of:

1. Physical removal of all ground solar photovoltaic installations, structures, equipment, security barriers and transmission lines from the site.
2. Disposal of all solid and hazardous waste in accordance with local, state and federal waste disposal regulations.
3. Stabilization or re-vegetation of the site as necessary to minimize erosion. The Planning Board may allow the owner or operator to leave landscaping or designated below-grade foundations in order to minimize erosion and disruption to vegetation.

b. Abandonment

Absent notice of a proposed date of decommissioning or written notice of extenuating circumstances, a large-scale ground-mounted solar photovoltaic installation shall be considered abandoned when it fails to operate for more than one year without the written consent of the Planning Board. If the owner or operator of the large-scale ground-mounted solar photovoltaic installation fails to remove the installation in accordance with the requirements of this section within 150 days of abandonment or the proposed date of decommissioning, the Town retains the right, after the receipt of an appropriate court order, to enter and remove an abandoned, hazardous or decommissioned large-scale ground-mounted solar photovoltaic installation. As a condition of Site Plan Approval, the applicant and landowner shall agree to allow entry to remove an abandoned or decommissioned installation. The Town's cost for the removal will be charged to the property owner in accordance with the provisions of G.L. c.139, §3A as a tax lien on the property.

c. Financial Surety

Proponents of ground-mounted solar photovoltaic projects shall provide a form of surety, either through escrow account, bond or otherwise, to cover the cost of removal in the event the town must remove the installation and remediate the landscape, in an amount and form determined to be reasonable by the Planning Board, but in no event to exceed more than one hundred twenty-five (125) percent of the cost of removal and compliance with the additional requirements set forth herein, as determined by the project proponent. Such surety shall not be required for municipally or state owned facilities. The project proponent shall submit a fully inclusive estimate of the costs associated with removal, prepared by a professional engineer. The amount shall include a mechanism for calculating increased removal costs due to inflation.

16. Action by the Planning Board

Site plan review shall be conducted in accordance with the notice, hearing and filing procedures set forth in M.G.L. c. 40A for special permits, except as otherwise set forth in this section. After determining if the site plan is in conformance with the requirements of this ordinance, and after considering the criteria set forth in [this] section, the Planning Board may approve, approve with modifications, or disapprove the site plan application or grant leave to withdraw. Approval may be subject to any conditions, modifications and/or restrictions as the Planning Board may deem necessary. Leave to withdraw or disapproval by the Planning Board must be supported by written findings.

Or take any other action relative thereto.

Moved by Nicholas Zechello, Jr. That the Town amend the Zoning By-laws of the Town of Pembroke Section V. Special Provisions, Standards and Procedures, by adding a new subsection 12 entitled Solar Photovoltaic Installations to read as printed in the Warrant for the November 12, 2013, Special Town Meeting.

Mr Zechello asked that the following be struck from Section C 1: *As-of-right development will be subject to site plan review for solar photovoltaic arrays having a kilowatt direct current kW-DC rated nameplate capacity of greater than 250 to determine conformance with Pembroke's Zoning By-laws.*

A Motion was made by Richard Iacobucci to strike the following from the entire article: *the historic districts.* A vote was taken on that motion.

SECONDED AND SO VOTED

2/3 MAJORITY

A vote was then taken on both Mr Zechello's motion and amendment to that motion. The article was amended and voted as printed above.

SECONDED AND SO VOTED

2/3 MAJORITY

ARTICLE 21: ACTION 9: To see if the Town will vote to appropriate, borrow or transfer from available funds, an amount of money to be expended under the direction of the School Committee to undertake roof replacement projects at the following schools: North Pembroke Elementary School, located at 72 Pilgrim Road, Pembroke, Massachusetts; Hobomock Elementary School, located at 81 Learning Lane, Pembroke, Massachusetts; Pembroke Community Middle School, located at 559 School Street, Pembroke, Massachusetts, and Pembroke High School, located at 80 Learning Lane, Pembroke, Massachusetts, which proposed repair projects would materially extend the useful life of each respective school and preserve assets that otherwise are capable of supporting the required educational programs and for which the Town has applied for school construction grants from the Massachusetts School Building Authority ("MSBA"). The Town acknowledges that the MSBA's grant program is a non-entitlement, discretionary program based on need as determined by the MSBA, and if the MSBA's Board of Directors votes to invite the Town to collaborate with the MSBA on the proposed repair projects, any project costs the Town incurs in excess of any grant that may be approved by and received from the MSBA shall be the sole responsibility of the Town; or to take any other action relative thereto.

Moved by Mr Curley That the Town appropriates the amount of Eleven Million Seven Hundred Eighty Thousand Dollars (\$11,780,000) for the purpose of paying costs of roof replacement projects at the following schools, in the approximate amounts as follows: North Pembroke Elementary School, located at 72 Pilgrim Road, Pembroke Massachusetts (\$3,038,705); Hobomock Elementary School, located at 81 Learning Lane, Pembroke, Massachusetts (\$2,810,050); Pembroke Community Middle School, located at 559 School Street, Pembroke, Massachusetts (\$2,474,723), and Pembroke High School, located at 80 Learning Lane, Pembroke, Massachusetts (\$3,456,522), including the payment of all costs incidental or related thereto (collectively, the "Projects"), provided that the sums appropriated above for each school may be reallocated among the projects to reflect actual costs, but the total sum appropriated will not exceed \$11,780,000; which proposed repair Projects would materially extend the useful life of each

respective school and preserve assets that otherwise are capable of supporting the required educational program, and for which the Town has applied for a grant from the Massachusetts School Building Authority (“MSBA”), said amount to be expended under the direction of the School Building Committee. To meet this appropriation the Treasurer, with the approval of the Selectmen, is authorized to borrow said amount under M.G.L. Chapter 44, or pursuant to any other enabling authority. The Town acknowledges that the MSBA’s grant program is a non-entitlement, discretionary program based on need, as determined by the MSBA, and if the MSBA’s Board of Directors votes to invite the Town to collaborate with the MSBA on this proposed repair project, any project costs the Town incurs in excess of any grant that may be approved by and received from the MSBA shall be the sole responsibility of the Town; provided that any appropriation hereunder shall be subject to and contingent upon an affirmative vote of the Town to exempt the amounts required for the payment of interest and principal on said borrowing from the limitations on taxes imposed by M.G.L. 59, Section 21C (Proposition 2½); and that, if invited to collaborate with the MSBA on the proposed repair project, the amount of borrowing authorized pursuant to this vote shall be reduced by any grant amount set forth in the Project Funding Agreement that may be executed between the Town and the MSBA.

SECONDED AND SO VOTED

2/3 MAJORITY

ARTICLE 22: MOTION 13: To see if the Town will vote to raise and appropriate and/or transfer from available funds, the sum of \$12,800.00 or any other sum, to be expended under the direction of the Board of Selectmen and managed by the Pembroke Watershed Association, for the purposes of continuing the hydrilla control program in Hobomock Pond.

Moved by Ms Michael That the Town appropriate and transfer from free cash the sum of \$12,800 to be expended under the direction of the Board of Selectmen and managed by the Pembroke Watershed Association for the purpose of continuing the hydrilla-control program in Hobomock Pond.

SECONDED AND SO VOTED

MAJORITY

ARTICLE 23: ACTION 15: To see if the Town will vote to raise and appropriate and/or transfer from available funds the sum of \$55,000 to be added to the Open Space fund, or take any other action relative thereto.

Moved by Mr Ames That the Town appropriate and transfer the sum of \$55,000 from free cash to the Open Space Fund for the purpose of reimbursing the Open Space Fund for funds spent from it to purchase the Thorpe property located off Oldham Street.

Both the Town and the Advisory Committee expressed to Mr Ames that the town did not have the monies to repay the Open Space fund at this time. After much discussion a Motion was

made by Burt White that the town should make a “good faith” payment to Open Space in the amount of \$5000.00.

SECONDED AND SO VOTED

MAJORITY

ARTICLE 24: ACTION 8: To see if the Town will vote to transfer the sum of \$82,500 from the unexpended balance of the Community Preservation Act funds appropriated under Article 6D of the November 1, 2011 Special Town Meeting and held in the Community Center Building, Phase II account and return it to the Community Preservation Act Undesignated Funds account, or take any other action relative thereto.

Move by Ms. Hassey That \$82,500 be transferred from the unexpended balance of the Community Preservation Act funds appropriated under Article 6D of the November 1, 2011 Special Town Meeting and held in the Community Center Building, Phase II account and return it to the Community Preservation Act Undesignated Funds account.

SECONDED AND SO VOTED

MAJORITY

ARTICLE 25: ACTION 17: To see if the Town will vote to transfer the sum of \$35,000 from the unexpended balance of the Community Preservation Act funds appropriated under Article 3 of the April 26, 2011 Special Town Meeting and held in the Community Center Building account and return it to the Community Preservation Act Undesignated Funds account, or take any other action relative thereto.

Moved by Mr. McCollum That \$35,000 be transferred from the unexpended balance of the Community Preservation Act funds appropriated under Article 3 of the April 26, 2011 Special Town Meeting held in the Community Center Building account and return it to the Community Preservation Act Undesignated Funds account.

SECONDED AND SO VOTED

MAJORITY

ARTICLE 26: ACTION 7: To see if the Town will vote to adopt and approve the following recommendations of the Community Preservation Committee for Fiscal Year 2014, and to see if the Town will vote to implement such recommendations by appropriating a sum or sums of money from the Community Preservation Fund. Each recommendation is to be voted on individually.

Recommendation A: To appropriate the sum of \$35,000.00 from FY14 Community Preservation Annual Revenues to be expended under the direction of the Director of the Department of Public Works to preserve and rehabilitate headstones and granite sites at Center Street Cemetery, or take any other action relative thereto.

Moved by Mr VanRiper That the sum of \$35,000 be appropriated and transferred from FY14 Community Preservation Annual Revenues to be expended under the direction of the Director of the Department of Public Works to preserve and rehabilitate headstones and granite sites at Center Street Cemetery.

SECONDED AND SO VOTED

MAJORITY

Recommendation B: To appropriate the sum of \$2,000.00 from FY14 Community Preservation Annual Revenues to be expended under the direction of the Board of Selectmen to preserve and rehabilitate the bee sculpture on top of the Council on Aging building located at 144 Center Street, and to create a commemorative plaque and brochures explaining the history of the bee, or take any other action relative thereto.

Moved by Mr VanRiper That the sum of \$2,000 be appropriated and transferred from FY14 Community Preservation Annual Revenues to be expended under the direction of the Board of Selectmen to preserve and rehabilitate the bee sculpture on top of the Council on Aging building located at 144 Center Street, and to create a commemorative plaque and brochures explaining the history of the bee.

SECONDED AND SO VOTED

MAJORITY

Recommendation C: To appropriate the sum of \$35,000.00 from FY14 Community Preservation Annual Revenues to be expended under the direction of Police Chief Richard Wall to purchase and install a back-up generator for the Mayflower Court Complex Community Building located at 5 Mayflower Court, or take any other action relative thereto.

Moved by Mr VanRiper That the sum of \$35,000 be appropriated and transferred from FY14 Community Preservation Annual Revenues to be expended under the direction of Police Chief Richard Wall to purchase and install a back-up generator for the Mayflower Court Complex Community Building located at 5 Mayflower Court.

SECONDED AND SO VOTED

MAJORITY

Recommendation D: To appropriate the sum of \$31,500 from FY14 Community Preservation Annual Revenues and the sum of \$25,050 from Housing Reserve for a total of \$56,550 and that said funds be granted to the East Pembroke Community Club, pursuant to a grant agreement, for Phase II which is to bring the kitchen, bathroom and electrical service up to code, restore aluminum ceiling and install wrought iron railings in the East Pembroke Community Club located on Taylor Street, or take any other action relative thereto.

Moved by Mr VanRiper That \$31,500 be appropriated and transferred from FY14 Community Preservation Annual Revenues and \$25,050 be appropriated and transferred from Housing Reserve for a total of \$56,550 and that said funds be granted to the East Pembroke Community Club, pursuant to a grant agreement for Phase II, to be expended for the purpose of bringing the kitchen, bathroom, and electrical service up to code, of restoring an aluminum ceiling, and of installing wrought iron railings in the East Pembroke Community Club located on Taylor Street.

ANNUAL REPORT OF THE BOARD OF REGISTRARS

To the Honorable Board of Selectmen and the Citizens of Pembroke:

The Board has met to register new voters before each Town Meeting and Election at date and time determined by State Law.

We would like to remind all residents that by State Law we must conduct a census each year beginning January 1st. Again this year we will be mailing census forms to each residence in town with a personal follow-up telephone or by visit to those who do not respond. Failure to respond may result in removal from the voting list.

Anyone wishing to register to vote may do so at the Town Clerk's Office during regular business hours and at special evening registration sessions that will be posted in each precinct's Post Office ahead of all Town Meetings and Elections.

Residents may register to vote by mail or at the Registry of Motor Vehicles and at certain agencies.

Precinct 1	Pembroke Town Hall
Precinct 2 & 4	Pembroke Middle School
Precinct 3	Bryantville Elementary School
Precinct 5	North Pembroke Elementary School

Town of Pembroke voter total sheet as of 12/30/2013

TOTAL	2884	1778	7615	12277

ANNUAL REPORT OF THE ADVISORY COMMITTEE

To the Honorable Board of Selectmen and Citizens of the Town of Pembroke:

The Advisory committee’s major task is to submit a balanced budget at the annual town meeting in the Spring for the following fiscal year. The committee also makes recommendations on every article at town meeting whether for or against. This year’s fiscal budget almost \$55,000,000. The committee made recommendations on articles at the annual town meeting and at the special town meeting in the Spring and again for articles at the Fall special town meeting. We would like to thank Ed Thorne and Mike Buckley for their invaluable assistance in supplying information for the budget. The following is a list of supplemental transfers made by the committee from the Reserve Fund:

**FY13 PEMBROKE
RESERVE FUND
APPROPRIATION:
\$150,000.00**

DATE	REQUEST	PURPOSE	AMOUNT	BALANCE
2012				150,000.00
13-Aug	Community center	Repairs to building	22,500.00	127,500.00
10-Sep	Commission on Disabilities	Computer & printer	577.67	126,922.33
15-Oct	Commission on Disabilities	Software for computer	280.00	126,642.33
22-Oct	Town Administrator	Custodian clothing	400.00	126,242.33
22-Oct	Community center	Boiler repair	4,274.00	121,968.33
12-Nov	Assessor	New tires for town vehicle	518.00	121,450.33
3-Dec	Town Administrator	Replace 6 heat pumps @ town hall	14,350.00	107,100.33
2013				
22-Jan	Animal Control	Dead-animal disposal	355.30	106,745.03

4-Feb	Herring Fisheries Committee	Building repairs	1,000.00	104,171.57
11-Mar	Town Administrator	Replace damaged phone system	2,435.00	101,736.57
3-Jun	PEMA	Storm Shelter Operation	6,319.03	95,417.54
		Transfers to date	<u>54,582.46</u>	

Chairman Stephen Curley, clerk Linda Peterson, members Kathy Hassey, James McCollum, Matthew McNeilly, Rachel Michael, Patricia Elsner, Anthony O’Brien and Stephen Walsh.

