### QUESTION
Shall the Town of Pembroke be allowed to exempt from the provisions of Proposition two and one-half, so called, the amounts required to pay for the bond or bonds issued for the purposes of paying costs of a project to design and construct a new Community Center to replace the existing facility and to demolish or remodel, reconstruct, add to, and originally equip the existing Pembroke Community Center and Senior Center, and for the payment of all other costs incidental and related thereto?

**EXPLANATION:** If approved by Pembroke voters, the Debt Exclusion question would increase property taxes to pay debt services on bonds sold to pay for a new Community Center/Senior Center. The estimated total cost of the project is $19,000,000. The tax increase will remain in effect until the bonds are fully paid.