ANNUAL REPORT OF THE BOARD OF ASSESSORS

To the Honorable Board of Selectmen and Citizens of the Town of Pembroke:

The members of the Board of Assessors are, Elizabeth A. Bates, Chairman, Mary E Quill, Member, Scott J. DeSantis, Member. Catherine M. Salmon holds the position of Chief Assessor/Appraiser. The office staff consists of Jeanne M. Gigliotti, Assistant Assessor, Susan C. Jones, Principal Clerk, Meghan M. Ricardo, Full-time Data Lister and, Christine M. Riley Part-time Data Lister.

The Assessors' office successfully completed the Fiscal Year 2014 Interim Year Update. The staff of the Assessors' office continues the on-going cyclical inspections. This year mailings were sent to property owners in the north west portion of town requesting an interior inspection. This cyclical program is part of the in-house certification program and the cooperation of property owners is of great assistance to the Assessors in fulfilling the requirements of the Department of Revenue. Data Collection of Commercial and Industrial properties throughout town continues as well.

The Assessors continue to offer the on-line database that has been updated to provide fiscal year 2014 assessments on all real estate properties. The database can be accessed for viewing through the town's website. Go to www.townofpembrokemass.org, click on "Town Departments" and then click on "Assessors Office". Click the Property Assessment Data. In addition, the Assessor's Maps are now available on line. Go to www.townofpembrokemass.org, click on "Town Departments" and then click on "Assessors Office". Click the Assessors Map Link.

TAX RATE RECAPITULATION

Total amount to be raised	
Town meeting appropriation, state & county costs.....	\$57,985,500.97
Less total receipts	
From state, local receipts	
(permits, auto excise tax,	
free cash, etc.).....	\$24,307,489.00
Levy – amount to be raised by taxation.....	\$33,678,011.97
Divided by: Total valuation of Town.....	\$2,292,580,802.00
Equals – tax rate.....	\$14.69

*Levy includes \$1,975,666.00 debt exclusion for school construction projects.

Respectfully submitted:
BOARD OF ASSESSORS

Elizabeth A. Bates, Chairman
Mary E. Quill, Member
Scott J. DeSantis, Member

ANNUAL REPORT OF THE TOWN ACCOUNTANT

To the Honorable Board of Selectmen and the Citizens of Pembroke:

I hereby submit my Annual Report, which consists of a Balance Sheet, Statement of Revenues, Statement of Expenditures and Debt Statement for the Fiscal Year 2013.

I would like to take this opportunity to thank the Board of Selectmen for giving me the opportunity to serve the residents of Pembroke and also thank the many people, most importantly Kristine Fraser, who have assisted my office over the past year.

Respectfully Submitted,

Michael Buckley
Town Accountant

ANNUAL REPORT OF THE TOWN COLLECTOR/TREASURER

To the Honorable Board of Selectmen and the Citizens of Pembroke:

I hereby respectfully submit the report of the Collector/Treasurer for the Fiscal Year 2013. It consists of the Collector's Report, the Statement of Indebtedness, Gross Payroll for the school, Gross Payroll for the Town and the Annual Trust Fund Report. I am grateful for the opportunity to serve the residents of Pembroke. I would also like to express my appreciation to the staff of the Collector/Treasurer's Office for their support.

Kathleen McCarthy
Treasurer/Collector

ANNUAL REPORT OF THE WAGE AND PERSONNEL BOARD

To the Honorable Board of Selectmen and the Citizens of Pembroke:

During the 2014 Fiscal Year the Wage & Personnel Board met with:

The Library Director to discuss the hiring of a Generalist Reference Librarian

The Council on Aging Director to discuss making the assistant's position full-time

The Recreation Director to discuss the making the assistant's position full-time

The Conservation Commission to discuss the hiring of an assistant to the Conservation Agent at step 2.

The Library Director to discuss a salary increase

The Town Administrator to discuss reclassifying the Town Landing Director/Water Safety Instructor

The Town Administrator to discuss cost of living adjustment for non-union employees

The Board approved the reclassification of the Town Landing Director/Water Safety Instructor, the hiring of the assistant to the Conservation Agent at step 2, the salary increase for the Library Director and the hiring a new Generalist Reference Librarian as a part-time position.

The Board denied the request to make the Council on Aging assistant position a full-time position

The Board deferred action on the Recreation Director's assistant becoming full-time and the cost of living adjustment for non-union employees.

The Board also referred an ethics issue to the Board of Selectmen for action.

Respectfully submitted:

James Muscato – Chairman

Paul Dwyer – Vice Chairman

Robert DeMarzo - Clerk

ANNUAL TOWN REPORT OF THE PEMBROKE POLICE DEPARTMENT

To the Honorable Board of Selectmen and the Citizens of Pembroke

I am proud of the fine job the men and women of the Pembroke Police Department do each and every day. Over the past year I can cite examples of how every officer in this department has gone above and beyond his or her call of duty. There have been many incidents where officers have provided lifesaving CPR, diffused difficult and violent situations, have thought outside the box to solve longtime problems, have shown extreme compassion, and where officers have been relentless in their investigations.

I would like to recognize Sgt. William Hinchey for his courage and quick thinking, and recognize the actions of the Officers on his shift and their response to a dangerous and highly charged domestic call in January. I would also like to recognize Officer Sean Ready who was awarded the AAA Traffic Safety Hero of the Year and Officer Stephen Kirby for his efforts in creating a public safety program. In 2013, three officers from this department participated in the South Eastern Massachusetts Law Enforcement Council (SEMLEC) SWAT Team. They were deployed 17 times last year on high risk search warrants and were deployed for duty in Boston, Watertown and Dartmouth for the Boston Marathon Bombing suspect search. Two other Officers were deployed several times with the SEMLEC Search and Rescue Team for missing persons and evidence searches. Another two Officers have been involved in the Old Colony Police Anti-Crime Task Force (OCPAC) and were integral in numerous search warrants and drug arrests in Pembroke and the surrounding communities.

There were major changes made in the Pembroke Police command staff in 2013.

Staff promotions: Administrative Lieutenant Paul Ridley Operations Lieutenant David Clauss
Patrol promotions: Sergeant Richard MacDonald Sergeant Edward Cain Sergeant Wendy LaPierre Sergeant Jonathan Simmons

We were also fortunate to fill several vacancies by hiring 4 new officers. These Officers attended the Massachusetts Police Training Council, Reading Police Academy from March 11 thru August 06, 2013.

Patrol: Officer Michael Ramsey Officer William Marsh Officer Anthony Anderson Officer Kevin Doyle

During the past year the Pembroke Police answered **10143** calls incidents/calls for service. There were **1139** offenses submitted to the State and Federal incident based tracking system with **395** of those being felonies. The Pembroke Police conducted **779** investigations of crime or other incidents. As a result the Pembroke Police made **268** adult arrests, **4** juvenile arrests, **36** Protective Custody arrests and submitted another **176** criminal complaint applications to the Courts. Alcohol or drugs were suspect in over 40 % of these incidents. The Pembroke Police processed and/or served **152** Abuse Protection and Harassment Orders and served an additional **176** court summons. In **2013** the Pembroke Police investigated **795** motor vehicle crashes with **280** of them requiring a police issued accident report and we also issued **655** motor vehicle citations.

On a sad note, Sandra Horvath, beloved wife of Officer Michael Horvath, passed away in January. Sandra's courage, bright smile and her caring words will be missed by all of us.

The Pembroke Police Department is honored to have served the citizens of Pembroke in 2013. We pride ourselves in our commitment to provide professional and courteous public service. It is our mission to become better partners with the public and the schools by finding better ways of delivering quality public safety and caring public service.

ANNUAL REPORT OF THE PEMBROKE FIRE DEPARTMENT

To the Honorable Board of Selectmen and the Citizens of Pembroke:

I hereby respectfully submit the report of the Pembroke Fire Department for the year 2013. The department handled 2,882 emergency calls in 2013, the highest total in history.

Fire Prevention:

The Fire Prevention Program was conducted in all Elementary Schools as well as most Nursery/Kindergartens in Town. Firefighter Gary Parker organized and presented the program.

Training:

Continues in both on and off duty training sessions.

Investigations:

The Pembroke Fire Department continues to investigate all fires of suspicious origin along with the Pembroke Police Department and the State Fire Marshal.

To Report a Fire or to Request and Ambulance:

PLEASE CALL 911

House Numbers:

Please place HOUSE NUMBERS on your home and be sure that they are visible from the street.

Rescue Fund:

I would like to thank all who donated to the Rescue Fund.

To the People of Pembroke:

I would like to thank the people of Pembroke for all of their support and kindness. We continue to work with less than adequate staffing. We are forced to do more with less. Several times this year we had no one left to respond. Once again our budget is level staffed. I hope we can secure funding to expand our work force in the near future. I would like to thank all Town Officials and Departments for their help and cooperation. I would like to thank the Officers and Men and Women of the Pembroke Fire Department for their dedicated service during the year.

James A. Neenan

Chief of Fire Department

ANNUAL REPORT OF THE EMERGENCY MANAGEMENT CO-DIRECTORS

To the Honorable Board of Selectmen and the Citizens of Pembroke

The citizens of Pembroke should both be aware and proud of the jobs done by their Public Servants. When in crisis, it is your Police, Fire, DPW, Town Hall, Board of Health, Library, Animal Control, Council on Aging, Housing Authority, School District workers and volunteers of every discipline, who, along with the Utility workers, leave their homes and families, and work around the clock, together, until the people of Pembroke are safe.

In February, the Town of Pembroke experienced a winter Nor'Easter of epic proportions. A rainy snow mix began late on a Friday afternoon while the winds kicked up to near hurricane strength. By midnight, the wet windblown snow was taking down trees, utility lines and had already caused severe damage to many houses and cars. Travel on town roads became impossible. Most of the town was without power including the Police Station, the Fire Stations, and the Department of Public Works building on Mattakeesett Street. Fortunately for the Police and Fire stations their back-up power generators kicked on and they were able to continue their mission uninterrupted. This was not the case for the Department of Public Works as the winter storm dubbed "NEMO" was just too much for their old generator. It quit working just before midnight. The town was now without the ability to pump gas and as a result the snowplows were unable keep working to clear the near record snowfall. A local generator repair company was summoned for a daring midnight service call. It took them over two hours to drive just across town. Working by flashlight in the wind whipped snow the generator technician was able to get the old generator temporarily running again by 5am.

The snow and wind continued well into Saturday and the weather forecast called for frigid cold temperatures over the next few days. A decision was made to open a shelter. Because of the large number of our population out of power we "enlisted" our Town Librarian and Board of Health Agent to open the Library. It quickly became evident that the small generator attached to the Library, donated some 15 years ago, was too small to be able to provide sufficient heat to keep the building comfortable. The shelter was moved to the Hobomock School. Members of the Board of Selectmen, Town Hall workers, Town Hall Maintenance Staff, School Committee members and School District employees volunteered to help shelter the many residents that the Police and Fire Departments were asked to shuttle from their cold homes. The North Pembroke School Nurse was brought to the shelter by the Police to care for the citizens. By Sunday, the power had returned to the Center of Town, just as the generator at Hobomock School ran out of fuel. The Council on Aging Building was opened as the new shelter and nurses from the Medical Reserve Corps began to arrive along with more Town Workers. Pembroke Housing Authority reached out to their residents and provided them a separate shelter at Kilcommons. Local businesses donated food and supplies and more help arrived every hour, including cots brought by our own State Representative Josh Cutler. We ran the shelter until Tuesday afternoon with many people in

and out during the day and up to 35 staying overnight. When the Library reopened they stayed open late for those who needed to charge phones and computers or work from “home”.

Due to the magnitude of the storm, relief from the State or other outside agencies would not be available for three days. This was a good lesson learned. Pembroke Emergency Management would need to plan on sustaining any future emergency for three days.

As a Town, we have fostered a better working relationship with National Grid. They now dispatch Liaisons to Pembroke to survey firsthand the damaged areas with members of Pembroke Emergency Management and direct recovery workers to first open the streets for emergency vehicles and then restore power to the most critical areas as quickly as possible.

There were several after action meetings held over the next few weeks and every Town Department was represented and all had valuable input. Two simple ideals came out of these meetings. The first, WE works. Collaboration got us through the storm and will serve us well as we prepare for the future together. The second, the time to act is now.

The collaborative group identified several critical areas of concern. As a result we developed a new and modern information system to get emergency information out to our citizens by phone, radio, email, Twitter and Facebook. We backed the purchase of a new generator for the DPW, a new proper sized generator for the Library, worked with Pembroke Housing on securing generators for the Mayflower and Kilcommons complexes and evaluated all back-up power needs for each department and a plan to install or upgrade systems as needed. Safe to say we have made progress, as the DPW, Kilcommons and Mayflower Court generators have been installed and are ready to go. Funding has been voted for a new Library generator. Working with the Board of Health to secure grants and appropriations we were able to purchase 100 cots and blankets for our shelter and a box trailer to store them in. A smart-board projector was purchased with a grant and installed at the Library as it will become the center of information during any future crisis. Another collaborative grant purchased three AED’s which have been installed in Town buildings. PEMA has recently provided CPR /AED training for many of our Town Employees.

A special thanks to **ALL of you** who give of your time to make Pembroke a better community.

RACES Radio Operator: *James Madden, David Spaulding, David Crooker, Bill Hart, Michael Canney*

Auxiliary Officers: *Douglas Bailey, James Boulter, Willard Boulter III, James Christie, James Madden, Frank Nogueira, Robert Lane, Alan Waletkus*

Respectfully Submitted by the Co-Directors

REPORT OF THE BUILDING DEPARTMENT

To the Honorable Board of Selectmen and the Citizens of Pembroke:

The following is a review of the actual construction in the Town of Pembroke for the year ending December 31, 2013.

28	New Dwellings valued at	\$5,225,640.00
45	Commercial New and Renovations valued at	\$885,120.00
459	Miscellaneous Residential Permits valued at	\$7,143,507.00
532	Total Permits Issued and Valued at	\$13,254,267.00
	Fees collected and turned over to the Treasurer	\$136,387.00
70	Total sign permits and fees collected	\$6783.00

Respectfully submitted,

George Verry
Building Commissioner/Zoning Official

REPORT OF THE WIRING INSPECTOR

To the Honorable Board of Selectmen and the Citizens of Pembroke:

I herby submit my report as Wiring Inspector for the year ending December 31, 2013.

Permits as follows:

New Dwellings.....	20
Commercial New and Renovations.....	75
Miscellaneous.....	403
Total Permits.....	498
Fees collected and turned over to the Treasurer	\$43,915.00

Respectfully submitted,
Nicholas Zechello
Inspector of Wires

REPORT OF THE GAS INSPECTOR

To the Honorable Board of Selectmen and the Citizens of Pembroke:

I herby submit my report as Gas Inspector for the year ending December 31, 2013.

Permits as follow:

Gas Permits.....334
Fees Collected and turned over to the Treasurer..... \$17,338.00

Respectfully Submitted,
Gary Young
Gas Inspector

REPORT OF THE PLUMBING INSPECTOR

To the Honorable Board of Selectmen and the Citizens of Pembroke:

I herby submit my report as Plumbing Inspector for the year ending December 31, 2013

Permits as follow:

Plumbing Permits..... 241
Fees Collected and turned over to the Treasurer.....\$20,220.00

Respectfully Submitted,
Gary Young
Plumbing Inspector

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

To the Honorable Board of Selectmen and the Citizens of Pembroke:

I herby submit my report as Sealer of Weights and Measures for the year ending December 31, 2013

Inspections as follow:

Total Inspections..... 16
Fees Collected and turned over to the Treasurer..... \$4535.00

Respectfully Submitted,
Joe Suppa
Sealer of Weights and Measurers

ANNUAL REPORT OF THE PEMBROKE DPW HIGHWAY DIVISION

At the end of 2012 and into 2013, the Highway Crew was called out twenty times for de-icing and crews and contractors were called out five times for plowing.

Two sub-divisions were accepted at Town Meeting – Summer Path and Kallio Path.

Street sweeping still continues. Approximately one-half of the Town has been completed.

Basin cleaning also continues to be done. 600 drains were cleaned.

Drainage was done on High Avenue and the road had a binder coat applied. The top coat will be done in 2014.

Storm Water Management is still being worked on. The basin and outfall locations and direction of flow is 90% completed.

Pot holes are still being done with our hot box.

Crack-sealing was done per our Pavement Management Plan. This has been done with the Chapter 90 Funding. Various roads have been completed.

The DPW Building also received a new generator due to its catastrophic failure during the 2013 blizzard.

We have been able to purchase three new sanders, one new six wheel truck and one one-ton dump truck.

The DPW Commissioners would like to thank the Highway Department for the work completed this year.

The DPW Highway Division would like to thank the other DPW Divisions, the Police Department, and the Fire Department for their support and assistance. The Highway Dept. also wishes to thank the DPW Commissioners for their support throughout the year.

ANNUAL REPORT OF THE DPW TREE/CEMETERY/PARKS AND COMMONS DIVISION

On February 8th, 2013, winter storm Nemo hit the South Shore. The result in Pembroke was 26” of snow and over 40 reports of trees being knocked down as well as several electrical poles and wires. Pembroke was out of power for 4 days. Adding to that, on March 8 another winter storm brought us an additional 19” of snow with more trees and branches being taken down.

Due to these storms the DPW opened up the pit on School and Monroe Streets for residents to bring their brush and fallen wood to. The pit was open in February and March for 3 weekends. The town also hired a logging truck to assist in the removal of logs and brush along the roadsides for several days. To help residents that could not bring their brush to the pit, the DPW chipped brush curbside, by precinct and by street. To help with the additional work, the DPW was allowed to purchase a new, larger chipper. This project was done for an average of 3 days a week, from April until July.

Roadside mowing and overhead trimming was done throughout the town during the year. However, due to staffing issues and the length of time spent chipping brush from the winter storms, the roadside trimming was not completed. Even though the brush removal took a large amount of time away from the department, 115 trees were removed for safety reasons from around the town with the bucket truck.

In the cemetery, there were 74 internments this year. This was an increase over last year. Cremations also increased 42% over the previous years. The cemetery also installed 47 monument footings and 13 government markers. Due to winter storm Nemo, the town’s cemeteries were inaccessible for several days and internments were set back several weeks, some pushed back several months.

A new larger mower was purchased this year for the maintenance of the parks and common areas around the town. New 2 yard trash and 2 yard recycle dumpsters were purchased this year for the parks and commons as well. These dumpsters are to replace the metal barrels that are currently being used. More dumpsters are planned to be purchased in the future.

The future endeavors of this department are to continue with the renovation of the entrance to Pine Grove Cemetery including new gates to be installed. As well as the entrance, repairs are planned for the stone walls and tomb at Pine Grove. Repairs for certain older sections of Mt. Pleasant and Center Cemeteries are also going forward.

In November of 2013, the foreman of this department, Scott Glauben, was promoted to Assistant Director of the DPW. In December, Scott Ripley, was promoted to position of foreman for the Tree/Cemetery/ Parks and Commons Department.

As always, the Tree/Cemetery/ Parks and Commons Division wish to thank the men and women of the Town Hall, Highway Department, and Water Department for all their help. We also wish to thank the Fire and Police Departments for their assistance over the past year. This department also wishes to thank the DPW Commissioners for all their support.

Respectfully submitted,

Pembroke DPW

ANNUAL REPORT OF THE PEMBROKE DPW WATER DIVISION

The Pembroke Water Division provided the following services to the Town throughout 2013:

101meters were installed

80 MXU radio read devices installed

There were 250 final readings performed

There were 35 new meter installations

Six complete hydrant replacements were performed

Three hydrants were repaired and put back in service

There were 23 trench inspections done

There were 65 turn on/turn off services performed

There were six water main leaks and they were repaired

There were nine service leaks and they were repaired

There were 211 water mark outs performed

- New 8” mains were installed on High Avenue and Kenholm Road.
- The Learning Lane Tank was inspected and repaired and a mixer was installed.
- Station #2, Station #3, and Station #4 were cleaned and rehabed.
- A new generator was installed at Station #3.
- Hydrant painting was continued.
- The annual hydrant flushing was conducted.
- The Gate Location Program was continued.

The Water Division would like to thank the residents and business owners who participated in the Meter Replacement Program and Backflow Prevention Inspection and Testing Program.

The Pembroke DPW Commissioners would like to thank the Water Division for the work completed this year.

The DPW Water Division would like to thank the other DPW Divisions, Town Hall Staff, as well as the Pembroke Police and Fire Departments for their support and assistance. The Water Division also wishes to thank the DPW Commissioners for their support throughout the year.

Respectfully submitted,

Pembroke Department of Public Works – Water Division

ANNUAL REPORT OF THE BOARD OF HEALTH

To the Honorable Board of Selectmen and the Citizens of Pembroke:

The Board of Health members continued to be Donna Bagni - chair, Thomas Driscoll - clerk, and Elizabeth Cytrynowski - member. The Health Agent performed the following: 82 perk tests, 316 septic related inspections, 139 food related inspections, 37 housing complaints, 91 general complaints, 52 meetings / conferences, 75 animal inspections, 3 pool inspections and 1 camp inspection.

Perk tests and construction were on the increase from 2012. Foreclosed abandoned houses and sanitary complaints continued to increase and remain large problems.

Our Public Health Nurse, under our new vaccination program, administered 218 flu shots. This new program continues to grow, expanding service and resources. We now have four different nurses that assist in various capacities.

Oldham pond continued under its new treatment program was able to remain open for recreation all summer for a second year. The remaining ponds also tested at normal levels during the majority of the summer.

We continue with the assistance and support of the Police and Fire departments to continue to develop a highly functional Emergency Response Plan for All Hazards, with a specific focus on Pandemic Response and Emergency Sheltering.

Respectfully Submitted by

Lisa Cullity
Health Agent

REPORT OF PLYMOUTH COUNTY MOSQUITO CONTROL PROJECT

The Commissioners of the Plymouth County Mosquito Control Project are pleased to submit the following report of our activities during 2013.

The Project is a special district created by the State Legislature in 1957, and is now composed of all Plymouth County towns, the City of Brockton, and the Town of Cohasset in Norfolk County. The Project is a regional response to a regional problem, and provides a way of organizing specialized equipment, specially trained employees, and mosquito control professionals into a single agency with a broad geographical area of responsibility.

As a result of a winter with average snow cover, the 2013 season began with dry conditions and below average number of spring mosquitoes. Detection and treating larval mosquitoes was limited with the spring brood, because of the low water table, lack of larvae. Over 10,000 acres were aerial laticided using the Project plane and ground larviciding using B.t.i., an environmentally selective bacterial agent. Upon emergence of the spring brood of mosquitoes, ultra-low volume adulticiding began on May 31, 2013 and ended on September 20, 2013. The Project responded to 13,692 spray requests for service from residents. As part of our West Nile Virus control strategy a total of 69,712 catch basins were treated with larvicide in all of our towns to prevent West Nile Virus (WNV).

In response to the continued threat of mosquito borne diseases in the district, we increased our surveillance trapping and ground larviciding, and adult spraying in areas of concern to protect public health.

The first virus isolations identified, in Plymouth County was on June 25, 2013, by the Massachusetts Department of Public Health State Lab, a *Culex pipiens/restuans* complex, a bird biting species was found to have West Nile Virus (WNV) in the town of Whitman. The first isolate of Eastern Equine Encephalitis virus (EEEV) from a *Culex pipiens/restuans* complex, in the town of Hanover on July 29, 2013. The 2013 season had a total of 20 EEE positive pool (50 or less mosquitoes) isolates, and 48 WNV positive pools trapped in Plymouth County as follows:

WNV 48 positive pools

2013 PCMCP TOTAL CITIES/TOWNS	11	20 CONFIRMED POSITIVE POOLS

Based on guidelines defined by the Massachusetts Department of Public Health's "Vector Control Plan to Prevent WNV and EEE in Massachusetts", the season began with all 28 Plymouth County Mosquito Control towns at "Low Risk Level" for WNV. The season ended with eleven Plymouth County towns, Abington, Brockton, Rockland, Whitman, Hingham, West Bridgewater, Bridgewater, East Bridgewater, Hanson, Plympton, Kingston, and Halifax. Marshfield and Carver at the "Moderate Level" for WNV.

The season began with eleven towns at the “Moderate Risk Level” for EEE virus, West Bridgewater, Bridgewater, Middleboro, Lakeville, Rochester, Mattapoisett, Plympton, Kingston, Halifax, Marshfield and Carver. The season ended with one town, Middleboro at “Critical Risk” level and eight towns at “High Risk” level, Hanover, Rockland, Whitman, Hanson, Plympton, Halifax, and West Bridgewater. The towns of Norwell, Pembroke, East Bridgewater, Bridgewater, Kingston, Carver, Lakeville, Brockton, Abington, Hingham, and Mattapoisett end the season at “Moderate Risk” level for EEE virus.

There was no aerial intervention to reduce human biting bridge vector mosquitoes and enzootic transmission of EEE in the state this year. There were two confirmed human cases of West Nile virus in Plymouth County. There was a fatal EEE human case in Norfolk County that had a travel history in Plymouth County, in the town of Whitman. One fatal EEE horse case was reported in Middleboro with an onset date of 18 September 2013. PCMCPC ended its trapping program on 16 September and DPH finished trapping on 9 October.

The Project conducted a joint research project with Bristol County Mosquito Control Project. The goal of this project was to study ways to improve the effectiveness of spring larvicide applications through the use of some new techniques that have been recently developed. The research involved using a combination of the insecticides B.t.i. and B.s., both chemicals environmentally selective bacterial agent. The research was very successful and we were able to demonstrate improved efficacy.

The public health problem of EEE and WNV continues to ensure cooperation between the Plymouth County Mosquito Control Project, local Boards of Health, Massachusetts State Reclamation and Mosquito Control Board and the Massachusetts Department of Public Health. In an effort to keep the public informed, EEE and WNV activity updates are regularly posted on The Plymouth County Mosquito Control Project website www.plymouthmosquito.org and the Massachusetts Department of Public Health website at www.state.ma.us/dph/wnv/wnv1.htm.

The figures specific to the Town of Pembroke are given below. While mosquitoes do not respect town lines the information given below does provide a tally of the activities which have had the greatest impact on the health and comfort of Pembroke residents.

Insecticide Application. 1,537 acres were treated using truck mounted sprayers for control of adult mosquitoes. More than one application was made to the same site if mosquitoes reinvaded the area. The first treatments were made in June and the last in September.

During the summer 2,920 catch basins were treated to prevent the emergence of *Culex pipiens*, a known mosquito vector in West Nile Virus transmission.

Water Management. During 2013 crews removed blockages, brush and other obstructions from 570 linear feet of ditches and streams to prevent overflows or stagnation that can result in mosquito breeding. This work, together with machine reclamation, is most often carried out in the fall and winter.

Our greatest effort has been targeted at mosquitoes in the larval stage, which can be found in woodland pools, swamps, marshes and other standing water areas. Inspectors continually gather data on these sites and treat with highly specific larvicides when immature mosquitoes are present.

Finally, we have been tracking response time, which is the time between notice of a mosquito problem and response by one of our inspectors. The complaint response time in the Town of Pembroke was less than three days with more than 773 complaints answered.

Mosquito Survey. Our surveillance showed that the dominant mosquitoes throughout the district were generally *Culiseta melanura* and *Coquillettidia perturbans*. In the Town of Pembroke the three most common mosquitoes were *Cs. melanura*, *Cq. perturbans* and *Ur. sapphirina*.

We encourage citizens or municipal officials to visit our website at www.plymouthmosquito.org or call our office for information about mosquitoes, mosquito-borne diseases, control practices, or any other matters of concern.

ANNUAL REPORT OF THE COUNCIL ON AGING

To: Honorable Board of Selectmen and Citizens of Pembroke

The Pembroke Council on Aging is a Department of the Town and is funded by Town appropriations. We are a human service agency. Our mission is to provide and implement services to the senior community and to enhance their dignity and quality of life. As advocates, we increase citizen's awareness of and support for our efforts to meet these challenges.

The Council coordinates these efforts with the Massachusetts Executive Office of Elder Affairs, our Area Agency on Aging Old Colony Planning Council with funding from the Older American's Act, and our Home Care Corporation, Old Colony Elder Services, Inc., South Shore Community Action Council, Inc.

2013 presented many challenges with the changes in Medicare Part D and formularies offered by the 32 plans in Massachusetts. Our three SHINE counselors were very busy assisting over 76 elders with their problems. The Fuel Assistance LIHEAP Program has seen a rise in families needing assistance due to the high energy costs, problems with the economy, and difficulty finding employment.

Our elder population has increased for a total elder population of those born between 1914 to 1953 was 3,442. Our Outreach Worker visited and called 321 elders this year especially those over age 80 to ensure their safety and wellbeing. Our Assistant Outreach Worker contacted 181 elders. We served 83 unduplicated homebound elders 7,801 hot meals, and 121 unduplicated elders' congregate meals totaling 4,320. The participation of 78.2% elders coming to the Senior Center for various seminars, trainings, meals, workshops, Shine, LIHEAP, and social events is outstanding. The Food Pantry provided 299 families (not counting the children) with 12,792 units of service (up from 25 families served in 1997). Our Volunteer Medical Drivers transported 83 unduplicated elders to doctors, physical therapy, and dental appointments.

The Transportation Program is now contracted with GATRA (Greater Attleboro-Taunton Regional Transit Authority). The Selectmen signed the Contract again in 2013 and we are receiving reimbursement monies from the MBTA assessment.

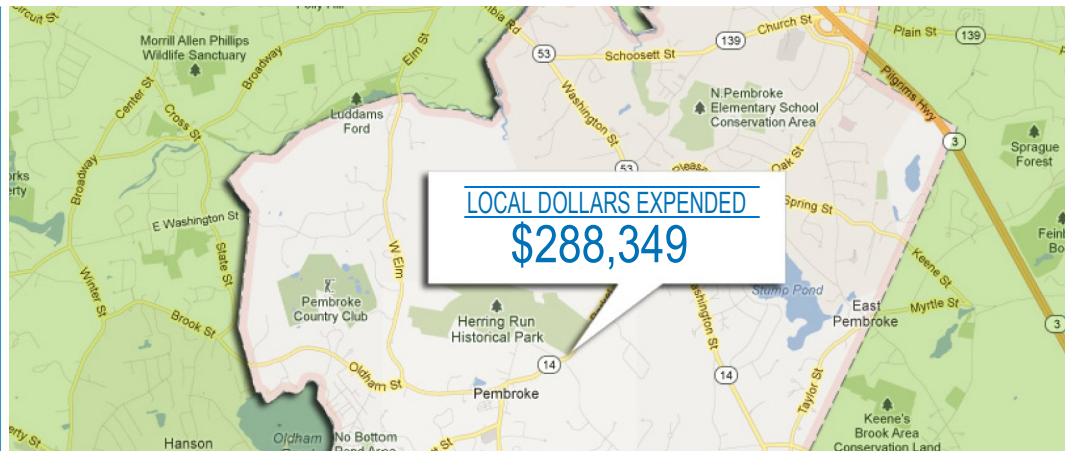

In summary, we thank our 127 volunteers for the 17,383 hours of service contributed, and the estimated savings to the Town of \$61,726.00. We thank the citizens of Pembroke for their support of our Mission, our Elders, and our articles at town meeting, enabling us to move forward into the future with the resources needed.

Respectfully submitted,
Mary E. Willis, Director

SSCAC REPORT TO THE TOWN PEMBROKE, MASSACHUSETTS

With roots dating back to the 1960's, South Shore Community Action Council, Inc. (SSCAC) is an agency that administers many federal, state and private grants that are available for low income and elderly persons. During the SSCAC's FY2013, a total of 934 (duplicated) Pembroke households were served from October 1, 2012 - September 30, 2013 by SSCAC's many program offerings.

PROGRAMS AND SERVICES

Fuel Assistance, Weatherization, Transportation, South Shore Early Education & Care, Consumer Aid, Emergency Services, Financial Stability Programs, Employment & Workforce Development, Food Resources, and Coordinated Family and Community Engagement.

GEOGRAPHIC SERVICE AREA

South Shore Community Action Council serves Carver, Cohasset, Duxbury, Hanover, Hingham, Hull, Kingston, Marshfield, Norwell, Pembroke, Plymouth, Plympton, and Scituate. Through our Fuel Assistance and Transportation programs, SSCAC serves an additional 58 towns in the Southeast, Cape Cod, and the Islands.

In addition, SSCAC's Food Resources program distributed 212 lbs. of locally grown fruits, vegetables and non-perishable food to the Pembroke's Council on Aging and Head Start children's programs. (Approximately 159 meals.)

ANNUAL REPORT DEPARTMENT OF VETERAN SERVICES

To the Honorable Board of Selectmen and the Citizens of Pembroke:

The Veterans' Department provides aid and assistance to all eligible veterans' and their dependents under Massachusetts General Law, Chapter 115. Benefits provided include application for bonuses, financial assistance, medical reimbursements as well as emergency funds. The staff is trained and certified by the Department of Veterans' Services. The town of Pembroke is reimbursed by the State at the rate of 75% for the benefits provided by the town to our Veterans'.

While our Department has no connection with the Veterans' Administration we do provide assistance by helping Veterans' in our town obtain Federal Benefits. Those benefits would include: service connected disabilities, non-service pensions, enrollment in the VA health care system and educational benefits. Also, we provide assistance by helping our Veterans' to obtain their military records, medal replacements and grave markers.

We encourage anyone with questions pertaining to Veterans' Benefits to contact our office at 781-293-4651. Our office hours are 8:30 – 4:30, Monday- Friday. If needed, we are also available during evening hours: please call our office to make an appointment.

Increased co-operation between different military organizations helped in upgrading the support that our Veterans' received last year. Special consideration should be given to the Pembroke American Legion and the Pembroke Military Support Group for their help. Food programs, wheelchair services and contact with active Servicemen were enhanced with the help of these organizations. Thank you to all the groups that assisted us and we look forward to working with you again next year.

Respectfully submitted,
David McPhillips, Veterans' Service Officer
Mary Whitman, Assistant Veterans' Service Officer

ANNUAL REPORT OF THE COMMISSION ON DISABILITIES

To the Honorable Board of Selectmen and Citizen's of Pembroke:

The Commission on Disabilities is sad to report that they lost a dedicated volunteer in July. Ms. Judy Robertson passed away suddenly of a heart attack. One of Judy's ideas was to start a newsletter to keep the disabled residents informed of what the commission has to offer them. The Commission plans on making Judy's idea a reality and dedicating the first issue in her memory.

In October, the Commission donated medical equipment to Lithuanian Children's Relief. Once the equipment was loaded in the van, the driver informed me that L.C.R. may not be able to take future equipment donations as there has been a decrease in financial donations.

Due to unexpected delays, there is delayed progress in making both the Birch Street Playground and the Herring Run Park handicapped accessible. The Commission is working in partnership with the building inspector in making both popular gathering spots handicapped accessible.

The Commission continued to provide transportation to disabled residents and is available to anyone sixty years and younger; the disabled share the Council On Aging vans with the seniors. If you or anyone you know is a non-driving, disabled resident and is in need of a ride, please let us know; we are here to help you.

Medical equipment is also available free of charge to anyone in need. Anyone looking to make a donation, accepted items include used eyeglasses, hearing aids, TTY telephone equipment. All donations must be in good condition and not have any broken or missing parts; any equipment that is broken or has missing pieces will not be accepted!

Our office is located inside the Community Center (next to the Center Pre-School & Day Care Office) with office hours Mondays & Wednesdays between the hours of 10 am & 2 pm. Please call the office @ 781-293-9484 or email disabilities@pembroke-ma.gov .

Thank You.

Respectfully submitted,

Tom Weinreich, Co-Chairman

ANNUAL REPORT OF GATRA REPRESENTATIVE

To the Honorable Board of Selectmen and the Citizens of Pembroke:

GATRA provides transportation services for the Elderly and Disabled residents of Pembroke through its vendor the Pembroke COA.

The transportation budget for fiscal 2013 was \$80,651.00 which was for the Transportation Coordinator, Van Drivers, Gasoline, and Vehicle Maintenance. The yearly budget for the Council on Aging for fiscal year 2013 was \$202,140.00 which included that \$80,651.00.

The amount received from GATRA in Fiscal Year 2013 was \$111,157.77

The amount taken from the Transportation Revolving Account in December was \$80,000 and applied to the general budget. The average monthly reimbursement was \$10,105.26. This item covers not only the expenses listed above but also a portion of the expenses for operating the COA facility.

The amount the Town received from GATRA thus far in Fiscal 2014 is \$63,884.50 with an average monthly reimbursement of \$9,126.36.

The Fiscal 2014 COA transportation budget is \$78,705.00. This is for the Transportation Coordinator, Van Drivers, Gasoline and Vehicle Maintenance. The fiscal 2014 budget for the Council on Aging is \$201,523 which includes the \$78,705.00 for transportation.

In addition, GATRA provides a shuttle service to the Hanson T station. A bus leaves Kilcommons Drive at 6:00 AM and stops at the Community Center and (weather permitting) the Mattakeesett Street ball field. There are 6 round trips each day. The bus can be flagged down anywhere along the route.

In fiscal 2013 GATRA provided 7,452 Dial a Ride passenger trips and 4,512 shuttle trips.

Respectfully submitted,
Hilary Wilson

2013 REPORT OF ZONING AND BUILDING LAW APPEALS

To The Honorable Board of Selectmen and the Citizens of Pembroke:

The Zoning Board of Appeals began 2013 as Frank Baldassini, Chairman
William Cullity, Vice Chairman
Sharon McNamara, Clerk
Linda MacDonald, Alternate
John O'Connor, Alternate

And concluded 2013 as Frank Baldassini, Chairman
William Cullity, Vice Chairman
Sharon McNamara, Clerk
Linda MacDonald, Alternate
John O'Connor, Alternate

During the past year the Board received: 37 requests for special permits
12 requests for variances
1 request for an appeal

Of the 42 petitions received: 36 petitions were approved
2 petitions were withdrawn
4 petitions are undecided

Respectfully submitted,

Frank Baldassini
Chairman

2013 ANNUAL REPORT OF THE PEMBROKE PLANNING BOARD

To the Honorable Board of Selectmen and the Citizens of Pembroke:

During the year 2013 the Planning Board held twenty-eight meetings. Seventeen public hearings were held covering Center Protection (1), Site Plan Approval (9), Subdivision (2) and (5) Zoning By-law change public hearing was held.

Four ANR Plans (Approval Not Required Under Subdivision Control) came before the Planning Board for action for building and recording purposes and transferring lot lines.

The Planning Board had one Subdivision Plan that was approved by the Board and five Site Plans that were before them for site plan approval. Actions were taken on three plans and were granted site plan approval and two plans are still before the Board for approval.

A Zoning By-law change was approved at the April Annual Town Meeting.

Article 13: To see if the Town will vote to amend the Town's Zoning By-laws, Section V, by adding a new sub-section 11, "Temporary Moratorium on Medical Marijuana Treatment Centers".

This article amended the Zoning By-laws by adding language that would create a temporary moratorium on any Medical Marijuana activities related to the recently approved State law permitting the cultivation, distribution, possession and use of marijuana for medical purposes in the Commonwealth of Massachusetts which was approved by the vote at the state election on November 6, 2012 and became effective on January 1, 2013.

Then at the Special Fall Town Meeting, two Zoning By-law changes were approved.

Article 19: To see if the Town will vote to amend the Zoning Bylaws of the Town of Pembroke by deleting Section V., Special Provisions, Standards and Procedures subsection 11., "Temporary Moratorium on Medical Marijuana Treatment Centers" and adding to Section IV., Use And Dimensional Regulations, by adding a new subsection 10., entitled "Medical Marijuana Overlay District".

This article established a Medical Marijuana Overlay District which shall regulate the placement of registered marijuana dispensaries by special permit in the Industrial A Industrial B Zoning Districts in an area west of Route 3, establish procedures for the permitting process and conditions for the issuance of permits for registered marijuana dispensaries.

Article 20: To see if the Town will vote to amend the Zoning By-laws of the Town of Pembroke Section V. Special Provisions, Standards and Procedures, to add a new subsection 12 entitled Solar Photovoltaic Installations.

This article shall authorize and regulate the permitting of solar photovoltaic installations within the Town of Pembroke.

At the Annual Town Election, Paul Whitman was elected to a five-year term to expire on 2018.

Respectfully submitted,

Andrew Wandell, Chairman

2013 REPORT OF THE HOUSING AUTHORITY

To the Honorable Board of Selectmen and the Citizens of Pembroke:

Pembroke Housing Authority is committed to providing safe, decent, affordable housing. The Authority administers 116 units of Massachusetts Chapter 667 housing, 7 units of Massachusetts Chapter 705 family housing, 16 units Massachusetts Chapter 689 homes, 49 units of Federal Public Housing, 7 Massachusetts Rental Vouchers and 83 Housing Choice Vouchers.

Over the past year the Authority has undertaken several modernization projects. Such projects are critical in maintaining the integrity of our housing portfolio. At Macdonald Way, all new electric panels were replaced. In addition, an additional drainage area was added to the parking lot, and planning began to modernize the laundry area. At Mayflower Court extensive sidewalk repair was completed. At Kilcommons Drive, new trash areas and a generator was installed for the community room, the laundry room modernization was started and planning with the Department of Housing and Community Development has commenced to replace the roofs on all buildings. New ADA kitchens were installed at the Lydia Ford Group home. This funding came in part from CPA. The fire alarm system was upgraded at all complexes and group homes. This has provided for a more efficient system.

The Pembroke Housing Authority is very grateful to the Town of Pembroke for awarding Community Preservation Funds to install intercom systems at Mayflower Court and Kilcommons Drive buildings. These systems will allow us to secure the buildings improving safety for our tenants and protecting our buildings from vandalism and are slated to start in the spring of 2014. We were also awarded CPA monies to install a generator at Mayflower Court. Work is currently being done so that this project will be completed in the early winter of 2014. Both the Authority and the residents are very grateful for the town's support.

The Board of Commissioners has continued its review of the Authority policies making changes where necessary to outdated ones and implementing new ones to meet the challenges of our changing environment. Well-developed policies improve the safety, appearance and fiscal stability of the Authority.

We also want to thank the Fire Department, Police Department, Department of Public Works, and Council on Aging for the vital services they provide to the housing authority, our residents, and all of the seniors of this community. We also want to thank a very dedicated housing authority staff for their hard work and commitment. It is no small accomplishment to keep the housing authority running smoothly in these very difficult economic times.

Anyone interested in finding out more about low income housing programs is invited to inquire in person at the Housing Authority office, Kilcommons Drive, Pembroke, Massachusetts 02359 or by telephone by calling (781) 293-3088.

Respectfully submitted,

Carolyn Crossley, Chairperson
Valerie Kroon, Vice Chairperson

James Muscato, Assistant Treasurer
William Boyle, Member
Sharon Sylvester, Executive Director

REPORT OF THE OLD COLONY PLANNING COUNCIL

To the Honorable Board of Selectmen and the Citizens of the Town of Pembroke.

As your representatives to the Old Colony Planning Council (OCPC), we are pleased to present this report on behalf of the Council for 2013.

The Old Colony Planning Council was established in 1967 by state statute and is authorized to prepare plans for the physical, social and economic development of the Sixteen-member community region. OCPC is designated as: an Economic Development District by the U.S. Department of Commerce for the coordination of regional economic development activities; an Area Agency on Aging (AAA) by the Executive Office of Elder Affairs to plan, manage and coordinate elder services in a twenty-three community service area; and, the Metropolitan Planning Organization (MPO) to plan and program transportation and transit improvements for the region.

In addition to the above-designated responsibilities, the Council also assists its member municipalities with technical planning, grant application preparation and current local and regional socioeconomic information.

During the past year, the Council completed the FFY 2014-2017 Transportation Improvement Program (TIP); the Old Colony Management Systems Report; the Old Colony Major Bottleneck Study in Avon and Stoughton; the Town of Halifax Stormwater Mapping Project; the Plymouth Complete Streets Policy; and provided numerous Road Safety Audits, Intersection Analyses, and Technical Studies to the member communities; and, continued participation in the South Coast Commuter Rail Task Force, provided technical assistance to Bridgewater, Easton, and Stoughton, related to the potential rail service, and developed the priorities areas of regional significance. The Council also provided technical assistance to member communities under the District Local Technical Assistance (DLTA) Program in areas such as regionalization: water; wastewater; 911 services; zoning bylaw revisions; expedited permitting; a Housing Development Incentive Program (HDIP) HD Zone Plan as well as the creation of a Regional Housing Plan and a Regional Clean Energy Plan. During the past year, with assistance and guidance from member community advisory committee members, the Old Colony Area Agency on Aging (AAA) has continued the ongoing administration of over \$1.3 million dollars of Federal and State funding for elder services. The OCPC-AAA administers and oversees funding for services like nutrition, transportation, day care, legal services, and others to the more than 90,000 persons age 60 and over in the region. The OCPC-AAA also completed development of the 2014-2017 Area Plan on Aging, and continues to advocate on behalf of older persons from throughout the region. The OCPC-AAA Long-Term Care Ombudsman Program continues its efforts, with over 700 visits to nursing and rest homes, investigating over 360 issues of concern from residents or families. In Addition, OCPC continues to administer the Septic Loan Program for the Towns of Avon, Cohasset, Hanson, Kingston, Marshfield and Stoughton. During 2013 the Council processed approximately \$650,000 in loans for both septic systems and sewer connection for the communities under the Septic Loan Program.

Each member community of the Council is represented by one delegate and one alternate member. The Council members establish policy, develop the work program, and employ and oversee the activities of the professional staff. The Council meets on the last Wednesday of each month at 7:00 PM in the OCPC offices located at 70 School Street, Brockton, MA. In 2013, the Council elected Lee Hartmann, of Plymouth as Council President; Fred L. Gilmetti of Whitman as Council Treasurer; and, Frank P. Staffier of Avon as Council Secretary. Pasquale Ciaramella serves as Executive Director of the Council.

The Council gratefully acknowledges the generous support and cooperation of its member communities and the participation and involvement of the many individuals who participate as members of committees. Special thanks are extended to Joint Transportation Committee Chair Noreen O'Toole; Comprehensive Economic Development Strategy Committee Chair Mary Waldron; and, the Area Agency on Aging Advisory Committee Chair Richard Whitney for their commitment, dedication and leadership during the past year. The Council also recognizes the work of local boards and commissions and the government agencies, public and private institutions and individuals who assisted the Council in its efforts.

Respectfully submitted, Gerard W. Dempsey, Delegate
Troy E. Garron, Delegate At-Large

Daniel W. Trabucco, Alternate

ANNUAL REPORT OF THE CABLE ADVISORY COMMITTEE

To the Honorable Board of Selectmen and the Citizens of Pembroke:

The main function of the Pembroke Cable and Broadband Technology Committee is to negotiate cable contracts and advise the Selectmen on cable and broadband technology issues.

Pembroke's contract with Comcast Communications, the Town's cable provider, expires in December of 2018. Negotiations are historically long and difficult with cable providers and to this end the town should prepare to begin the negotiations for a new contract early in 2017.

The question most frequently asked relative to cable television in town is "when will Verizon be available?" To that end, Verizon has been asked many times over the last few years to expand cable television service into Pembroke. As of this date, they have declined. They site the cost of wiring the town as the reason they will not be offering this service in Pembroke anytime soon. Currently only parts of North Pembroke are wired for Verizon cable service television.

Broadband service should be a major component of our next C&BT contract. Our schools will need ever increasing bandwidth as more classes are transitioned to on-line classrooms. It is estimated that in six years, more than 20% of our classes will be available on-line. MCAS testing is transitioning to PARCC testing in all of our schools over the next couple of years. PARCC is on-line computer based testing and will be one of several initiatives that could put a strain on available bandwidth.

For consumers, the options are ever increasing on how and where they receive their television and internet content. There are sure to be continued changes in the coming years leading to our next cable and broadband contract with a service provider. It is important for the town to stay on top of these changes and be prepared to negotiate this into our next C&BT contract.

Respectfully submitted,

John Mattinson, Chairman

Matthew Dovell – Vice Chairman

Dr. Margaret Jones – Clerk

Peter Cleary

Jeffrey Kinsherf

David Sullivan

ANNUAL REPORT OF THE PEMBROKE CULTURAL COUNCIL

To the Honorable Board of Selectmen and the Citizens of Pembroke:

The local cultural council receives funding from the Massachusetts Cultural Council once a year. We request and receive grant applications for these funds by October 15th each year. A meeting is held to review the requests and submit the decisions about funding of the applications to the state council by January 15th each year.

The statement of purpose: The Massachusetts Cultural Council provides funding to the Local Cultural Councils to support public programs that promote access, education, diversity and excellence in the arts, humanities and interpretive sciences. Local councils have the right and responsibility to award grants that address cultural needs specific to their community.

The criteria for accepted grants: The Pembroke Cultural Council uses the following criteria when awarding grants: community benefit, community involvement, quality of project, financial need of the sponsoring body, accomplishments of the sponsoring body and the dedication of the sponsoring body.

Pembroke's allocation for fiscal year 2013 was \$3780.00 and was awarded to the Pembroke Tree Lighting Festival, Friends of Pembroke Public Library for Museum Passes, Becky Haletky for a watercolor of Pembroke, and the Pembroke Arts Festival.

The Council accepted a watercolor of the horse farm on Washington Street across from Pleasant Street from artist Becky Haletky. It was presented to the Selectmen who accepted it on behalf of the town. It will hang in the Selectmen's office along with the previous ten watercolors of Pembroke by Becky.

Submitted on behalf of the Cultural Council
Linda McCollum, Chair

ANNUAL REPORT OF THE RECREATION COMMISSION

To the Honorable Board of Selectmen and the Citizens of the Town of Pembroke:

***Mission:** The Pembroke Recreation Commission strives to provide exceptional and creative programs, services, and facilities that foster community spirit and involvement while serving the physical and social needs of all residents.*

Programs

In 2012, Pembroke Recreation introduced two new programs in addition to the many ongoing established programs. April Rec-Cation was developed as an improved version of our February and April Clubhouse. April Rec-Cation is a full-day program during school vacation week. We wanted to offer children a fun-packed week at an affordable rate. By incorporating trips and special events such as Rock Climbing, Bowling, Pizza Party, and a special craft we achieved our goal.

Pembroke Recreation also provided a Babysitting Class taught by Saheeda Kelly, an R.N. and resident of Pembroke. The class consisted of fifteen participants between the ages of 10 and 13 years. Participants learned safety for being home alone, basic first aid, and the overall responsibilities of babysitting. We look forward to offering this class again in the years to come.

In addition to these new programs Pembroke Recreation offered the following established programs: After School Program, Archery, T-ball, Basketball, Break Dancing, Drama, Field Hockey, Junior Golf, Little Tikes, Magic Music Time, New York City Shopping & Sightseeing Trip, Parents & Tots Craft Class, Quilting, Little Kickers-Soccer, Summer Happenings Day Program, and Volleyball Clinics.

Events

In the spring, Pembroke Recreation conducted our Annual Easter Egg Hunt. Each year the amount of plastic eggs we fill with candy increases, along with the amount of participants. We are always pleased to offer this free event that leaves so many children of Pembroke with huge smiles on their faces.

Throughout the summer, Entertainment on the Green concerts are provided on Sunday evenings on the Town Green. We are thrilled to have such wonderful bands share their passion and talent with the residents of Pembroke.

Pembroke Recreation also hosted a Free Child ID event in the fall. New York Life agents prepared identification CD's of children's' photos and fingerprints. As a department that is highly involved with children and families in town, we were delighted to help families take precautions in case of emergency.

Business Affairs

After months and months of research, Pembroke Recreation finally purchased new software in May of 2012. The new software offers online registration and also credit card payments. The software has made it easier for residents to register for activities and manage their account details. The software also provides automated reports which allow more time to be

spent on developing and managing programs. Four hundred and sixty family accounts we opened from May through the end of the year in 2013.

In June, a CPR/First Aid certification class was offered to all Recreation employees.

In October, we welcomed Thomas Driscoll as a member to our board.

Field Improvements

Pembroke Recreation tries to consistently make small improvements to our fields. In 2013, at the JJ Shepard Ball Field Complex we complete the drainage project. We also added a safety guardrail at one of the Girls Softball fields to protect players in the dugouts which were also added this year. The infield at the rear softball field was also replaced. We replace the outfield fence at Magoun Field. We added a safety guardrail at the Marcus B. Ford Park to enhance the safety of the children in the park.

Rentals & Field Permits

The department continues to rent the Community Center facility and issue Field Permits.

Classroom Rentals: Private rentals, Boy Scout & Girl Scout Troops, Meetings for sports leagues

Gymnasium Rentals: Private rentals, Youth Basketball & Soccer Practices, Baseball Facility Rentals

Field Permits: Magoun Field, Girls Softball Fields, Birch Street Field, and the Community Center Ball Fields and Courts

ANNUAL REPORT OF THE HERRING FISHERIES COMMISSION

River herring have been migrating from the ocean to local ponds to spawn for centuries. In the 1600's there are records of this migration and since then these fish have been used for food, fertilizer, and bait.

There have been many different types of fishery management plans, both local and state to manage these fish. In recent years there have been steep declines in the amount of fish returning each year. Not only in Pembroke but coast wide. To ensure a rebuilding plan the Atlantic State Marine Fisheries Commission declared a moratorium on the taking of all river herring.

As newly appointed Superintendent of the Herring Commission it is my task to make sure that herring are able to make their migratory trip up to our local ponds to spawn and equally important that the juvenile herring are allowed to return to the ocean in the fall. To help this process succeed the commission is tasked with keeping the river free from encumbrances, both natural and manmade. We started this fall with a vigorous stream cleaning maintenance program and will continue until the spring run begins.

We also have rebuilt the fish ladder at the Cranberry Road dam. We monitor the water level of the ponds to make certain there is enough water in the fall to allow herring fry to leave. I would like to thank the following commission members for their help and dedication to ensuring Pembroke does its part in the rebuilding of this important resource.

Douglas Sprague

Rick Madden

Janet Fahey

Walter Hawkes

Kyle Harney

Arthur Egerton

Willard J. Boulter Jr. (alternate)

Mark Amorello, Superintendent of Fisheries

ANNUAL REPORT OF THE CONSERVATION COMMISSION

To the Honorable Board of Selectmen and Citizens of Pembroke:

The members of the Conservation Commission respectfully submit the following report for the year ending 2013.

The goal of the Conservation Commission continues to be the preservation of our open space, wetlands and wildlife as well as the protection of our community's natural resources. The office of the Conservation Commission had a busy year. The following is a breakdown of Conservation Commission activities:

1. The Commission issued 20 Determinations of Applicability;
2. The Commission issued 9 Orders of Conditions;
3. The Commission issued 1 Extension to an existing Determination of Applicability;
4. The Commission issued 0 Extensions to existing Orders of Conditions;
5. The Commission issued 14 Certificates of Compliance;
6. The Commission issued 1 Enforcement Order;
7. The Commission was involved in 2 decisions which were appealed to the Department of Environmental Protection; and
8. The Commission conducted numerous on-site inspections and responded to inquiries and requests from the community.

The Commission is continuing their work with the Department of Conservation & Recreation and the Pembroke Watershed Association to manage the hydrilla in Hobomock Pond and continue the multiple year aquatic management program for the unbalanced algae populations in Oldham and Furnace Ponds. It is our mission to protect and maintain the town's open spaces and conservation areas and to keep them safe and accessible to all.

The Conservation Commission met with Dylan Fraser of Boy Scout Troop 43 to assist in his pursuit of the rank of Eagle Scout. His project was to create a viewing platform in Tubb's Meadow. The project was completed to the full satisfaction of the Commission. The Conservation Commission would like to thank Mr. Fraser for a job well done. The new viewing platform will enhance the community's enjoyment of this property for years to come.

The Commission regretfully accepted the resignation of longtime member, Patricia DeVore, as well as longtime administrative agent, Kathleen O'Neil. The Conservation Commission is extremely grateful to both Ms. DeVore and Ms. O'Neil for their years of service to the board. The Commission welcomed new members, Scott Glauben and Al Gigiotti as well as a new administrative agent, Mary Guiney.

Respectfully submitted,

Mark Ames, Chairperson
Carey Day, Vice-Chairperson
Michael Kirby

Robert Clarke, Agent & Member
Daniel Smith
Alan Gigliotti Scott Glauben

ANNUAL REPORT OF THE COMMUNITY PRESERVATION COMMITTEE

The members of the Community Preservation Committee respectfully submit the following report for the year ending 2013.

The Community Preservation Act has been a tremendous asset to the Town accomplishing many wonderful projects without needing to access the Town's General Funds. The Community Preservation Committee has awarded \$269,050.00 in Community Preservation Act funds for the following projects that were approved at the 2013 Annual and Special Town Meetings:

1. To the Pembroke Housing Authority to install Phase 2 of an intercom system at a public housing development located on Kilcommons Drive.
2. To Pembroke DPW - Cemetery Division to repair the wall and several headstones at Mount Pleasant Cemetery.
3. To Pembroke DPW – Cemetery Division to repair the wall at Pine Grove Cemetery.
4. To the Pembroke Town Manager to restore the historic animal pound located in front of Pembroke Town Hall.
5. To the Cobb Library to replace lighting fixtures and insulate the building.
6. To the Pembroke DPW – Cemetery Division to repair headstones and granite sites at the Center Street Cemetery.
7. To Michelle Burt to repair the bee sculpture on top of the Council on Aging Building and to create a commemorative plaque and brochures.
8. To Police Chief, Richard Wall to purchase and install a back-up generator for the Mayflower Court Complex Community Building.
9. To the East Pembroke Community Club to bring the kitchen and electrical service up to code, restore aluminum ceiling and install wrought iron railings.

We look forward to working with these groups to ensure successful completion of their projects.

The Committee will continue to work with the town's committee's and residents to further enhance the historic, natural and community resources of the town.

2013 REPORT OF THE OPEN SPACE COMMITTEE

The Conservation Commission is still seeking new members to re-form the Open Space Committee. The first priority of this Committee will be to update the Open Space Plan. They will also make recommendations to the Conservation Commission regarding a priority list of future open space purchases either funded through grants or anticipated Community Preservation Act funds and actively pursue voluntary land donations and easements.

The Committee is advisory in nature and all recommendations, findings, etc. will be reported to the Conservation Commission. The Open Space Committee will be a sub-committee of the Conservation Commission and report directly to them.

The Open Space Committee will work with various town boards and the Executive Office of Environmental Affairs to preserve land in Pembroke and to maintain and enhance the semi-rural character of the town with the goal to protect, preserve and restore open space, wetlands and woodlands.

Interested volunteers should contact the Conservation Commission office.

Respectfully Submitted,

Mark Ames, Chairperson of the Conservation Commission

ANNUAL REPORT OF THE LIBRARY TRUSTEES

To the Honorable Board of Selectmen and the Citizens of the Town of Pembroke:
Pembroke Public Library continues to serve the needs of our residents and strives to improve and expand opportunities for use and interaction.

We are pleased that the Library met the minimum budget standards for state certification. We were also able give back a small percentage of our funding to help balance the Town budget. Deborah Wall was one of several women honored in Boston as an Unsung Hero of the Commonwealth of Massachusetts.

FY13 saw many firsts: The Teen Tech Squad was established to help library patrons become comfortable using their laptops, tablets, smartphones and e-readers; in collaboration with Pembroke Emergency Management, the Library became an emergency shelter during the winter blizzard, welcoming both pets and humans and expanding hours to provide warmth and electricity when many residents had no power for five days; and the Pembroke Library Foundation was granted 501(c) status.

On the less positive side, the Library was subject to several episodes of vandalism by spray paint, gutter damage, and a cracked front window. A small sinkhole appeared on the side of the building, and repairs were needed to the roof and gutters.

We said farewell to Jessica Lamarre, Youth Services Librarian after 4/12 years of service, and Kathleen Catano, Trustee, after more than fifteen years of service, include her years on the library building committee. Although we were sorry to see them leave, we then welcomed Youth Services Librarian, Sarah Hines; Part-Time Reference Librarian, Lindsay McGrath; and Trustee Larissa Curley.

The Library continued its work of adding new library users along with new books, CDs, DVDs, and computers. There were also several new major databases added, most notably, Ancestry.com, Heritage Quest, Novelist, Bookletters, and AWE, an early literacy station for our younger library users. For the safety of patrons, an Auto External Defibrillator was purchased and staff received training on its use.

Stats:

- 831 new patrons joined the library for a total of 14,053 users
- Circulation topped 135,000 among adult and youth users
- 4,094 children and 2,381 adults attended 308 library programs
- Computers were used 13,518 times
- Meeting rooms were used 342 times
- 3,208 people took advantage of 802 museum passes

We wish to thank the individuals and other contributors who support our work including:

- Bryantville PTO
- Charlotte Skolnick for the donation of her Girls Scouts Gold Award Pembroke History Backpacks
- The Della Chiesa Trust
- The Gene and Ruth Posner Foundation
- Martha's Bike Shop
- Mattakesett Garden Club
- North Pembroke Elementary PTO
- WATD
- With special thanks to the Friends of the Library who work tirelessly throughout the year with book and bake sales, silent auctions, trivia bowl and other events to provide:
 - Museum passes
 - The Best Seller Collection
 - Book Page, a book review newspaper
 - Programs and performers
 - Children's book orders
 - Copier service

Respectfully submitted,

Mary Beth Courtright, Chairperson

Larissa Curley

Lynne Dionne

Elaine Spaulding

Superintendent of Schools 2013-2014 Town Report

The public schools of Pembroke continue to perform well during 2013-2014 by many measures, and we now move into the second half of the school year with much work ahead of us. To date, our focus has been squarely on the implementation of multiple state and federal initiatives, as well as our roofing projects, which recently received overwhelming support from the Pembroke voters. As a school community, we continue to enjoy the many incredible accomplishments of our talented students and staff, and we are so very fortunate to have your support of their efforts, which you may read about from the reports of the school principals within this book.

State and federal law have brought several projects to our plate this year. The first is the new educator evaluation system, which provides the framework for an improved system for evaluating our teachers. We completed the professional development needed for the implementation of this system last spring, allowing us to begin the transition this year. While there are certainly many benefits to the plan, including more regular feedback to teachers about their performance and more ownership for them of the evaluation process, the requirements are both complex and demanding. In the end, we believe the benefits for students and teachers will outweigh the rigors of system implementation, and that our school system will be improved with our efforts.

We continue to move forward with the implementation of the new Common Core state standards, and much work has been done to align our curriculum to ensure that all students have the opportunity to meet these markedly higher educational expectations. With the adoption of the Common Core standards for English Language Arts and Mathematics, the state will be transitioning over to a new student assessment system from the current and familiar MCAS testing. The new assessments, referred to as PARCC (Partnership of Readiness for College and Careers) are being created by state education officials from Massachusetts and 18 other states. The expressed goal of the new PARCC tests is to provide a better measure of students' ability to write, think critically and apply knowledge. The tests will be challenging, especially in the first year as we make programmatic changes to align with the Common Core standards. This year, 15% of students in Grades 3-11 across the Commonwealth will be involved in "field tests," which will be used to make adjustments in order to ensure test validity and reliability. For these students, who are randomly selected, the PARCC test will be given in place of the MCAS test.

Finally, on behalf of the Pembroke School Committee and the entire Pembroke School Department family, I would like to express our sincere and heartfelt appreciation to the citizens for their support of our desperately needed roof replacement projects. Preparations are well underway, and we look forward to completion by the end of this summer.

Respectfully,

Frank Hackett, Ed.D.

2013 HIGHLIGHTS
PEMBROKE HIGH SCHOOL
Margaret Szostak, Principal

Ms. Kate Salas provided a course entitled, “College Bound.” The course was designed for sophomores, juniors and seniors to explore and reach academic and career goals. During this 4-day summer enrichment course, students engaged in the following activities:

- Career planning-evaluate career interests and personal style inventory
- Determine viable career options in your field of interest
- Prepare a selected list of colleges uniquely suited to you.
- Learn how to get the most out of your college campus visit
- Create a personalized plan of action

Students who enrolled in this course received a college-planning guide. The course met daily from 9-11 and utilized computer-based assessments and activities. There was also a field trip to a few Boston area college campuses at the end of the week.

Summer STEM Initiative

During the summer of 2013, Pembroke High School completed a Summer STEM Initiative program where middle and high school students came together to help the community and other communities in need. This program was made possible through a grant awarded to the district from the Department of Secondary Education. Pembroke High School is grateful for the funding that allowed us to host this Summer STEM Program. The program enabled the school district and our partners to provide valuable small group instruction that identified gaps in students’ acquisition of knowledge and skills in ELA, mathematics, and/or science and technology/engineering in order to help students pass their 10th grade MCAS tests. These grants helped prepare students for the transition from the middle school to the high school, as well as support students in the classes of 2015 and 2016 during their early years of high school. The following link is an informative video that was created by Ms. Jessica Doiron, a teacher involved in the program. <http://www.youtube.com/watch?v=3Yi1uvaW4MO>

MCAS Progress

Pembroke High School is proud to announce that we have been classified as a Level 1 school based on our most recent MCAS scores. All Massachusetts schools and districts with sufficient data are classified into one of five accountability and assistance levels (1-5), with the highest performing in Level 1 and lowest performing in Level 5. A school percentile between 1 and 99 is reported for schools with at least four years of data. This number is an indication of the school's overall performance relative to other schools that serve the same or similar grades.

Schools are assigned a *Progress and Performance Index (PPI)* which combines information about narrowing proficiency gaps, growth, and graduation and dropout rates over multiple years into a single number. All districts, schools, and student subgroups receive an annual PPI based on improvement over a two-year period and a cumulative PPI (shown above) between 0 and 100 based on four years of data. For a group to be considered to be making progress toward

narrowing proficiency gaps, its cumulative PPI must be 75 or higher. The PPI for Pembroke High School is currently 91.

School Council and Pembroke Education Foundation

Pembroke High School was once again fortunate to benefit from Pembroke Education Foundation grants in 2013. The Education Foundation made possible funding for a mini grant for an Ecology project. Funds granted by PEF to our educational programs help provide additional opportunities for students. We are extremely grateful to this organization for their ongoing support.

The Pembroke High School Council continued to meet throughout the school year, serving as an advisory group to the principal. The council prioritizes goals and decides on the most important issues to be addressed during the year. Some of the areas addressed by the PHS School Council in 2012-13 included updating the PHS tardy policy, helping to create the PHS School Improvement Plan, and reviewing potential handbook changes. The School Council for the current school year will also review the commendations and begin work on the recommendations contained in the NEASC follow up report.

Wipro Science Education Fellowship (K-12)

The Wipro Science Education Fellowship is a teacher-leadership program sponsored by Wipro that supports experienced kindergarten through high school science teachers. Two teachers, Emily French Kelly and Lauren Devane are this year's participants from the district, along with the program coordinator, Joan LaCroix, our secondary science department head. Presently we are actively recruiting other science teachers from the district to participate in the second cohort.

Gateway Institute

Ms. Lara SanGiovanni, Ms. Kendra Trainor and Mrs. Joan LaCroix all participated in the Gateway Institute at the Museum of Science in July 2013. This program is designed to provide the needed tools to school districts to work together as a team in order to create a "Plan of Action" that will guide the Pembroke District to implementing standards-based technology/engineering education strategies that work. Since the summer, we have expanded our team to include 6 elementary, 1 middle and 3 high school teachers. The group meets monthly to assess the districts needs for engineering, develops STEM lessons and develop STEM professional development for the elementary teachers.

STEM Initiative: Bridgewater State University City Labs

Pembroke High School continues to prepare students to be college and career ready upon graduation. To assist with this important initiative, 275 freshmen will work in collaboration with students and staff from the Bridgewater State University City Labs program. Our students will travel to BSU and conduct various labs in the university's state of the art science facility. This outreach program provides real world lab experiences using the latest technology and equipment. Students are able to glimpse first-hand how a professional lab operates and this experience may open the door to the increased pursuit of careers in science.

Social Studies Students on the Move

- Students in the AP Government class participated in the *We the People* Competition at the John F. Kennedy School of Government at Harvard and placed 6th overall.
- Students also competed in the annual National History Day competition.
- Sociology students visited the Plymouth County House of Corrections as part of their study of deviant behavior.
- Psychology students visited Bridgewater State Mental Health Hospital as part of their study of psychological disorders
- Genocide in History students visited the Holocaust Memorial as part of their studies. AP European students visited the Isabella Stuart Gardner Museum as part of their study of Renaissance Art
- Psychology students had a fellow student, who works as a trainer with service dogs; demonstrate the concept of Operant Conditioning as part of their study of behavioral psychology.

World Language:

In 2013 World Language fourteen students participated in AP exams: five in Latin and nine in Spanish. We continue to analyze student results and use those findings to improve instruction for this competitive exam.

In March of 2013, 166 exams were administered for the National Latin Exam. Sixteen of our students won awards. This was particularly noteworthy as it was the first time PHS offered this exam.

Nine students traveled to Costa Rica from April 11th -20th. They kayaked at the base of the Arenal volcano, relaxed at the Baldí Hot Springs, and zip lined in Monteverde, planted a tree at the Santa Elena Biological Reserve, hiked in the Manuel Antonio National Park and rafted the Tenorio River. However, the highlight of their trip was observing at a local school and donating supplies to the students

Fourteen students traveled to France from April 13-21st. Students toured Paris, the Loire Valley, Versailles and Normandy. Students learned how perfume is made in Paris, ate dinner in a troglodyte restaurant in Saumur and enjoyed the gardens of Versailles. Students also toured the cemetery in Normandy and visited the World War II Memorial Museum there.

Co-Curricular Opportunities

The many co-curricular opportunities available to students align with our school mission of providing a respectful, supportive, environment with varied learning opportunities that encourage civic responsibility and global awareness. We currently offer over thirty groups through which students can explore personal interests or participate in community-based activities. Co-curricular activities include: Student Council, Key Club, Marching Band Color Guard, Celtic Music Club, Dance Team, Mock Trial and Ultimate Frisbee. Involvement in co-curricular activities continues to be an important part of the high school experience, as demonstrated by the large number of students who participate in our academic and civic groups.

Fine and Performing Arts

The seventh PHS Marching Band Camp was held in August. Continuing to add a great new visual element to the performance was the Color Guard under the direction of Marcie Herold and Captain Abigail Herrmann. The Marching Band presented their field show at each home football game during the fall and at the Thanksgiving Day Game.

A major highlight in the Pembroke High School music department's concert performances for the fall took place on October 3rd in the form of a singing competition and was a smashing success as a sell-out audience attended the tenth annual "Pembroke Idol" contest. This event showcased the pop vocal talents of nine finalists representing students from grades 9-12. Senior Andrew Champa was crowned PHS's newest Idol.

The first performance of the year by the Thespian Society was the fall production of *And Then There Were None*, an Agatha Christie murder mystery. The play was performed October 25th & 26th in the Randall Auditorium, under the direction of the Thespian Advisor, Mrs. Marcie Herold.

PHS Winter Concerts were presented over the course of two evenings on December 10th & 12th, and showcased the talent of our Freshmen Girls' Choir, Concert Choir, Chamber Singers, Concert Orchestra, Concert Band, Wind Ensemble, Jazz Band, Men's and Women's Choirs. The concert was professionally recorded and portions were broadcast on Marshfield radio station WATD on Christmas Day. On January 8th, PHS hosted the south shore Band Exchange Concert. In addition to performances by our Honors Wind Ensemble, bands from Rockland, Scituate, Taunton, Duxbury, and Marshfield also performed.

The Music department also performed a number of community service music projects throughout the Town of Pembroke. The Honors Chamber Singers provided special music at the Town of Pembroke Veteran's Day service and the choir and band performed at the Chamber of Commerce Annual Tree Lighting on the town green on December 8th.

The Music department is thrilled to share the accomplishments of individual musicians too. Thirteen students were accepted by competitive audition to the 2014 Southeastern Senior District Music Festival, two students to the 2014 Massachusetts All-State Chorus, and the very first wind player from PHS was accepted to the All-State Band. In addition, six students were accepted to the 2014 Southeastern Junior District Music Festival.

The Pembroke Visual Arts Department is proud to announce the accomplishments of our hardworking and talented students. Students entered artwork into *Republican Josh Cutler's Sixth Plymouth District Student Art Competition*. The student work was displayed all week, Nov. 4-8, 2013 in the historic Doric Hall at the State House, in Boston where thousands of visitors from across the state and across the world visit. Those students honored were:

Amy Vidaic – "First Place" & "Best in Show" - Painting

Erin O'Leary – "Honorable Mention"- Painting

Jackson Haley – "First Place"- Photography & "First Place" – Mixed Media/Digital

Laura Martynowski – "Second Place"- Mixed Media/Digital

Courtney MacFadgen & Danielle Dupuis – (Tied) "Third Place" – Mixed Media/Digital

Dan Sheehan - "Honorable Mention" – Mixed media/Digital

Anthony Amatuci – “Second Place” – Drawing/Pastel
Justin Mattinson – “Honorable Mention” – Drawing/Pastel
Tyler Bird – “Honorable Mention” – Drawing/Pastel
Hannah Burns
Jared Hagan
Emma McFadden
Danielle Tom

Furthermore the artwork of the students listed below has been chosen as part of the *Emerging Young Artists 2014 Invitational Exhibition* at UMass Dartmouth. This showing of student art will be on display at the UMASS Dartmouth CVPA Campus Gallery, from January 26 – February 1, 2014. A closing reception will take place on Saturday, February 1st, 2–5pm. Awards and certificates will be presented at 3pm. Those students being honored are:

Jackson Haley – “Disc Drops” & “Hipster?”
Amy Vidaic – “Reflection, Rebuilding”
Hannah Roop – “Lavendre”
Monica Hampe – “The Uprise”

Athletics- Go Titans!

The 2013 fall athletic season had many highlights with three teams making the MIAA tournaments.

For the first time in eight years, the field hockey team advanced to the MIAA tournament. The Lady Titans finished the regular season with at 10-7-3 that included key wins over league rivals, Hanover and Scituate. The team traveled to Old Rochester and lost a tough 1-0 battle in the first round.

The boys cross country teams continued their dominance in 2013 winning the Patriot League and Eastern Massachusetts title. They then traveled to Gardner and showed the strength capturing their second straight All-State title. The girls also had a fine year which was comprised of mostly underclassmen. According to coach Rooney and Zopatti, this could be one of their strongest groups in years.

The PHS football team started out slow with a 1-5 record but finished the year at 5-5. The highlight of the season was a Thanksgiving Day victory over Silver Lake. The Lakers, who had advanced into the MIAA tournament before getting knocked out, came into the game with an explosive offense and were heavily favored. However, the Titans relied on strong defense and came away with a 21-17 win.

The volleyball team coming off an 18-2 year in 2012 was in a rebuilding year with most of the starters graduated. Under the direction of new head coach, Jen Hall, the Lady Titans battled all year long, just missing out on the tournament. With most of their players returning, they should be one of the favorites in the Patriot League next year.

The boys’ soccer team also had a new coach, Jay Boden, who helped them become one of the hottest teams in the Patriot League. The boys finished the regular season with an 11-6-4 record and moved onto the MIAA tournament. In the first round, the Titans beat Diman Vocational in a shoot-out, 1-0. They were on the road again in the second round and beat the number one

seed, Southeastern Regional, 6-0. The road ended at the South Sectional finals as the Titans faced off against Walpole. Both teams had the early chance but it was Walpole that came away with a 2-0 win.

The girls' soccer team, with new head coach Rob Leary, started out slow with a 1-5-2 record but continued to improve throughout the season. With most of the starters returning, they finished the season with a 3-1-3 record and moved onto the MIAA tournament. The Lady Titans traveled to Milton and dropped a tough, 2-0 game.

The golf team with only three seniors was in the middle of a rebuilding year. The Titans relied on many young players and will have the majority of the team returning next year.

Class of 2013

On June 1, 2013, Pembroke High School graduated its ninth class since opening in 2004. This year, we had 100% student graduation rate. It was a wonderful celebration of student achievement, as well as parental and community support. This support has been a major factor behind the growth and successes of Pembroke High School over the past nine years.

Fifty-six members of the Pembroke High School 2013 class were recipients of the John and Abigail Adams Scholarship. Due to their academic accomplishments and outstanding MCAS scores, these seniors will receive four years of free tuition at Massachusetts state colleges and universities.

Pembroke Community Middle School

2013 Annual Town Report

Donna McGarrigle, Principal

Pembroke Community Middle School opened the 2013-2014 year with an enrollment of 588 students: 275 seventh graders and 313 eighth graders.

Grade seven students were assigned to one of two seventh grade teams: 7.1 & 7.2. These teams support students with a smaller “school within a school” experience as they acclimate to the middle school environment. As was the case last year, the eighth grade students have not been placed on teams, to prepare students for the departmental model followed by Pembroke High School. All grade 7 and grade 8 teachers (ELA, Math, Science, Social Studies and Special Education) have a daily common core preparation period, in order to monitor students’ academic success and build a vehicle for cross-curricular work.

Mrs. Terri Veneto, a special education teacher, moved to the middle school from Bryantville Elementary School. Mrs. Joanne McClune, a guidance counselor, has moved to the middle school from Pembroke High School. Mr. Mike Slawson is our new 8th grade social studies teacher. Mr. Slawson came to us after working two years as a middle school teacher in the New Bedford Public Schools. Ms. Kelly Danner is our new music teacher who came to us after working for two years in Bourne Middle School. Prior to that appointment, Ms. Danner was a long-term music teacher substitute at PCMS.

Prior to the start of the new school year, Ms. Emily Holleran, the secondary school psychologist, Dr. Kate Salas and Mrs. Joanne McClune, grade 7 guidance counselors, ran an enhanced orientation program at PCMS for students who were identified by their elementary school as in need of additional support around the transition. The enhanced orientation covered: touring the school, managing a rotating schedule, rules/behavior expectations at PCMS, accessing help (teachers, guidance, nurse, etc.) and social opportunities (clubs, dances, etc.).

The 7th Grade Orientation was held on August 22nd to welcome all incoming 7th graders. Orientation included touring the building, meeting the administrative staff and team building activities. Lunch was provided in the cafeteria.

A Program of Studies for the middle school has been created and is posted online. We follow a 6-day, 7-period rotating schedule. Instructional blocks are 48 minutes. In place of an orbit model, we introduced an elective model this year, allowing our students to supplement their core classes with elective classes that match their interests. Broadly, electives are offered with a focus on music, visual arts, and technology. Some electives run for a semester (e.g. computer programming) while others are full academic year electives (e.g. band).

Five PCMS teachers (Mrs. Julie Gearin, Mrs. Shannon Kwiatek, Mrs. Courtney Michalek, Dr. Kate Salas and Mr. Dan Sandberg) were selected to be technology pioneers. The pioneers’ classrooms were outfitted with the Mimio Teach and Document Camera, an LCD, 3 laptops, and 3 iPads. In these classrooms, students use these tools daily to access information, collaborate with each other, and make their learning visual. The pioneers are using individualized learning tools such as Khan Academy to personalize learning; Edmodo to communicate with students and families; Weebly to host student blogs; and TitanPad for collaborative editing. Teachers are also

using technology such as clickers, or Socrative software on smartphones to complete formative assessments to inform classroom teaching.

All students are taking an expanded 21st Century Skills class this year which has been developed to support students' academic, social and emotional health. Each class is taught by a student's assigned guidance counselor and meets a total of 60 times. The 21st Century Skills class developed its curriculum using American School Counseling Association 21st Century Skills curriculum as well as the Massachusetts Health Curriculum.

On November 4th, Ms. Wendy Stoddard and Mrs. Nicole Tilton spoke at the MAHPERD state-wide conference about the Wellness Ambassador Program at PCMS. MAHPERD is the state organization for Massachusetts Health, Physical Education and related content areas. The convention draws 10,000 attendees and is one of the most well respected organizations on the state and national level for helping educators with current research, teaching techniques and clarification and demonstration of assessments and activities for use in the schools. The presentation focused on how other educators can start a Wellness Ambassador Program at their schools. Our school is very proud of everything that our Wellness Ambassadors have accomplished and were thrilled that our Wellness Club advisors got to share it with a larger audience.

On December 3rd, forty-one PCMS students from the Wellness and Leadership clubs attended a state-wide anti-bullying conference at the DCU Center in Worcester. There were over 4,000 high school and middle school students in attendance at this conference. Students heard from motivational speakers about their personal experiences with bullying. Students were encouraged to take an active stand in their schools to combat bullying behaviors.

In December, District Attorney of Plymouth County, Kristen Stone spoke to the entire 8th grade on the topic of cyber-safety and the potential legal ramifications of cyber-bullying. Also, Mr. Robert Hackenson, from Dynamic Influence, spoke to the entire 7th grade about social media safety and cyber-bullying.

On December 20th, Mrs. Joanne McClune and Dr. Kate Salas brought 18 seventh grade students to Bridgewater State University to participate in Peer Leadership Training. This is a program that is offered through MARC, The Massachusetts Aggression Reduction Center at BSU. The main focus of this program is to train a small group of students who have been recognized as leaders and "train them to conceptualize bullying and abuse and to generate their own, student-conceived and student-led anti-bullying/cyber-bullying programs." Our goal is that this will be the first step in creating a Peer Mediator Program at PCMS.

All students are also taking a Math Applications course. This course meets 90 times throughout the year and is a technology-heavy course used to reinforce and expand students' mathematical understanding. The middle school received three new computer labs to support the implementation of this course. MangaHigh.com is a new website for the Math Applications classrooms which allows the teachers to assign Common Core based learning "challenges" to a class based on the topics we are teaching. Students are given individual and personalized instruction that advances or remediates based on their achievement level of the given topic. As students complete the challenges, they earn achievement medals which are added to their profile. Student achievement is also monitored on the teacher's screen which allows the teachers to stretch proficient-level students and to identify and work with struggling students. The student feedback for this type of instruction has been extremely positive. MangaHigh allows struggling

students to receive extra practice and instruction to meet their goals and proficient students are able to be challenged. All students acknowledge that they have fun while learning, and their results show that they are mastering the topics. There is no homework assigned in Math Applications, but many students use MangaHigh.com at home to play a math-based game for fun or to try the classwork again for a higher score.

As part of preparing our students to be college and career ready upon graduation, about 283 Grade 7 students will participate in the BSU City Labs performing the Mystery of the Crooked Cell and the Watershed Labs. This outreach program provides a lab experience using the latest technology and equipment. Students are able to glimpse first-hand how a professional lab operates and may open the doors to the science fields. This program is free of charge and is part of the STEM Initiative in the Pembroke School District.

The PCMS School Council is an advisory body of parents, faculty and community. They work in conjunction with administration to support the continued growth of our school. Parent members include Mrs. Jessica Spencer, Mrs. Kate Dahlquist, Mrs. Kim Kibbe, and Mrs. Kerri Zeoli. PCMS faculty members include Mrs. Abby Besse, Mrs. Catie Ruggiero, Mrs. Jen Campbell, Mrs. Terri Veneto and Mrs. Donna McGarrigle. Our community representative is Officer Stephen Kirby, from the Pembroke Police Department.

Our Student Council has elected officers to allow students a voice in their school. Our student-elected student council officers are: Co-Presidents: Frankie Falcone & Roman Frattasio; Vice President: Eric Kaplowitz; Publicity Coordinator: Alixandra Elliot; Co-Treasurers: Emma Killham & Olivia Griffin; and Secretary: Stephen Moran. Our Student Council (student leadership club) continues to raise funds and awareness for various charities (i.e., breast cancer [Sandra's Journey Scholarship Fund]; prostate cancer [Movember Foundation for Prostate Cancer]) as well as conducting a winter coat drive for a local charity.

William Healey, Tenor, grade 7, and Laura McCue, Soprano, grade 8, were accepted to the 2013 Southeastern Junior District Music Festival. They will attend a two-day music festival on March 7 and 8, 2014.

Under the direction of music teachers Mr. Thomas Hovey and Ms. Kelly Danner, the PCMS band, orchestra, and chorus members performed at the Providence Bruins game on Friday, January 17, 2014.

Ms. Wendy Stoddard and Mr. Nate Corwin, our physical education teachers, ran the Jingle Ball Tournament which raised toys for the Pembroke Community Group. They also ran the Hoops for Heart campaign which benefitted the American Heart Association.

Our dedicated group of PTO parents had another very successful calendar raffle sale raising close to \$20,000. These funds are used to support our school with events such as March Madness and field trips as well as disc jockeys for our school dances, etc.

We have expanded our free after school club offerings this year, with a total of 21 clubs. New club additions include: dance, archeology/anthropology, sewing, fitness, Yu-Gi-Oh and gardening. Our Drama Club is currently preparing for the spring presentation of "Once on This Island".

For athletic opportunities, we offer outdoor track, indoor track, cross country, basketball, volleyball and lacrosse.

We congratulate Ethan Rankin as he won the PCMS National Geographic Geography Bee (2nd consecutive year at PCMS!). He will soon be competing at the regional level.

We were grateful to receive a grant from the Pembroke Education Foundation to support the Math Applications course. We received \$1,753 to purchase three LCD projectors for those classrooms.

We remain thankful for the continued support for public education from the Pembroke community.

Respectfully submitted,

Donna McGarrigle, Principal, Pembroke Community Middle School

Bryantville Elementary School
2013 Annual Town Report
Catherine Glaude, Principal

Bryantville Elementary School believes all children will achieve to their greatest potential in a safe, caring, supportive, and enriching environment. We currently have 600 children enrolled in Kindergarten through Grade 6. We have two full-day and two half-day kindergarten classes.

Teachers strive to support and challenge all students. We offer additional, targeted support in Reading from our exemplary Title 1 program to children in Kindergarten through Grade 3. We use on-line targeted instruction in Math through Khan Academy and after-school math support in Grades 3-6. We have accelerated classes with a faster paced instruction in Math and English Language Arts in Grades 5 and 6.

This year we welcomed several outstanding new teachers to our school. Laura Catinella joined Grade 4. She came to us from a long-term substitute position at North Pembroke Elementary School. Another new teacher in Grade 4 is Sara McNulty who previously was employed at Boston Renaissance Charter School. Maureen Connelly, who was a teacher in our district prior this year, returned to Grade 5. Coming from Pembroke Community Middle School, Sheri Healy joined our Special Education Team and Meghan Russell, who previously worked at Hobomock Elementary School, joined our Grade 1 team.

Our teachers have extensive knowledge and experience in teaching elementary education and use state standards in Mathematics, English Language Arts, Social Studies, Science, and Unified Arts to evaluate what students know and can do. Teachers are constantly upgrading their curriculum and instructional strategies. During the past summer, teachers from all our elementary schools worked together to align the K-6 common math assessments to the newly adopted Common Core standards. The new assessments were used this year to measure students' achievement and progress as well as give teachers valuable information about strengths and needs in math instruction.

To improve their individual practices, teachers meet weekly in their grade teams to share their successes and challenges, analyze test results, develop curriculum and exchange instructional strategies. Faculty meetings twice a month are used to work on areas identified in our school improvement plan. Finally, there are many after-school workshops, district courses and professional development offerings for educators.

This year, we are using new elementary report card. Aligned to the new Common Core standards, the report card gives a parent an in depth descriptions about their child's achievement and progress toward essential skills and concepts.

There have been many technology upgrades this year. Several of our teachers joined a district group from the other schools to participate in a summer technology conference. The teachers who participated had their classrooms equipped with the latest technology

so they could apply their learnings from the conference. Teachers now are sharing with others colleagues how they are using technology to create meaningful, engaging, rigorous learning experiences for students that go beyond what had been possible with previous classroom tools. In addition to this technology upgrade, each Grade 3-6 classroom was equipped with a wireless connection and a laptop and projection device. Finally, our PTO donated money to be added to our school purchase of iPads for every classroom. There has been much excitement and learning as teachers continue to use these new classroom tools.

In addition to academic development, we foster social and emotional growth of children. Every teacher begins the school day with a Morning Meeting. Morning Meeting is a daily routine that brings students and teachers together in a circle to greet one another, to share and respond to each others' news, to practice social skills through fun activities and to build interest in the learning events in the day ahead. The Morning Meeting is one of the 10 teaching practices offered from Responsive Classroom that our school is implementing for the past two years.

We also offer children a solid foundation in art, music, and physical education, and have a large percentage of children participating in our band, orchestra, and chorus. The after-school enrichment program is well attended and includes chess club, chorus, drama, art and dance. Many students in Grade 6 participated in the district's Grade 6 musical play. The YMCA offers parents before and after-school daycare options to parents.

Our school has an active Grade 6 student leadership team. With revolving membership of approximately 85% of the Grade 6 class, the team meets to identify and to plan ways that students in Grade 6 can contribute to and improve our school community. Some of the activities this year include tour guides at parent conferences and Open House, a Diabetes Awareness month, an After-School Fun Day for Grade 1, and buddying with younger children to help them practice math and reading skills.

We are thankful for the many contributions that our P.T.O. and our parent volunteers make to our school community. The activities and events they provide enrich and beautify our school and create opportunities for the community to support our teachers in the work they do. In addition to their donation made to our technology purchases, the P.T.O. has funded all of our field trips. The PTO hosts a social each month featuring an education piece. Topics this year include participating in a Morning Meeting, using positive language at home to instill children's mindsets and tips for building home routines to support children's organization skills. Finally, the efforts of a dedicated group of sixth grade parents resulted in a successful field experience at "Nature's Classroom" in Yarmouthport.

The Bryantville School Council, with membership including teachers, parents, and community members, meets several times a year to discuss our school improvement efforts and progress toward our school improvement goals. Topics discussed this year

included exciting uses of the new technology, discussions about the new report cards and changes to the new teacher evaluation system.

The Pembroke Education Foundation Grants continues to generously support our school. This year their donation of iPads were used to offer additional technology support in the classrooms. They also awarded a grant to our Reading Specialist to fund an incentive program to motivate readers in Kindergarten to Grade 6.

On behalf of Bryantville Elementary School, I thank the citizens of Pembroke for their commitment to education and for the beautiful facility we have for our children. I am honored and proud to be the principal of this fine school.

Respectfully submitted,

Dr. Catherine Glaude, Principal

Hobomock Elementary School Highlights 2013-2014

Hobomock has a current enrollment of 450 students in grades kindergarten through six. This year there are three kindergarten classes; one full day class and two half day classes. There are three sections of grades 1, 2, 4, 5 and 6 and four sections of grade 3. Current full time staff include twenty one general education teachers, six special education teachers, a physical education teacher, an art teacher, a music teacher, one school psychologist, one school nurse, two speech/language therapists, nine special education paraprofessionals, one library paraprofessional, one kindergarten paraprofessional, three custodians (one for the day shift, two for the evening shift), four cafeteria workers, one office secretary, one office paraprofessional, one assistant principal/special education team chair and one principal. We have a half time reading specialist that is shared between Hobomock and North Pembroke Elementary. Our two instrumental music teachers work with students in grades 5 and 6 in all three elementary schools. For children with specific needs, we have a part time physical therapist, an occupational therapist that is at Hobomock part time and an ELL (English Language Learner) teacher who are shared with the other school buildings.

We have created an additional district wide special education program at Hobomock this year. We expanded our Transitional Program to include a Pre-Primary Transitional Classroom for grades kindergarten through grade 2. We continue to have the Primary Transitional Classroom for grades three to six as well, creating a cohesive model for students in grades kindergarten through sixth grade. We continue to offer our substantially separate Practical Academic Curriculum Experience programs (PACE I and PACE II). We have expanded our adaptive specialist classes to include adaptive art and adaptive music, as we implemented last year with physical education. These programs provide an additional support to students who may struggle with accessing a traditional model of art, music and physical education. In preparing for this additional support, our music teacher has developed a partnership with South Shore Conservatory in Norwell as they traditionally provide some of our students with music therapy. Our art teacher has subsequently developed a partnership with New England Villages in Pembroke.

Our teaching staff has been working to enhance our culture of collaboration in relation to both instructional practices and increasing our use of 21st century skills to become more reflective about our practices, in order to enrich professional growth and ultimately improve student performance. Faculty meetings have focused on collaboration, investigation and conversations on improvement. Each meeting consists of reflection and activities based on our work towards creating an environment in which there is a shared balance between accountability and psychological safety. An additional focus has been on enhancing ways to implement 21st century skills and strategies that allow students to learn to think both critically and creatively, understand their connection to the world around them and use technology to enhance their learning. We have taken steps to create a digital learning environment that embraces the integration of additional technology into classrooms including additional devices and the use of web-based programs to increase student engagement, broaden instructional practices and create student centered learning. We purchased additional technology for classrooms including iPads and Wifi Hotspots, allowing each classroom to be outfitted with an iPad and many classrooms have been given laptops, LCD projectors and mimeo boards. Teachers have been working hard to increase visual learning within their classrooms, and have been collaboratively sharing and working together to share resources. We have explored various web based programs that assist students in effectively meeting grade level expectations and fill in gaps that exist from previous grade level expectations.

At the elementary level, we implemented the pilot of a new standardized report card (K-6) in order to provide a clear communication tool regarding achievement and progress. Students are graded against the new Massachusetts Common Core Frameworks. The new report card includes key standards and a four point rating scale to describe student performance. We will continue to gather feedback from families and staff on the format, standards and use on the new report cards and propose adjustments as needed.

We have implemented the new educator evaluation system required by the Department of Elementary and Secondary Education. The goal of this new system is to enhance supervision and evaluation practices, thus creating a culture of continuous improvement and reflective learning. We are working to provide educators with feedback for improvement, enhanced opportunities for professional growth, and clear structures for accountability through regular unannounced observations. As a district and building, we have focused on supporting educators with ongoing professional development regarding the newly adopted rubrics and language as well as identified areas of needed growth. The new system provides opportunities to have regular conversations regarding teaching and learning, while collaborating and strategizing on approaches to support teachers and students alike. One of the components of the new system is for teachers to set both professional and student growth SMART (Specific, Measurable, Attainable, Realistic and Time-sensitive) goals. Teachers used a rubric that is broken down into four standards including Curriculum, Planning and Assessments, Teaching All Students, Family and Community Engagement and Professional Culture, to reflect on their strengths and weaknesses. They used this data to set their professional goal. The student goal was often created with a team of job-alike teachers. Teachers worked to identify strengths and weaknesses within overall performance, looked for trends and drilled down into individual student data. During this process, teachers identified patterns of weakness, identified specific areas of most needed improvement, and created specific goals to address the needed areas of improvement, the actions that would be necessary to create improvement and ways of assessing progress.

Our staff has participated in ongoing professional development opportunities both in and out of district this year. In district opportunities this year include professional development on the Social Thinking Curriculum, Co-teaching in Special Education, Instructional Strategies aligned to the Common Core Frameworks and Instructional Technology. Our teachers continue to be lifelong learners and have taken advantage of out of district professional development opportunities in such areas as MCAS and alternative assessments, co-teaching, digital literacy, instructional practices related to the Common Core Frameworks and early literacy such as the Telian Lively Letters program.

We continue to have a focus on communication and collaboration with families and community connections. We have been working to establish a cohesive and collaborative relationship with the Hobomock PTO (Parent Teacher Organization). We have implemented regular meetings with the PTO executive board to discuss practices, procedures and policies and have been reviewing ongoing PTO events and committees to analyze effectiveness and efficiency. Communication means have increased through the work with the PTO's "Networking/Marketing" subcommittee, who has created an updated, user friendly website and use of other social medias to gather and publicize information.

As always, we appreciate the town's ongoing support for public education.

Respectfully submitted,
Jessica Duncanson, Principal

North Pembroke Elementary School
David Summergrad
2013 - 2014

North Pembroke Elementary School presently has an enrollment of 657 students in Pre-School through grade 6. There are three system-wide *integrated* pre-school classes located here. We also have two full-day kindergarten classes and two sections of half-day kindergarten. All of the other grades (1-6) currently have four sections each. The Principal at North Pembroke is David Summergrad. He is ably supported by Michael Murphy, who serves as both the Assistant Principal and special education coordinator for the building.

The school focuses on **excellence in teaching** as we work to provide appropriate support *and* challenge for every child. The academic program continues to offer accelerated instruction in math and English language arts in grades 5 and 6. In grade 5, Mrs. Melinda Soliwoda teaches the Accelerated Pathways English language arts, and Mrs. Heidi Shadrick teaches the Accelerated Pathways math. In grade 6, Mrs. Natalie McFadyen teaches the Accelerated Pathways English language arts, and Mrs. Gay Rendle teaches the Accelerated Pathways Math. These programs provide instruction for children who are ready to learn at an accelerated pace. Many of the children in our school also participate in our Buddy Programs. These programs partner all of our 6th graders and 1st graders as they participate in reading enrichment activities together, and our 4th graders are buddies with our Kindergarten children.

Our **specialists** provide our students with instruction and experiences in the arts and physical education. This year, North Pembroke is once again hosting the town wide 6th grade musical (*Annie!*). This provides an opportunity for the students in *all three elementary schools* to be part of an exciting musical theater experience. Support for music and the arts here includes: “Music in the Morning” – a series of concerts held every other Wednesday before school in the lobby near the gym - and our 4th, 5th, and 6th grade chorus, directed by Mrs. Karin Foley. Our 2nd graders performed their annual winter concert in December in front of a packed house. The instrumental music program continues to grow under the direction of Mr. Dan Hawes and Ms. Kathryn Snowden. We also have our annual Gallery Night – a huge student art show held during TV turn-off week in April. For the 6th year, Mrs. Julie Molisse and Mr. Brendan Mosher have collaborated to involve our students in the HEART Healthy program. This program integrates art and physical education and encourages children to work together in teams as they support healthy life-styles and the American Heart Association.

The **North Pembroke PTO** continues to be an active and integral part of our school community. The members enhance our environment with educational, enrichment, and fun community-building activities. The PTO has supported a fundraiser this fall that collected more than \$5,000 for the *Wounded Warrior Project*. They have been generous in their continued support of field trips for every grade in the school. And, the PTO funded the purchase of 10 iPads – a big step forward as we continue to grow our use of instructional technology! For enrichment this year the PTO has sponsored a visit from *CurricuLaughs with Jeff Nathan*, featuring word-play and poetry assemblies for all grades, as well as an evening presentation for families, guest artist Bren Bataclan who worked with all our fifth

graders on special calendar panels, and a return visit from *Slapstick Science*. The officers of our PTO are: Mrs. Caulene Lynch as president, Mrs. Patricia Mahoney as vice president, Mrs. Maureen Jasie and Mrs. Sarah Quatralo as co-secretaries, and Mrs. Donna Woods as treasurer.

The **Student Council**, advised by Mrs. Julie Molisse and Mrs. Donna McKinnon, actively plans and carries out school wide activities. The Student Council involves students in grades 4, 5 and 6. This winter we will have the third annual food drive for the *Pembroke Food Pantry*. For every item children bring in, they get an entry ticket into a drawing for the grand prize of being “Principal for a Day.” The winning child will switch places with Mr. Summergrad for the whole day. The goals of the Student Council are to develop skills in working with others, provide citizenship and leadership for the student body, increase confidence in expressing opinions in persuasive ways, and practice conflict resolution skills. One thing the Student Council takes special pride in is developing activities that provide community service. The Student Council also helps organize a teacher appreciation event during the school year.

Each year the **School Council** fulfills an advisory role to the administration of North Pembroke. Our council members this year include parents: Mrs. Lesley Battell (Co-Chair), Mrs. Pam Roy, Mrs. Donna Woods, and Mrs. Joanne St John. Mrs. Kate Nugent and Mrs. Vickie Panacy are the Community Members at Large. Staff members are: Mrs. Kathy Lang, Mrs. Elizabeth Woods, Assistant-Principal Michael Murphy, and Principal David Summergrad (Co-Chair). This group contributes to the overall success of our school with a sharing of ideas and concepts. Among other issues, we are taking a look at our cafeteria and ways we can improve participation in our school lunch program, and we have given a survey for the community so we could get a sense of the technology capacity of our families.

North Pembroke Elementary School believes that every member of our school community should feel safe and respected. Toward that end we embrace and teach a clear and concise *Code of Responsibility*. I will:

- Treat others with respect.
- Keep my hands to myself.
- Use kind words. (Report bullying.)
- Help take care of our school and grounds.
- Try hard to do my best every day.

In addition, we have created a plan for each grade to participate in “owning” a portion of the school. Here are the projects that are underway and ongoing:

- PreK: Trash Patrol – playground enclosure
- Kindergarten: Scuff Patrol – wiping scuffmarks from the hallway floors
- 1st Grade: Trash Patrol – school grounds
- 2nd Grade: Bird Feeder – upkeep in the small courtyard
- 3rd Grade: Large Courtyard – tidying and maintenance
- 4th Grade: Peace Garden – maintenance and additional plantings
- 5th Grade: Plastic Bottle Recycling – weekly collection

6th Grade: Paper Recycling – weekly collection

The **Pembroke Education Foundation** continues to generously support innovative ideas that benefit our students. This year the Foundation provided funding for additional iPads so that we could continue to figure out the possible uses of tablets in the teaching and learning here at North Pembroke. The school system has supported the installation of WiFi hotspots in the building, and our technology *teacher pioneers* have been able to leap into the 21st century in their use of instructional technology to improve teaching and learning.
